The Net and the Butterfly Olivia Fox

Cabane, Judah Pollack, 2017-02-07 In *The Charisma Myth*, Olivia Fox Cabane offered a groundbreaking approach to becoming more charismatic. Now she teams up with Judah Pollack to reveal how anyone can train their brain to have more eureka insights. The creative mode in your brain is like a butterfly. It's beautiful and erratic, hard to catch and highly valued as a result. If you want to capture it, you need a net. Enter the executive mode, the task-oriented network in your brain that help you tie your shoes, run a meeting, or pitch a client. To succeed, you need both modes to work together--your inner butterfly to be active and free, but your inner net to be ready to spring at the right time and create that aha! moment. But is there any way to trigger these insights, beyond dumb luck? Thanks to recent neuroscience discoveries, we can now explain these breakthrough moments--and also induce them through a series of specific practices. It turns out there's a hidden pattern to all these seemingly random breakthrough ideas. From Archimedes' iconic moment in the bathtub to designer Adam Cheyer's idea for Siri, accidental breakthroughs throughout history share a common origin story. In this book, you will learn to master the skills that will transform your brain into a consistent generator of insights. Drawing on their extensive coaching and training practice with top Silicon Valley firms, Cabane and Pollack provide a step-by-step process for accessing the part of the brain that produces breakthroughs and systematically removing internal blocks. Their tactics range from simple to zany, such as:

- Imagine an alternate universe where gravity doesn't exist, and the social and legal rules that govern it.
- Map Disney's Pocahontas story onto James Cameron's Avatar.
- Rid yourself of imposter syndrome through mental exercises.
-

Literally change your perspective by climbing a tree. • Stimulate your butterfly mode by watching a foreign film without subtitles. By trying the exercises in this book, readers will emerge with a powerful new capacity for breakthrough thinking.

A Gesture Life Chang-rae Lee, 2000-10-01 The second novel from the critically acclaimed New York Times-bestselling author Chang-rae Lee. His remarkable debut novel was called rapturous (The New York Times Book Review), revelatory (Vogue), and wholly innovative (Kirkus Reviews). It was the recipient of six major awards, including the prestigious Hemingway Foundation/PEN award. Now Chang-rae Lee has written a powerful and beautifully crafted second novel that leaves no doubt about the extraordinary depth and range of his talent. *A Gesture Life* is the story of a proper man, an upstanding citizen who has come to epitomize the decorous values of his New York suburban town. Courteous, honest, hardworking, and impenetrable, Franklin Hata, a Japanese man of Korean birth, is careful never to overstep his boundaries and to make his neighbors comfortable in his presence. Yet as his story unfolds, precipitated by the small events surrounding him, we see his life begin to unravel. Gradually we learn the mystery that has shaped the core of his being: his terrible, forbidden love for a young Korean Comfort Woman when he served as a medic in the Japanese army during World War II. In *A Gesture Life*, Chang-rae Lee leads us with dazzling control through a taut, suspenseful story about love, family, and community—and the secrets we harbor. As in *Native Speaker*, he writes of the ways outsiders conform in order to survive and the price they pay for doing so. It is a haunting, breathtaking display of talent by an acclaimed young author.

Bel Canto Ann Patchett, 2009-03-17 Winner of the PEN/Faulkner Award • Winner of the Orange Prize •

National Book Critics Circle Award Finalist *Bel Canto* is its own universe. A marvel of a book. —Washington Post Book World New York Times bestselling author Ann Patchett's spellbinding novel about love and opera, and the unifying ways people learn to communicate across cultural barriers in times of crisis Somewhere in South America, at the home of the country's vice president, a lavish birthday party is being held in honor of the powerful businessman Mr. Hosokawa. Roxanne Coss, opera's most revered soprano, has mesmerized the international guests with her singing. It is a perfect evening—until a band of gun-wielding terrorists takes the entire party hostage. But what begins as a panicked, life-threatening scenario slowly evolves into something quite different, a moment of great beauty, as terrorists and hostages forge unexpected bonds and people from different continents become compatriots, intimate friends, and lovers. Patchett's lyrical prose and lucid imagination make *Bel Canto* a captivating story of strength and frailty, love and imprisonment, and an inspiring tale of transcendent romance.

Blue Moon Rising Simon R. Green, 2015-12-16
Quests are overrated All his life, Prince Rupert thrilled in the glorious exploits of his royal ancestors. Finally embarking on his own heroic journey, Rupert realizes there's a lot the minstrels leave out of their songs. On the hunt for a mythical dragon, besieged by demons, and navigating the cursed Darkwood with a smart-mouthed unicorn, Rupert is becoming somewhat disenchanted with legends. But even if he succeeds, peril awaits, because the king never intended for his spare heir to return from this fool's errand. Now, with the help of a few unusual allies, Rupert must make up the story as he goes--outmaneuvering assassins, thwarting the voracious spread of the Darkwood, and grappling with rumors of a powerful evil's return. Rupert may not be the hero Forest Kingdom wanted, but at this rate, he's the only one they're going to get. New York Times bestselling author Simon R. Green's trademark wit and genre-twisting narrative sparkles in *Blue Moon Rising*, the first book of *The Forest Kingdom* series.

Fierce Poise Alexander Nemerov, 2022-03-22 A National Book Critics Circle finalist • One of *Vogue's* Best Books of the Year A dazzling biography of one of the twentieth century's most respected painters, Helen Frankenthaler, as she came of age as an artist in postwar New York "The magic of Alexander Nemerov's portrait of Helen Frankenthaler in *Fierce Poise* is that it reads like one of Helen's paintings. His poetic descriptions of her work and his rich insights into the years when Helen made her first artistic breakthroughs are both light and lush, seemingly easy and yet profound. His book is an ode to a truly great artist who, some seventy years after this story begins, we are only now beginning to understand." —Mary Gabriel, author of *Ninth Street Women* At the dawn of the 1950s, a promising and

dedicated young painter named Helen Frankenthaler, fresh out of college, moved back home to New York City to make her name. By the decade's end, she had succeeded in establishing herself as an important American artist of the postwar period. In the years in between, she made some of the most daring, head-turning paintings of her day and also came into her own as a woman: traveling the world, falling in and out of love, and engaging in an ongoing artistic education. She also experienced anew—and left her mark on—the city in which she had been raised in privilege as the daughter of a judge, even as she left the security of that world to pursue her artistic ambitions. Brought to vivid life by acclaimed art historian Alexander Nemerov, these defining moments—from her first awed encounter with Jackson Pollock's drip paintings to her first solo gallery show to her tumultuous breakup with eminent art critic Clement Greenberg—comprise a portrait as bold and distinctive as the painter herself. Inspired by Pollock and the other male titans of abstract expressionism but committed to charting her own course, Frankenthaler was an artist whose talent was matched only by her unapologetic determination to distinguish herself in a man's world. Fierce Poise is an exhilarating ride through New York's 1950s art scene and a brilliant portrait of a young artist through the moments that shaped her.

Binti Nnedi Okorafor, 2015-09-22 She left her home for the stars, but found more adventure than she bargained for. A tense and intimate coming-of-age story in space.

The Scar China Miéville, 2002-06-25 A mythmaker of the highest order, China Miéville has emblazoned the fantasy novel with fresh language, startling images, and stunning originality. Set in the same sprawling world of Miéville's Arthur C. Clarke Award-winning novel, *Perdido Street Station*, this latest epic introduces a whole new cast of intriguing characters and dazzling creations. Aboard a vast seafaring vessel, a band of prisoners and slaves, their bodies remade into grotesque biological oddities, is being transported to the fledgling colony of New Crobuzon. But the journey is not theirs alone. They are joined by a handful of travelers, each with a reason for fleeing the city. Among them is Bellis Coldwine, a renowned linguist whose services as an interpreter grant her passage--and escape from horrific punishment. For she is linked to Isaac Dan der Grimnebulin, the brilliant renegade scientist who has unwittingly unleashed a nightmare upon New Crobuzon. For Bellis, the plan is clear: live among the new frontiersmen of the colony until it is safe to return home. But when the ship is besieged by pirates on the Swollen Ocean, the senior officers are summarily executed. The surviving passengers are brought to Armada, a

city constructed from the hulls of pirated ships, a floating, landless mass ruled by the bizarre duality called the Lovers. On Armada, everyone is given work, and even Remades live as equals to humans, Cactae, and Cray. Yet no one may ever leave. Lonely and embittered in her captivity, Bellis knows that to show dissent is a death sentence. Instead, she must furtively seek information about Armada's agenda. The answer lies in the dark, amorphous shapes that float undetected miles below the waters--terrifying entities with a singular, chilling mission. . . . China Miéville is a writer for a new era--and *The Scar* is a luminous, brilliantly imagined novel that is nothing short of spectacular. **BONUS:** This edition contains an excerpt from China Miéville's *Embassytown*.
