Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Antifascisms David Ward,1996 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

**Towards a Federal Europe** Alexander H. Trechsel,2013-09-13 An excellent new analysis of federalism and the EU that investigates their mutual impact. It shows how scholars of comparative politics increasingly include the EU among their cases when investigating the impact of federalism on key issues such as policy making. The last decade saw a new wave of scholarly publications hit the shores as research on federalism and on the EU

came together. These emerging strands of research genuinely enrich our understanding of the EU and its politics. Despite this recent wave, the topic of federalism and the EU is still extremely fruitful. This volume contributes to the continuing debate at a moment in time when the EU is undergoing profound changes. It is structured around four interrelated dimensions: the constitutional/theoretical dimension the institutional vision the party/citizens dimension the policy dimension. This structure allows the reader to consecutively funnel down from the more theoretical and abstract levels to the more concrete policy oriented level.

*The Courageous Follower* Ira Chaleff, 2009-11-25 Many significant failures—from FEMA’s response to Hurricane Katrina to the recent economic collapse—could have been prevented or mitigated if those lower in the hierarchy were successful at communicating to leaders the risks they saw in the system. Ira Chaleff’s Courageous Follower model has facilitated healthy upward information flow in organizations for over 15 years. The Harvard Business Review called Chaleff a pioneer in the emerging field of followership—this new edition shares his latest thinking on an increasingly vital topic. The updated third edition of *The Courageous Follower* includes a new chapter, “The Courage to Speak to the Hierarchy.” Much of Chaleff’s model is based on followers having access to the leader. But today, followers can be handed questionable policies and orders that come from many levels above them—even from the other side of the world. Chaleff explores how they can respond effectively, particularly using the power now available through advances in communications technology. Everyone is a follower at least some of the time. Chaleff strips away the passive connotations of that role and provides tools to help followers effectively partner with leaders. He provides rich guidance to leaders and boards on fostering a climate that encourages courageous followership. The results include increased support for leaders, reduced cynicism and organizations saved from serious missteps. Drawings on a Bus Ellsworth Kelly, 2007 This reproduction of Ellsworth Kelly's 1954 Sketchbook 23 offers a rare glimpse into the celebrated artist's rigorous exploration of line, form and composition. Drawn into a blank book and forming a single continuous gesture over 25 pages as the artist saw and captured the changing fall of shadows while riding on a bus in Paris, Kelly's line pursues a path of eccentric discovery and distillation through subtle variations and bold transformations.

**The Vendetta** Honoré de Balzac, 2022-10-03 Fans of 'The Godfather' trilogy and 'The Sopranos' will know a thing or two about vendettas. In Honoré de Balzac's 'The Vendetta', tragic consequences are laid bare. What begins as a love story between two Corsican immigrants, Ginevra and

Luigi, soon becomes a tale of misery. Luigi is the sole survivor of a blood feud with Ginevra's family. And Ginevra's father Bartolomeo is determined to finish the job by killing Luigi. However, when the love-sick couple marries, he has to stay his hand - but he cuts them off, leaving them poverty-stricken. As Bartolomeo has an epiphany, his daughter is locked in a life-and-death struggle as she gives birth. Will she survive? And will her father get the chance to make things right? 'The Vendetta' is an excoriating attack on the nature of honour and a tale of tragic romance that calls to mind 'Romeo and Juliet' by William Shakespeare. Honoré de Balzac (1799-1850) was a French novelist and playwright, most famous for a sequence of novels, collectively called 'The Human Comedy'. His signature style was a warts-and-all representation of post-Napoleonic French life, rich in detail and featuring complex, unfiltered characters. The style means Balzac is regarded as one of the pioneers of European literary realism. He is named as an influence on writers including Emile Zola, Henry James, Charles Dickens, and Gustave Flaubert. The first novel he published under his own name was 'Les Chouans' in 1829. In 1834 he hit upon the idea of grouping his novels together to record all of society. The result, over a period of years, was 'The Human Comedy', which comprised three categories: 'Analytic Studies'; 'Philosophical Studies'; and 'Studies of Manners'.
