ACC Basketball J. Samuel Walker, 2011-11-15 Since the inception of the Atlantic Coast Conference, intense rivalries, legendary coaches, gifted players, and fervent fans have come to define the league's basketball history. In ACC Basketball, J. Samuel Walker traces the traditions and the dramatic changes that occurred both on and off the court during the conference's rise to a preeminent position in college basketball between 1953 and 1972. Walker vividly re-creates the action of nail-biting games and the tensions of bitter recruiting battles without losing sight of the central off-court questions the league wrestled with during these two decades. As basketball became the ACC's foremost attraction, conference administrators sought to field winning teams while improving academic programs and preserving academic integrity. The ACC also adapted gradually to changes in the postwar South, including, most prominently, the struggle for racial justice during the 1960s. ACC Basketball is a lively, entertaining account of coaches' flair (and antics), players' artistry, a major point-shaving scandal, and the gradually more evenly matched struggle for dominance in one of college basketball's strongest conferences.

Across the Line Barry Jacobs, 2022-11-01 In the 1960s, college sports required more than athletic prowess from its African American players. For many pioneering basketball players on 18 teams in the Atlantic and Southeastern conference, playing ball meant braving sometimes menacing crowds during the tumultuous era of civil rights. Perry

Wallace feared he would be shot when he first stepped onto a court in his Vanderbilt uniform. During one road game, Georgia's Ronnie Hogue fended off a hostile crowd with a chair. Craig Mobley had to flee the Clemson campus, along with other black students. C.B. Claiborne couldn't attend the Duke team banquet when it was held at an all-white country club. Wendell Hudson's mother cried with heartache when her son decided to play at the University of Alabama, and Al Heartley locked himself in a campus dorm at North Carolina State for safety the night Martin Luther King, Jr., was assassinated. Grounded in the civil rights struggles on campuses throughout the south, the voices of players, coaches, opponents and fans reveal the long-neglected story of race, sports and social history. Barry Jacobs has covered college basketball as well as news and other sports since 1976 for numerous publications, among them the New York Times, Washington Post, GQ, People, Oceans, the Saturday Evening Post and the Sporting News. He is the author of four books, including Coach K's Little Blue Book, The World According to Dean, and Three Paths to Glory. For 14 years he wrote the Fan's Guide to ACC Basketball. He also served as an elected county commissioner for 20 years and supervises Moorefields, an historic site near Hillsborough, NC.

Football in the ACC (Atlantic Coast Conference)
Jeremy Harrow, 2007-08-15 The ACC plays a dynamic, high-scoring, hard-hitting style of football. This book captures that raw excitement and energy as it presents the conference's history, players, game

highlights, rivalries, and statistics. In the rich tradition of sports journalism, this book is written with a reverence for the history, an enthusiasm for statistics, and a "you are there" style of reporting. The book's look and feel is as kinetic and active as the action it describes, and professional-quality photographs and archival images capture the dynamism of the game.

Basketball in the ACC (Atlantic Coast Conference) Jason Porterfield, 2008-01-15 NCAA men's basketball is always a hot sport because of the talented young players and exciting action on the court. However, history and tradition also play huge roles in the sport's popularity. Inside Men's College Basketball takes a closer look at the great teams, players, and coaches in the powerhouse Atlantic Coast Conference, as well as the heated rivalries and longstanding traditions that make the ACC one of the best and most popular sports conferences in the country.

The Right Spirit Ken Spillman, 2021-11-18 The book is a history of a school sports organisation in Western Australia across 85 years. On the morning of Saturday, 16 October 1937, excited groups of boys and their school masters made their way to East Perth for the first of many spirited interschool contests under the auspices of the Christian Brothers. This day heralded the birth of a mighty and inclusive sports association - the Associated and Catholic Colleges (ACC) - which provides opportunities for thousands of girls and boys to compete across each academic year. Sporting greats to have left school with fond memories of the ACC's interschool contests include Peter Bol, Tamara Bruce, Priya Cooper, Herb Elliott, Paul Gaudoin, Mike Hussey, Samantha Kerr, Bernie Naylor and Eamon Sullivan. Founding the ACC Robert B. McCormick, 2023-08-24
In 1953, seven universities seceded from the NCAA's Southern Conference to form the Atlantic Coast Conference. Founding members Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest were soon joined by Virginia. Inspired by national academic and gambling scandals, and a bowl game crisis in 1951, the ACC's leaders hoped to reduce the commercialism and professionalism that permeated college athletics in the 1950s. This first ever full-length history examines founding of the ACC, the star athletes and coaches and football and basketball season highlights, along with the negotiations that led to the creation one of America's most successful athletic conferences.

This book is intended as an educational work, filling the large gaps that are still present in the current educational guidelines for medical students and cardiology trainees. Textbook of Sports and

A Gamecock Odyssey Alan Piercy, 2023-11-14 Meet the coaches, athletes, and notable characters that laid the foundation for today's Gamecock Nation.

The summer of 1971 was especially hot in Columbia and not just because of the weather. It was that year that a long-simmering conflict between the University of South Carolina and the Atlantic Coast Conference (ACC) reached the point of boiling over. Frustrations over the ACC's recruiting and admission standards, and growing pressure from influential athletics director and head football coach Paul Dietzel, led the board of trustees to cast a vote in favor of leaving the conference that USC had helped to found eighteen years earlier. This vote would mark the beginning of a new independent era of Gamecock athletics, but few at the time could have imagined the resulting twenty-year odyssey. In *A Gamecock Odyssey: University of South Carolina Sports in the Independent Era*, Alan Piercy chronicles the significant events and describes the larger-than-life characters of the years following the university's departure from the ACC. The University of South Carolina experienced some of the highest highs and lowest lows in its athletics history. Tales of interpersonal clashes between football head coach Paul Dietzel and men's basketball head coach Frank McGuire; the rise and fall of women's basketball coach Pam Parsons; George Rogers and his magical Heisman Trophy-winning season; the birth of USC's beloved mascot, Cocksy; and other USC sports stories converge, stirring feelings of amusement, nostalgia, and pride. With colorful storytelling and Gamecock pride, Piercy gives college sports fans a behind-the-scenes tour of these raucous decades. He explains how South Carolina's

independent era tells the broader story of NCAA sports conference realignment, Title IX, the impact of the civil rights movement on college athletics, the evolution of college sports media coverage, and the development of college sports into a multi-billion-dollar business sustained by TV broadcast and licensing rights. A Gamecock Odyssey captures the spirit of the time and shows the reader how those years influenced today's Gamecock culture and national obsession with college athletics.
