Also included are selected Bible scriptures that you can reflect on to gain greater knowledge, wisdom and understanding for your journey in addition to the spiritual strength needed to persevere in the pursuit of your goals and dreams. This is an important book. Because far too many of us settle for pleasant little lives of quiet desperation, rather than living out our goals and heart's desires. Too many of us settle for mediocrity when there's greatness and buried treasure locked up inside of us. Too many of us die with our gifts and greatness still inside of us. Too many of us do not pursue our dreams with persistent tenacity because we've allowed fear and skepticism to hold us back. Your success starts now. Not when the kids get older, or you lose the extra weight, not when you meet your Mr. or Mrs. Right, get out of

debt or whatever other convenient excuses you've told yourself in order to justify pressing the pause button on your life. The time to start living the life you want is now. You can start living your best life now by taking small, incremental steps toward your plans and dreams, even if you don't have all of the pieces in place just yet. Stop waiting for things to be perfect and start creating the life you want right now by making the most of each day and progressively moving your life in the direction of your ultimate goals. Success is not something that randomly happens. It's a momentum that you create by the choices you make, the daily disciplines that you develop and the sustained effort that you put into your goals. So, whether you are seeking to generate more income, reinvent yourself, grow personally, achieve a lofty goal, make a stronger impact in your industry or pursue your dreams with bold determination, Your Success Starts Now will help you put some practical tools in place to get from where you are now to where you want to be.
