Ace of Hearts Barbara Metzger,2022-06-29 Never did Alexander Ace Endicott, the Earl of Cards, imagine himself to be thrice-betrothed against his will by the doings of three desperate debutantes. So he escapes London to his property in the country, where he follows through with his deceased father's last wish-to find his long-lost step-sister. His search takes a detour and leads him to Nell, who piques his interest. Now, Ace may have to reconsider his rejection of marriage and see if two mismatched lovers can make a royal pair.

Ace of Hearts Sharon White,2020 Faeries and Giants? Do such creatures exist? Perhaps. Perhaps not. Ronan Wentworth, the new Earl of Norcross, is asked to travel to Cornwall, the land of myths and legends, by his half-brother. On his way there is an attempt on his life but is rescued by a gypsy man and his family. Ronan suffers a broken arm and memory loss. The gypsies treat him as one of the family. Although he has a gut feeling that something is wrong, he cannot deny his uncanny resemblance to Mario Williams. After two years, Ronan's memory slowly returns. He doesn't know if he should be angry at the Gypsy family or to be thankful. If they hadn't saved him that day, his body would have never been found. He has come to love and thrust each one of them. That trust can't be broken in an hour, a day, a year or a dozen lifetimes. The next question is how to recover his title and property from his younger half-brother, Marcus, whom he suspects of orchestrating the attack in order to inherit. Ronan wants to kill his brother, but he knows his brother's death at his hands wouldn't restore his title and property to him. Ronan and Mario travel to London where Ronan wins enough money for their immediate needs by playing cards. The only person who can help him regain his title is Prince George. But how does a dead man approach the Prince Regent? Very careful. Ronan enlists the aid of two friends from his past. Lady Charlotte Danver's father dies leaving her only living relative as her guardian. She believes her Uncle Benedict is trying to steal her inheritance, so she enlists the help of her father's solicitor. A miracle happens. Her father's will is found. Benedict leaves his niece in Cumbria for two years before he sends for her. She is soon on her way to Cornwall to meet her betrothed, Marcus Wentworth. Charlotte's world and Ronan's collide when he and Mario find a carriage under attack at the exact same spot of Ronan's attack two years prior. He rescues Charlotte from the carriage before it falls over the cliff. There is an immediate attraction between Charlotte and Ronan, but they both have bigger problems. Thanks to Ronan's friends, they are soon summoned to London to meet the Prince Regent. Will Prince George believe their story? What will be the Prince's reaction? Can he or will he restore Ronan's title and property to him? And what of Charlotte's betrothal? Will the betrothal stand? Will they be safe from reprisal from his brother and her uncle? What will the Prince Regent do to insure their safety or will he leave to them to keep themselves safe? What of the faeries and Giants? What role, if any, do they play?

Armed with her original birth certificate, she finds her father, but begins questioning if her mom had been right all along to keep this information buried. It turns out he is the president of a motorcycle club, which could not be further from the life Erin leads. But, she's determined to get to know the man who she gets her striking blue eyes from. Despite getting what she wants and finding her biological father, it's the slightly older, much rougher but incredibly sexy biker Ace that catches Erin's eye. As the new “princess” of the Cursed Ravens, Erin is learning a whole new world, but her father has made it clear she is off limits. Ace of Hearts Caryn Purdy,2015-03-31 Asexuality (an orientation where someone does not experience sexual attraction) is widely misunderstood. Or worse: ignored. Until it becomes common knowledge that asexuality exists as a sexual orientation, then people who DO relate on the spectrum will continue to struggle internally (feeling alone, broken, or flawed) and externally (in relationships, and life in general). The Lonely Ace of Hearts begins with a general introduction about asexuality as an orientation, debunking the most common myths, and then guides readers through the most common struggles. Defining and Understanding Your Identity. Achieving Self-Acceptance. Coming Out to Friends & Family. (Or, not.) Dealing with Loneliness. Love, Dating, Sex, and Relationships. This is not about dealing with life as an asexual. This is about (ultimately) Embracing the Asexual Identity.
