identifying the first vowel sound, the speller is sent instantly to the page where the problem word is found.

20-Word Spelling Test Sheets Soar Company, 2015-06-06 This primary grade spelling test book has 20-word test sheets with a 5-word bonus section for teachers and parents who may use daily word ladders covering the spectrum of primary grade spelling word lists. The rear of the book provides space for students to practice writing missed words. Inside are blank spelling test sheets. This book does not include primary grade spelling lists/words, word ladders, misspelled word groups, homonyms, or synonyms. This book should be used as a companion with those lists to test students. It's great for testing the spelling of preschool, kindergarten, 1st grade, and 2nd grade spellers. It's also great to prepare for spelling bees. Each blank spelling test form includes a numbered line; unit # identifier for those using a spelling book; and a space for the test date, student's name and test score. This book contains a spectrum of spelling assessment sheets, 52 total---one for every week of the year, and 8 extra sheets for additional spelling practice or spelling test retakes for missed spelling words. This is a great companion workbook for teachers and parents using daily word ladders, pre-printed spelling words, and primary grade spelling lists to teach spelling to grades 1-6; reproducible word study lessons that help kids boost reading, vocabulary, and phonics to build spelling skills. Great companion book to the Edward Fry, Sylvan Learning, Spectrum, and Painless Spelling Workbooks.
