*Kick Your Addiction* Frederick Woolverton, Susan Shapiro, 2014-11-11 Is a smoking, alcohol, food, gambling, Internet, drug, or sex addiction holding you back from getting what you want most? Over the past twenty-five years, renowned addiction therapist Dr. Frederick Woolverton has used his dynamic, empathetic approach to help thousands of addicts achieve long-term recovery—including himself. He sees the specific habit as less important than the underlying chaos and fear that motivate the urge to soothe ourselves with bad habits. The solution, he has found, requires only a better understanding of yourself and a change in attitude. Using real patient examples as well as research and his own experience, Dr. Woolverton and coauthor and former patient Susan Shapiro show how to thrive without self-medicating. Woolverton's specific instructions do not require an expensive therapist, rehab, a twelve-step program, or a higher power (though he does make readers aware of those viable options). Let him help you beat your addiction. When you conquer a toxic habit, you are leaving room for something beautiful to take its place.

Sean couldn't shake what he felt for Lucy, a small crush became an addiction, a daily visit to the Chinese restaurant built interest on two people who should have never had been. What was once a daily visit to the restaurant turned into a full-blown relationship. Lucy was married, but didn't let Sean know she was married to a Chinese mobster who Lucy wasn't happy with physically, mentally, and sexually. She found love in a man she felt destined to. It was completely unexpected. Lee, Lucy's husband, finds out about Lucy's infidelities from his cooks through a phone call from prison as he was serving a stint and choose to have Lucy and Sean executed, which leads to Sean being on the run. Lee is indecisive about what he wanted to do with his wife, the woman he still loved.

**Handbook of Children and the Media** Dorothy G.

Singer, Jerome L. Singer, 2011-07-25 Cyber-bullying, sexting, and the effects that violent video games have on children are widely discussed and debated. With a renowned international group of researchers and scholars, the Second Edition of the *Handbook of Children and the Media* covers these topics, is updated with cutting-edge research, and includes comprehensive analysis of the field for students and scholars. This revision examines the social and cognitive effects of new media, such as Facebook, Twitter, YouTube, Skype, iPads, and cell phones, and how children are using this new technology. This book summarizes the latest research on children and the media and suggests directions for future research. This book also attempts to provide students with a deliberate examination of how children use, enjoy, learn from, and are advantaged or disadvantaged by regular exposure to television, new technologies, and other electronic media.

*Volleyball for Milkshakes* Tri Bourne, Travis

Mewhirter, 2020-05-26 Tri had anxiously been waiting for this day

throughout the entire school year: The beginning of summer, when his days would be filled with beach volleyball, surfing, and more beach volleyball. But when he signs up for summer beach volleyball at Outrigger Beach with his best friend and partner, Trevor, he discovers the devastating news that Trevor had teamed up with his arch rival, Ricardo. Now Tri, with the help of his tough love Auntie, must befriend a misfit named Travis, building a new team, a new partnership, and a deep friendship that changes his view on beach volleyball, and life. In this first-of-its kind novel, SANDCAST podcast hosts and professional beach volleyball players Tri Bourne and Travis Mewhirter take you through a fictional tale that will inspire, humor, and teach lessons that will last a lifetime.

*We Were Kings* Travis Mewhirter, 2018-11-13 We see them every four years, these sun-kissed, muscle-bound athletes, shirtless or bikini-clad. How glamorous it must be, to live the life of a professional beach volleyball player, for your office to reside west of the Pacific Coast Highway. Kings of the Beach, they were called once, these professional beach volleyball players. And indeed, they lived up to the name - sponsors! Endorsements! Commercials! Millions in prize money. Icons to a rebel culture. Yet when the Summer Olympics come to a close, beach volleyball disappears from the public eye, and what the rest of the world fails to see once again becomes reality: It is a remarkable struggle, a wondrous grind, to live the life of a professional beach volleyball player. It is cramming six to a one-bedroom apartment, of sleeping under piers before tournaments, of stealing sandwiches from the players tent to save an extra buck. It is the pressure of winning a tournament just to make rent or, for that matter, just to afford the next meal. It is flying to a tournament in Shanghai, not knowing if you'll be able to feed your wife and newborn when you return, all in the hopes of keeping the beach dream alive. Featuring interviews and arresting accounts of more than 100 beach volleyball players, award-winning writer and

professional beach volleyball player Travis Mewhirter tells the stories, for the first time, of the modern player, lifting the curtain for the inside story of life as a professional beach volleyball player, and the pursuit of being a King of the Beach once more.

**Beach Volleyball** Karch Kiraly, Byron Shewman, 1999-01-01 Introduces the sport of beach volleyball and explains how its strategy differs from traditional volleyball.
