Diversifying Food and Diets Jessica Fanzo,Danny Hunter,Teresa Borelli,Federico Mattei,2013-06-26 Currently 868 million people are undernourished and 195 million children under five years of age are stunted. At the same time, over 1 billion people are overweight and obese in both the developed and developing world. Diseases previously associated with affluence, such as cancer, diabetes and cardio-vascular disease, are on the rise. Food system-based approaches to addressing these problems that could enhance food availability and diet quality through local production and agricultural biodiversity often fall outside the traditional scope of nutrition, and have been under-researched. As a consequence, there remains insufficient evidence to support well-defined, scalable agricultural biodiversity interventions that can be linked to improvements in nutrition outcomes. Agricultural biodiversity is important for food and nutritional security, as a safeguard against hunger, a source of nutrients for improved dietary diversity and quality, and strengthening local food systems and environmental sustainability. This book explores the current state of knowledge on the role of agricultural biodiversity in improving diets, nutrition and food security. Using examples and case studies from around the globe, the book explores current strategies for improving nutrition and diets and identifies key research and implementation gaps that need to be addressed to successfully promote the better use of agricultural biodiversity for rural and urban populations and societies in transition.

Animal Farm by George Orwell George Orwell,2021-01-01 ❤❤Animal Farm by George Orwell❤❤ From The Writer of the Books Like : 1. 1984 2. Animal Farm Down and Out in Paris and London 3. Homage to Catalonia 4. Burmese Days 5. The Road to Wigan Pier 6. Keep the Aspidistra Flying 7. Coming Up for Air 8. Why I Write About the Author : Eric Arthur Blair (25 June 1903 – 21 January 1950), known by his pen name George Orwell, was an English novelist, essayist, journalist and critic. His work is characterised by lucid prose, social criticism, opposition to totalitarianism, and support of democratic socialism. ❤❤Animal Farm by George Orwell❤❤ Orwell produced literary criticism and poetry, fiction and polemical journalism. He is known for the allegorical novella Animal Farm (1945) and the dystopian novel Nineteen Eighty-Four (1949). His non-fiction works, including The Road to Wigan Pier (1937), documenting his experience of working-class life in the industrial north of England, and Homage to Catalonia (1938), an account of his experiences soldiering for the Republican faction of the Spanish Civil War (1936–1939), are as critically respected as his essays on politics and literature, language and culture. ❤❤Animal Farm by George Orwell❤❤ Blair was born in India, and raised and educated in England. After school he became an Imperial policeman in Burma, before returning to Suffolk, England, where he began his writing career as George Orwell—a name inspired by a favourite location, the River Orwell. He lived from occasional pieces of journalism, and also worked as a teacher or bookseller whilst living in London. From the late 1920s to the early 1930s, his success as a writer grew and his first books were published. He was wounded fighting in the Spanish Civil War, leading to his first period of ill health on return to England. During the Second World War he worked as a journalist and for the BBC. The publication of Animal Farm led to fame during his life-time. During the final years of his life he worked on 1984, and moved between Jura in Scotland and London. It was published in June 1949, less than a year before his death. ❤❤Animal Farm by George Orwell❤❤ About the book : Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. ❤❤Animal Farm by George Orwell❤❤ According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the

Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin (un conte satirique contre Staline), and in his essay Why I Write (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, to fuse political purpose and artistic purpose into one whole. ❤❤Animal Farm by George Orwell❤❤ The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like A Satire and A Contemporary Satire. Orwell suggested the title Union des républiques socialistes animales for the French translation, which abbreviates to URSA, the Latin word for bear, a symbol of Russia. It also played on the French name of the Soviet Union, Union des républiques socialists soviétiques. ❤❤Animal Farm by George Orwell❤❤
