The Adobe Photoshop Express Beta Pocket Guide Jeff Carlson,2009-02-02 Adobe Photoshop Express Beta is a free Rich Internet Application (RIA) that allows users to store, sort and display digital photos with eye-catching effects. Photoshop Express Beta allows users to store up to 2 gigabytes of images online for free, and lets users make edits to their photos and share them online in creative ways. For example, users can download and upload photos to and from various social networking and image-hosting sites, including Facebook, PhotoBucket, and Picasa. In this handy, low-priced guide, best-selling author Jeff Carlson walks you through the key new features of this exciting new Adobe application. After taking you on a tour of the Photoshop Express Beta interface, Jeff shows you how to assemble your library, which includes uploading and transferring photos from online services, editing your photo's metadata, and creating an album. You'll then move on to adjusting your photos--from basic editing techniques, such as crop and rotate, auto correct, red-eye removal and exposure--to creating more advanced effects. Finally, you'll learn everything you need to know to share your photos with others, including creating a gallery, sharing albums, exporting edited photos, and more.

Adobe Photoshop Elements 4 Collection Scott Kelby,2012-03-07 This collection includes: The Photoshop Elements 3 Book for Digital Photographers If you're ready for an Elements 3 book that breaks all the rules, this is it, because it does something for digital photographers that's never been done before--it cuts through the bull and shows you exactly how to do it. It tells you, flat-out, which settings to use, when to use them, and why. This book is not a bunch of theory; it doesn't challenge you to come up with your own settings or figure things out on your own. It gives you the same settings used by some of the top digital pros, settings you can use today to get professional results you've always dreamed of. Plus, since this book is designed for photographers, it doesn't waste your time talking about how to frame a shot, setting your exposure, etc. and there's no talk which camera or printer to buy. It's all Elements, step-by-step, cover-to-cover in the only book of its kind, and you're gonna love it! Besides learning the inside tips and the tricks of the trade for correcting, editing, sharpening, retouching, and presenting your photos like a pro. You'll learn how to unlock the power of all the new Elements 3 features, including how to manage your photos using the new Organizer, how to use the new pro tools like the Healing Brush and the Shadow/Highlight controls, and how to master the new Creation section to take your photos to an entirely new level. Plus, you'll see it all step-by-step, in plain English, and you'll be absolutely amazed at how easy and effective these techniques are, once you know the secrets. Photoshop Elements 3 Down & Dirty Tricks He's back! Adobe's already-powerful imaging editing software has just grown a whole lot more powerful, and best-selling author Scott Kelby (editor of Photoshop User magazine) has returned to unlock even more of

its secrets. Using step-by-step instructions and nearly 700 full-color images, Scott reveals precisely how to achieve some of Photoshop Element 3's most closely guarded special effects. By the end of the volume you'll have learned more than 300 new techniques for using Adobe's affordable consumer-level software. Packed with creative ideas, layouts, and design techniques, the volume does more than just rehash masking, pixels, and file formats and resolution: It provides you with the Elements chops you need to unleash your own creativity.
