County and City Extra 2019 Deirdre A. Gaquin,Mary Meghan Ryan,2019-11-30 When you want only one source of information about your city or county, turn to County and City Extra. This trusted reference compiles information from many sources to provide all the key demographic and economic data for every state, county, metropolitan area, congressional district, and for all cities in the United States with a 2010 population of 25,000 or more. In one volume , you can conveniently find data from 1990 to 2018 in easy-to-read tables. The annual updating of County and City Extra for 27 years ensures its stature as a reliable and authoritative source for information. No other resource compiles this amount of detailed information into one place. This edition contains information from the just released 2017 Census of Agriculture. Subjects covered in County and City Extra include: Population by age and race Government finances Income and poverty Manufacturing, trade, and services Crime Housing Education Immigration and migration Labor force and employment Agriculture, land, and water Residential construction Health resources Voting and elections The main body of this volume contains five basic parts and covers the following areas: Part A-States Part B-Counties Part C-Metropolitan areas Part D-Cities with a 2010 census population of 25,000 or more Part E-Congressional districts In addition, this publication includes: Figures and text in each section that highlight pertinent data and provide analysis Ranking tables which present each geography type by various subjects including population, land area, population density, educational attainment, housing values, race, unemployment, and crime Multiple color maps of the United States on various topics including median household income, poverty, voting, and race Furthermore, this volume contains several appendixes which include: Notes and explanations for further reference Definitions of geographic concepts A listing of metropolitan and micropolitan areas and their component counties A list of cities by county Maps showing congressional districts, counties, and selected places within each state
