Absolute Best Adult Party Jokes Team Golfwell,2018-08-26 If you like adult jokes, you'll love this book. Great for Parties! "I'd buy joke books and try doing them at school; I always had jokes. That would be my go-to thing at parties: I'd be able to get through them if I just told enough jokes. Otherwise, I wouldn't end up talking to anybody." - Drew Carey Review from Alexander V. Ph.D. "I really enjoyed this book and I'm giving it high five. Of course, not all jokes in there gave me the jolt but there were many others which after reading still made me grin and giggle to myself like a doped Halloween pumpkin for quite a while. I have the suspicion some people around though I must have gone loony from too much work. So, the five stars are meant for those jokes. The jokes cover a broad range of topics and the reader will find a good one for just about any situation and conversation which will appeal for just about everyone. If you manage to memorize a few that would make it a handy addition to your arsenal of ice-breakers and conversation-rekindlers in case the situation seems completely frozen and awkward." Excerpt: An international flight from Asia to the US was carrying 198 passengers but the crew, unfortunately, discovered an hour into the flight there were only 40 meals on the plane. After trying to figure out what to do, the Flight Crew came up with a solution. They advised the passengers, "We apologize to you and we are still trying to figure out how this occurred, but we have only 40 dinners on board, and we need to feed all 198 of you on this flight." A loud muttering and moaning started amongst the passengers. The chief flight attendant continued to try and quiet everyone down, "Anyone who is kind enough to give up their dinner so someone else could eat, will receive unlimited free alcoholic beverages during the entire duration of the flight." A second announcement was made two hours later, "If anyone wants to change their mind, we still have 40 dinners available." All alphabetically arranged by topic, you'll find a large assortment of enjoyable jokes, intriguing stories, thought-provoking quotes, and lots of humor in the 320+ pages. We leave the choice of jokes or stories you want to share up to you as individual humor and tastes vary. Sit back in a comfortable chair with your favorite beverage away from all distractions and get this book and enjoy reading this hilarious book!

Barber Shop Adult Jokes and Value-Laden Quotes Dr. Floyd E. McDowell Sr.,2016-06-16 On the importance of adult jokes and laughter: Some dictionary definitions of laughter are as follows: the general word for the sounds or exhalation made in expressing mirth, amusement, etc. and to feel or express joyousness. I started collecting these adult jokes, brief bits of humor, and one-liners over seventy years ago while serving as a young enlisted man and officer in World War II and the Korean Conflict. As a young serviceman, I started collecting them as a hobby when I observed the one sure way to relieve the anxiety and tension of young men who didnt know if theyd be here tomorrow, or if so in one piece, was to hear and respond to a good adult joke. Later in graduate school, during a course in the Vanderbilt University School of Medicine, I learned that laughter is one of the healthiest things you can do for your body. After sharing this adult humor with a large number of family members and friends and receiving a resounding positive response from these recipients, I was motivated to write this book with the belief it would provide many healthy smiles and laughs to a much larger audience of adults. I have thoroughly discovered this books subtitle, Laughter Is the Best Medicine, is indeed the most valid one that could be used. Dr. Floyd E. McDowell Sr.

A Collection of Hilarious, Outrageous and Questionable Adult Jokes Mr. Richards,Richards,2008-11 Nearly eighty years of a multitude of life experiences is sufficiently difficult to recapture all by itself but to accurately put it into words that project a sense of realism and true understanding can be more than just a challenge. It can also be a test of ones emotions that allow experiences, some preferred by me not to be resurrected , not only recalled but painfully related. And so it is with this story of the life and times of the McNamaras' that Mait has undertaken the task of putting into words those events that shaped his life. It isn't his intention to justify nor give credence to those events but solely to describe their happening. What is was at the time and what, if any, were the consequences . Sort of what it was then and what it is now. It is now time for us to talk the talk and walk the walk. No journey of any distance can begin with out the first step so let us be on our way taking that first step.
