**Sex Games for Couples** Emily Sorensen, 2020-07-06 Are you looking for a way to keep the flame of passion alive in your relationship? Do you want to spice up your sex life with fun games and spicy little games? This book will give you the keys to experiencing sex at 360 degrees: passion, eroticism, delicacy and lots of fun. The secret to making a couple last? No magic formula, just play. Adult sex games help build trust, lower inhibitions, and, if done right, can be very, very hot. And, most importantly, they keep things fun. Erotic games in the couple are a fundamental ingredient: you know, after a long time that you share a relationship, that initial involvement can fade. Being able to keep alive the flame of desire and transport is necessary to avoid the risk of finding yourself betrayed and with bitterness in your mouth. But it is not necessary to play for this reason alone. Even in young and fresh couples, practicing erotic games can be a good way to get to know each other better and to increase trust and union; to lay, in short, good foundations for a healthy and joyful life (sexual and not). Here's a sneak peek of what you'll find inside: Couples Intimacy Games For Connecting With Your Partner. Quiz questions to spice up your sex life Enjoying Sex Toys with Your Partner Role-playing games Oral sex games as excellent foreplay Kissing sex games to make you hot and horny Hottest and most popular sex games with a complete guide Many useful tips and ideas inspiring that they'll lose your head your man or woman. And much more! When lovers try out new sex games, it allows them to stop worrying about the mechanics of sex and just enjoy

playing with each other. You start thinking about your partner more, you try new things, and you remind yourself that sex shouldn't be work -- it should be pure joy and gratification. Thanks to reading the book, you give permission to finally push you where you've never been before, and discover your true sexual dimension. So... **Many Splendored Things** Susanna Paasonen, 2018-11-27 Exploring sex-bodily capacities, appetites, orientations, and connections—in terms of play and playfulness. We all know that sex involves a quest for pleasure, that sexual palates vary across people's lifespans, and that playful experimentations play a key role in how people discover their diverse sexual turn-ons and turn-offs. Yet little attention has been paid to thinking through the interconnections of sex and play, sexuality and playfulness. In *Many Splendored Things* from Goldsmiths Press, Susanna Paasonen considers these interconnections. Paasonen examines the notions of playfulness and play as

they shed light on the urgency of sexual pleasures, the engrossing appeal of sex, and the elasticity of sexual desires, and considers their connection to categories of identity. Drawing on a broad range of scholarship on sexuality, play, and the media, Paasonen moves from the conceptual to the concrete, examining advice literature on sexual play, the vernacular aesthetics of the Fifty Shades series, girls' experiences of online sexual role-playing, popular media coverage of age-play, and Jan Soldat's documentary films on BDSM culture. Paasonen argues that play in the realm of sexuality involves experimentation with what bodies can feel and do and what people may imagine themselves as doing, liking, and preferring. Play involves the exploration of different bodily capacities, appetites, orientations, and connections. Occasionally strained, dark, and even hurtful in the forms that it takes and the sensory intensities that it engenders, sex presses against previously perceived and imagined horizons of embodied potentiality. Play pushes sexual identifications into motion.
