Caribbean Ghosts J William, 2021-09-30 The wind was picking up and the clouds that had chased Jake, Billy, Issy, and Amy across the Caribbean were darkening. Jake grabbed hold of the bags and checked the three ancient rum bottles with their faded maps on the labels were still there. It felt like a lifetime ago that Billy and Jake had stumbled upon them beneath the Trow pub he worked in back home, famous for the pirates who'd drunk there all those years ago. They'd suspected the maps would lead to treasure, and together they'd set off on an adventure to track it down. Only the closer they'd gotten-the more dangerous their expedition had become. Jake had thought it couldn't get any worse than coming face to face with the sinister figure who'd followed them across Barbados and to Antigua, but the encounter had only confirmed their worst fears. He had been hunting them-and he wasn't the only one. There was something else out there too. Something far more terrifying that stalked the swirling rainforests and desolate beaches of a secret archipelago no one even knew existed, something dark, and unearthly, that no one was ever meant to find. And they were sailing straight for it. CARIBBEAN GHOSTS is J William's third novel in The Undisturbed Islands trilogy.

Intense, thrilling, and captivating, Caribbean Ghosts is the perfect ending to this epic modern pirate adventure.

Caribbean Adventure Series, Books 1-4 Wayne Stinnett, 2019-02-20 Book 1 - Fallen Out When Jesse McDermitt leaves the Marine Corps, he has no idea what he will do for the rest of his life. He only knows he doesn't want to spend the coming winter anywhere cold. His greatest skill is killing people from up to a mile away and he knows there aren't many job opportunities in the civilian world for that. Jesse also knows his way around boats and has an old friend living free and easy in the Florida Keys. Being an experienced diver and angler, he immediately heads south toward Key West and the end of the road. With a single comment, a waitress in a waterfront restaurant in north Key Largo shakes loose a long dormant dream and Jesse runs with it. With the help of friends, new and old, he buys just the right boat to live on and soon starts a part time charter business. Everything is going smoothly, until a Carolina girl and a hurricane hit him at the same time. Danger lurks in the sleepy little town of Marathon, in the middle of the Florida Keys, as well as in the swamps of the Everglades. But danger doesn't expect to run into a man like Jesse. A man who will not only respond swiftly in facing it, but with a vengeance unexpected. Book 2 - Fallen Palm Jesse McDermitt lives alone on an isolated island in the Florida Keys where he runs a charter fishing business. Retired from the Marine Corps for six years, he wants nothing more than to relax, fish, dive and enjoy the laid back lifestyle of the islands. Russ, his former Platoon Sergeant and old friend, dies unexpectedly in a mysterious scuba diving accident and Jesse becomes suspicious. When his friend's son comes to south Florida to ask Jesse if he would take him to a remote reef to spread his father's ashes, the two men discover that Russ was murdered and agree to hunt down the psychotic killer together, unaware that their manhunt will lead them to a Caribbean terrorist cell. Meanwhile, a beautiful woman has returned to the Keys on a manhunt of her own, distracting Jesse with the idea that he could finally

leave his warrior past behind. The prospect of finding lost Confederate gold, several high speed boat chases, and dodging demented killers, won't stop Jesse from revenge. Surviving a powerful hurricane puts everything on hold as a top secret government agency tries to recruit him into their fold. When the sun comes back out, will Jesse be ready? Book 3 - Fallen Hunter Jesse McDermitt has been grieving the loss of a loved one to terrorists. He's been holed up on his secluded island home for months, numbing his mind and body with endless, mundane tasks. But he has a plan for vengeance. A friend approaches Jesse seeking help for her dad who's been pressured into running drugs for a dangerous Cuban smuggler. When Jesse learns that the smuggler is also an arms merchant for Hezbollah, the terrorist organization responsible for the death of someone close, he once again looks to settle the score. Fast boats, beautiful underwater scenery, and blazing guns abound in this fast paced romp through the Caribbean, with stops in Cuba, Key West, and Cozumel, Mexico. Book 4 - Fallen Pride Retired Marine Jesse McDermitt faces an antagonist unlike none that he's faced before, post-traumatic stress. A friend's son, dishonorably discharged from the Corps, is suffering from nightmares, brought on by an incident that was the catalyst for his discharge. With Jesse's help he learns to cope with his demons and gets his discharge overturned, so that he may once again serve the country he loves. Meanwhile, another foe is out to get Jesse, Deuce, and anyone else that gets in the way, including a highly placed elected official. When it's learned that the foe is one of their own, all hell breaks loose around the Florida Keys.

Adventure Guide to Trinidad and Tobago Kathleen O'Donnell,2001-03 Although definitely a part of the Caribbean, these two islands are unique, refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies. They are both generous and Caribbean-spirited, but quite capable of going their own way. This Adventure Guide takes you across the nation from mountains and hills to grasslands, savannahs and palm-lined beaches, offering the intrepid traveler a ticket to explore. Birdwatchers are drawn by the chance to see the beautiful scarlet ibis. Night-time excursions allow visitors to watch the miraculous egg-laying practices of the leatherback

turtle. And caiman smaller versions of the South's alligators are a common sight. And then there's Carnival, which offers wild dances, fantastical costumes and frenzied revellers. Whatever your reason to visit T&T, you have the right guide in hand. Accommodations, restaurants, travel tips, sights, museums, excursions it's all here. A special section is dedicated to the nation's booming yachting industry, with details on marinas, facilities and services. I wish I'd had this book the first time I visited Trinidad and Tobago. The book fully describes the culture of these island people and this knowledge would make a trip to these wonderful islands even more enjoyable. I also believe it's a good choice for readers who can't make the trip but still want to taste the culture. -- Amazon customerI've been to TNT once for two weeks and am returning again in a few months. I bought the book to refresh my memory and, more importantly, get me excited about my return trip. It's a great read, and as the back cover suggests, it really is written for the traveler who wants to experience more than just sunbathing. However, once you've been to Trindad and Tobago, you discover that they are not your generic Caribbean islands. Visiting Trindad and Tobago is more of a cultural vacation than an island getaway. Once you step foot off the plane at Piarco airport, you'll never want to leave, or you'll want to go back once every year. The two islands are full of charisma, and O'Donnell and Pefkaros do a good job of capturing this spirit in the book. You really cannot be intimidated by the cultures of TNT. From the street vendor corn soup, to crab and dumplings, down de islands, Maracas, Pigeon Point, Speyside, fried flying fish, Caribs, lorries, maxis, wining, Trinidad's great bar/club scene, the Northern Range, etc. - this book virtually covers all Trinidad and Tobago vacation opportunities and experiences. -- Amazon customerAn excellent take-long tote, as is the more adventurous Trinidad & Tobago, 2nd Edition by Kathleen O'Donnell and Stassi Pefkaros, which updates information on adventure travel with special focus on the wildlife and culture of the islands. -- Midwest Book Review
