Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

Southern Girl Meets Vegetarian Boy Damaris Phillips,2017-10-17 “Being a vegetarian doesn’t have to be boring . . . Damaris truly puts the South in your mouth and let me tell ya, you’re gonna dig it.” —Guy Fieri Damaris Phillips is a southern chef in love with an ethical vegetarian. In Phillips’s household, greens were made with pork, and it wasn’t Sunday without fried chicken. So she had to transform the way she cooks. In *Southern Girl Meets Vegetarian Boy*, Phillips shares 100 recipes that embody the modern Southern kitchen: food that retains all its historic comfort and flavor, but can now be enjoyed by vegetarians and meat-lovers alike. The book features Phillips’s most cherished entrees from her childhood made both with and without meat: Chicken Fried Steak becomes Chicken Fried Seitan Steak. Loaded Potato and Bacon Soup is now Loaded Potato and Facon Soup. She gives down-home side dishes a makeover by removing meat, adding international spices, and updating cooking techniques, and offers soul-satisfying, irresistible desserts that triumph over the meat-eater-versus-vegetarian divide, every time. Phillips found a way to make Southern food that everyone can enjoy, wherever they are on their culinary journey. “Love for a vegetarian may have driven Damaris to write this, but it’s her love for vegetables and her knowledge of Southern cuisine that comes through on every page.” —Alton Brown “Damaris Phillips has the knowledge, the experience, and the down-right courage to take on her native Southern cooking and turn it on its head . . . vegetarians everywhere will be thrilled!” —Bobby Flay

Underwater Dogs Seth Casteel,2012-10-23 The exuberant, exhilarating photographs of dogs underwater that have become a sensation From the water's surface, it's a simple

exercise: a dog's leap, a splash, and then a wet head surfacing with a ball, triumphant. But beneath the water is a chaotic ballet of bared teeth and bubbles, paddling paws, fur and ears billowing in the currents. From leaping Lab to diving Dachshund, the water is where a dog's distinct personality shines through; some lounge in the current, paddling slowly, but others arch their bodies to cut through the water with the focus and determination of a shark. In more than eighty portraits, award-winning pet photographer and animal rights activist Seth Casteel captures new sides of our old friends with vibrant underwater photography that makes it impossible to look away. Each image bubbles with exuberance and life, a striking reminder that even in the most loveable and domesticated dog, there are more primal forces at work. In *Underwater Dogs*, Seth Casteel gives playful and energetic testament to the rough-and-tumble joy that our dogs bring into our lives.

Drama High Michael Sokolove, 2014-10-07 The inspiration for the NBC TV series *Rise*, starring Josh Radnor, Auli'i Cravalho, and Rosie Perez — the incredible and true story of an extraordinary drama teacher who has changed the lives of thousands of students and inspired a town. By the author of *The Last Temptation of Rick Pitino*. Why would the multimillionaire producer of *Cats*, *The Phantom of the Opera*, and *Miss Saigon* take his limo from Manhattan to the struggling former steel town of Levittown, Pennsylvania, to see a high school production of *Les Misérables*? To see the show performed by the astoundingly successful theater company at Harry S Truman High School, run by its legendary director, Lou Volpe. Broadway turns to Truman High when trying out controversial shows such as *Rent* and *Spring Awakening* before they move on to high school theater programs across the nation. Volpe's students from this blue-collar town go on to become Emmy-winning producers, entertainment executives, newscasters, and community-theater founders. Michael Sokolove, a Levittown native and former student of Volpe's, chronicles the drama director's last school years and follows a group of student actors as they work through riveting dramas both on and off the stage. This is a story of an economically depressed but proud town finding hope in a gifted teacher and the magic of theater.

Five for Freedom Eugene L. Meyer, 2018-06-01 On October 16, 1859, John Brown and his band of eighteen raiders descended on Harpers Ferry. In an ill-fated attempt to incite a slave insurrection, they seized the federal arsenal, took hostages, and retreated to a fire engine house where they barricaded themselves until a contingent of US Marines battered their way in on October 18. The raiders were routed, and several were captured. Soon after, they were tried, convicted, and hanged. Among Brown's fighters were five African American men—John Copeland, Shields Green, Dangerfield Newby, Lewis Leary, and Osborne Perry Anderson—whose lives and deaths have long been overshadowed by their martyred leader and who, even today, are little remembered. Only Anderson survived, later publishing the lone insider account of the event that, most historians agree, was a catalyst to the catastrophic American Civil War that followed. *Five for Freedom* is the story of these five brave men, the circumstances in which they were born and raised, how they came together at this fateful time and place, and the legacies they left behind. It is an American story that continues to resonate.

The Lincoln Conspiracy Timothy L. O'Brien, 2013 A nation shattered by its president's murder Two diaries that reveal the true scope of an American conspiracy A detective determined to bring the truth to light, no matter what it costs him From award-winning journalist Timothy L. O'Brien comes a gripping historical thriller that poses a provocative question: What if the plot to assassinate President Lincoln was wider and more sinister than we ever imagined? In late spring of 1865, as America mourns the death of its leader, Washington, D.C., police detective Temple McFadden makes a startling discovery. Strapped to the body of a dead man at the B&O Railroad station are two diaries, two documents that

together reveal the true depth of the Lincoln conspiracy. Securing the diaries will put Temple's life in jeopardy--and will endanger the fragile peace of a nation still torn by war. Temple's quest to bring the conspirators to justice takes him on a perilous journey through the gaslit streets of the Civil War-era capital, into bawdy houses and back alleys where ruthless enemies await him in every shadowed corner. Aided by an underground network of friends--and by his wife, Fiona, a nurse who possesses a formidable arsenal of medicinal potions--Temple must stay one step ahead of Lafayette Baker, head of the Union Army's spy service. Along the way, he'll run from or rely on Edwin Stanton, Lincoln's fearsome secretary of war; the legendary Scottish spymaster Allan Pinkerton; abolitionist Sojourner Truth; the photographer Alexander Gardner; and many others. Bristling with twists and building to a climax that will leave readers gasping, *The Lincoln Conspiracy* offers a riveting new account of what truly motivated the assassination of one of America's most beloved presidents--and who participated in the plot to derail the train of liberty that Lincoln set in motion. Praise for *The Lincoln Conspiracy* History as a dangerous, inventive game . . . fascinating.--Martin Cruz Smith A notable fiction debut with an appealing detective hero and plenty of action. It gets off to a fast start and never stops.--Library Journal A historical puzzle as labyrinthine and grandiose as Scheherazade's tales . . . As clever as Sherlock Holmes, as wily as Pendergast in Preston and Child's series, and wickedly funny on top of it all, the irresistible McFadden is due to return in a sequel--thank goodness!--Booklist (starred review) [A] fast-paced, well-conceived adventure . . . There is nothing more fun than losing oneself in O'Brien's rich and riotous mixture of reimagination and fact.--Historical Novels Review Gripping . . . The history and overall arc of the novel are superb . . . and Temple McFadden proves to be a worthwhile hero.--Associated Press
