**Food From Across Africa** Duval Timothy, Jacob Fodio

Todd, 2016-06-14 Discover the amazing cuisine of Africa with this beautiful full-color cookbook featuring classical and modern African dishes. With its diverse, delicious flavors, African food is “some of the best on the planet,” yet remains little known to many in the wider world. To introduce this wonderful cuisine, Duval Timothy, Jacob Fodio Todd, and Folayemi Brown started their popular bi-monthly London supper club The Groundnut to showcase the food of their childhoods, dishes that reflect their heritage in Western and Eastern Africa. Based on their sold-out events, Food from Across Africa features both traditional recipes, many of which have been passed down through the generations, as well as experimental dishes using new ingredients and combinations: from the fragrant and ubiquitous West African dish, jollof rice, to innovative modern offerings like aromatic star anise and coconut chicken served in a steaming plantain leaf. Food from Across Africa includes nine complete menus with dishes that complement and enhance one another—from cocktails and juices to main courses, vegetables, sides, and desserts. Instead of making explicit distinctions, the menus represent the way these dishes fit together, whether attached by season, dominant flavors, or by another unifying point of inspiration. Easy to follow and cook, each recipe includes a short history and uses ingredients found in local markets. Pork in Tamarind, Mustard Prawns, Baked Broccoli Falafel, Pineapple Jam, Spinach & Green Bean Salad with Peanut Pesto, Banana Almond Cake, Pickled Peppers, Baked Plantain, and much more—the mouthwatering fare in Food from Across Africa is meant to be eaten communally, with family, friends, and neighbors, and enjoyed with all the senses. “Our food encourages tactility, with influences from our childhoods growing up eating freshly picked mangoes sprinkled with salty chili powder, being served juice in a

peeled, cored, and squeezed orange and hand rolling and dunking balls of eba into okra soup then straight into your mouth.” A celebration of a fascinating and flavorful culture, bursting with dozens of gorgeous full-color photos, *Food from Across Africa* is a bounty of delights, presenting food that is simple, balanced, beautiful, and fabulous to share.

**Recipes for Respect** Rafia Zafar, 2019-03-15 Food studies, once trendy, has settled into the public arena. In the academy, scholarship on food and literary culture constitutes a growing river within literary and cultural studies, but writing on African American food and dining

remains a tributary. Recipes for Respect bridges this gap, illuminating the role of foodways in African American culture as well as the contributions of Black cooks and chefs to what has been considered the mainstream. Beginning in the early nineteenth century and continuing nearly to the present day, African Americans have often been stereotyped as illiterate kitchen geniuses. Rafia Zafar addresses this error, highlighting the long history of accomplished African Americans within our culinary traditions, as well as the literary and entrepreneurial strategies for civil rights and respectability woven into the written records of dining, cooking, and serving. Whether revealed in cookbooks or fiction, memoirs or hotel-keeping manuals, agricultural extension bulletins or library collections, foodways knowledge sustained Black strategies for self-reliance and dignity, the preservation of historical memory, and civil rights and social mobility. If, to follow Mary Douglas's dictum, food is a field of action—that is, a venue for social intimacy, exchange, or aggression—African American writing about foodways constitutes an underappreciated critique of the racialized social and intellectual spaces of the United States.

**The Cooking Gene** Michael W. Twitty, 2018-07-31 2018 James Beard Foundation Book of the Year | 2018 James Beard Foundation Book Award Winner in Writing | Nominee for the 2018 Hurston/Wright Legacy Award in Nonfiction | #75 on The Root 100 2018 A renowned culinary historian offers a fresh perspective on our most divisive cultural issue, race, in this illuminating memoir of Southern cuisine and food culture that traces his ancestry—both black and white—through food, from Africa to America and slavery to freedom. Southern food is integral to the American culinary tradition, yet the question of who owns it is one of the most

provocative touch points in our ongoing struggles over race. In this unique memoir, culinary historian Michael W. Twitty takes readers to the white-hot center of this fight, tracing the roots of his own family and the charged politics surrounding the origins of soul food, barbecue, and all Southern cuisine. From the tobacco and rice farms of colonial times to plantation kitchens and backbreaking cotton fields, Twitty tells his family story through the foods that enabled his ancestors' survival across three centuries. He sifts through stories, recipes, genetic tests, and historical documents, and travels from Civil War battlefields in Virginia to synagogues in Alabama to Black-owned organic farms in Georgia. As he takes us through his ancestral culinary history, Twitty suggests that healing may come from embracing the discomfort of the Southern past. Along the way, he reveals a truth that is more than skin deep—the power that food has to bring the kin of the enslaved and their former slaveholders to the table, where they can discover the real America together.
