Tom Greve

Ann Angel's Freedom (Paperback) Katharina Gerlach Anke Waldmann,2007-10 Based on facts, the novel tells the story of Ann Angel Waldmann whose father decides to accept their Counts offer to buy their freedom. It is set in the rural area around Osnabrueck at the turn of the 18th century, a time when old values are questioned. In spite of new ideas, individual freedom is a frightening dream for most people. It is a time of change, where Ann Angel Waldmann, daughter of a rich farmer, has to cope with the obstacles life puts in her way. Bestselling author Holly Lisle describes the novel as follows: Ann Angel's Freedom is an amazing, beautifully researched, well-written tale of a world and a time far different from our own, but one that still resonates with the struggles we all face today. I found myself suffering with Ann and those she loved, hoping for her, and in the end cheering with her. It's a wonderful story, made more wonderful because it's true.

Angel Island Larry Dane Brimner,2001 Dramatic and defining moments in American history come vividly the life in the Cornerstones of Freedom series.

Beyond Fear Mary Carroll Nelson,Miguel Ruiz,1997 The wisdom in this life-changing book has the power to replace fear with joy. Fear, the source of all the negative agreements we've made in life, can alienate us from the joy that is our birthright. When we are able to look at our lives and our worlds without fear or judgment, we realize that this dream we are dreaming - reality - can be whatever we want it to be.

Graduate to Freedom Angel Stallings,Nia Hill,2021-06-09 Take this journey with us as we share our best tips and tools to graduate without any student loan debt. This book provides the unique perspective of the HBCU and PWI financial experiences in one source! You will learn from two young Black women from the inner cities of Chicago and Detroit that graduated from college debt-free as first-generation students. Hint: it wasn't with just one large full-ride check. We weren't athletes or brainiacs! This book tells you how to get access to the excess so you can pay off debt and/or stay out of debt completely. The total amount of outstanding student loans reached an all-time high in 2020, at \$1.57 trillion... Based on the current rate of growth, aggregate student loan debt could reach \$2 trillion by 2024 and \$3 trillion by 2038. This statistic, along with many others, confirms that there are not many resources out there that provide practical steps on how to obtain a debt-free degree. We live in a society where it has been normalized to carry the burden of debt at a young age, and that is NOT ok. Let us help you make your dreams a reality. It's time to GRADUATE TO FREEDOM! - Nia Hill and Angel Stallings

William Still William C. Kashatus,2021-04-01 The first full-length biography of William Still, one of the most important leaders of the Underground Railroad. William Still: The Underground Railroad and the Angel at Philadelphia is the first major biography of the free Black abolitionist William Still, who coordinated the Eastern Line of the Underground Railroad and was a pillar of the Railroad as a whole. Based in Philadelphia, Still built a reputation as a courageous leader, writer, philanthropist, and guide for fugitive enslaved people. This monumental work details Still's life story beginning with his parents' escape from bondage in the early nineteenth century and continuing through his youth and adulthood as one of the nation's most important Underground Railroad agents and, later, as an early civil rights pioneer. Still worked personally with Harriet Tubman, assisted the family of John Brown, helped Brown's associates escape from Harper's Ferry after their famous raid, and was a rival to Frederick Douglass among nationally prominent African American abolitionists. Still's life story is told in the broader context of the anti-slavery movement, Philadelphia Quaker and free black history, and the generational conflict that occurred between Still and a younger group of free black activists led by Octavius Catto. Unique to this book is an accessible and detailed database of the 995 fugitives Still helped escape from the South to the North and Canada between 1853 and 1861. The database contains twenty different fields—including name, age, gender, skin color, date of escape, place of origin, mode of transportation, and literacy—and serves as a valuable aid for scholars by offering the opportunity to find new information, and therefore a new perspective, on runaway enslaved people who escaped on the Eastern Line of the Underground Railroad. Based on Still's own writings and a multivariate statistical analysis of the database of the runaways he assisted on their escape to freedom, the book challenges previously accepted interpretations of the Underground Railroad. The audience for William Still is a diverse one, including scholars and general readers interested in the history of the anti-slavery movement and the operation of the Underground Railroad, as well as genealogists tracing African American ancestors.

The U.S. Constitution for Everyone Jerome B. Agel,Mort Gerberg,1991-03-21 History comes alive in this illustrated guide to the Constitution and all 27 Amendments. The Constitution has been in the news a lot recently. But most of us could probably use a refresher on this founding document of America--you can probably name the first and second amendments, but what about the 11th, or the 22nd? And what does all of that formal political language actually mean for us today? The U.S. Constitution for Everyone answers these questions and more, like: - How does impeachment work, anyway? - How long is a Senator's term? - What is covered by freedom of speech? - What are emoluments? - How exactly does a bill become a law? This book makes understanding your rights easy with clear explanations of the complete text of the U.S. Constitution, as well as all 27 Amendments, alongside fascinating historical facts and explanations. A must-read for students, curious citizens, and everyone who'd like to know more about the supreme laws of our nation.

Secret Struggles Angel C. Walston,2018-04-05 Oftentimes, people go through life with the idea that everyone has it all together-except for them. As they find themselves struggling with different areas, they suffer in silence as they feel alone and stuck in a cycle that feels impossible to break free from. In Secret Struggles, Angel reminds women that freedom is within their reach and that there is no power in hell that can stand against the power and authority of Jesus Christ. She exposes the tactics the enemy uses to plant seeds of confusion and distraction to keep believers in a downward spiral

of bondage. Angel encourages women to reclaim their freedom in Christ and put an end to broken cycles. In each chapter, she coaches them through common secret struggles that impact their life, such as fear, comparison, sexual sin, inadequacy, forgiveness, and more. Through scripture, transparency, and humor, Secret Struggles teaches women how to: - Unveil hidden bondage through acknowledging and examining the root of their issues. - Fight back and claim victory over bondage using Biblical and practical principles. - Find freedom to walk in purpose and wholeness through Jesus Christ.

In Love with Freedom Steven E. Aavang, 2011 Based upon her own words, this is the story of a unique individual whose deep love for her native country was overshadowed only by her compelling love for freedom. Born with a pedigree of royalty reaching back to the Byzantine Empire, and riches comparable to the American Rockefellers, this princess seemed destined to a life of pampered luxury and perhaps a noble charity. Life, however, doesn't always follow the script... especially someone with Catherine's character. In Love With Freedom, a sweeping story of one woman's remarkable lifetime of triumph and tragedy in the kaleidoscope of the twentieth century. The story begins with a toddler snatched from her mother's bosom by her evil father and hidden for thirteen years in a series of orphanages, a pawn in a high stakes game of ransom and revenge. The plucky, fearless, and resourceful child at last escapes and crosses Europe, eventually arriving in Romania on the Orient Express and is declared a princess... but that is only the beginning of her journey. Catherine learns to be a princess, wife, and mother through World War I, the Depression, and epidemics. Yet it is World War II that is her defining moment. Learn how this woman of less than five feet of stature stands up to the despicable Gestapo and the mighty Nazi Armies; earns the moniker 'the Angel of Ploesti' from the 1400 American POWs that are torn from the angry skies of Hitler's most heavily protected resource - Romania's, Catherine's oil fields; and then survives the starvation, pogroms, and death of the Soviet 'liberation' of Eastern Europe. What can she do to escape the barbarism? What can she do to help her country and all those oppressed by the horrors of Communism and dictatorships? The answers are truly amazing and inspiring.

Little Creatures Donna Jo Napoli, 2015-10-06 How many feathers will it take? The Little Angel of Freedom can't wait till her wings are full of feathers. Then she'll hear a bell ring, and be able to fly. But to prove she's ready, she has to help out Simone, a little girl with a big problem. Simone likes to capture animals -- especially bugs. Sometimes they get harmed while they're in her care. The Little Angel has to use her powers to show Simone the right thing to do. But Little Angel's worried -- how will she rescue the captured animals? And will she ever get enough feathers to earn her Angelwings at last? Be kind to animals!

The Existential Joss Whedon J. Michael Richardson, J. Douglas Rabb, 2014-11-18 This study examines the major works of contemporary American television and film screenwriter Joss Whedon. The authors argue that these works are part of an existentialist tradition that stretches back from the French atheistic existentialist Jean-Paul Sartre, through the Danish Christian existentialist Søren Kierkegaard, to the Russian novelist and existentialist Fyodor Dostoevsky. Whedon and Dostoevsky, for example, seem preoccupied with the problem of evil and human freedom. Both argue that in each and every one of us a demon lies hidden. Whedon personifies these demons and has them wandering about and causing havoc. Dostoevsky treats the subject only slightly more seriously. Chapters cover such topics as Russian existentialism and vampire slaying; moral choices; ethics; Faith and bad faith; constructing reality through existential choice; some limitations of science and technology; love and self-sacrifice; love, witchcraft, and vengeance; soul mates and moral responsibility; love and moral choice; forms of freedom; and Whedon as moral philosopher.

The Spirit of Liberty Moon Martha Williamson, 1999-08-21 This novel adaptation is based on one of the most moving episodes from the television drama that is watched by over 24 million people every week, *Touched by an Angel*. This new story in the paperback series offers a rare glimpse into the ancient country of China and into the hearts of those who dream of freedom. At the beginning of the story, Tess tells Monica and Andrew, The courage of a single person can change history. But only if they answer the call when it comes. When beautiful Jean Chang encounters entrepreneur Edward Tanner, it is a signal that a journey of freedom and divine timing is about to begin. But when Jean's past catches up with her, will the power and might of China keep them from meeting their destinies?

Break Free from Your Prison Sara Angel, 2011-02 Inspired by the Holy Spirit, Sara Angel took an amazing two weeks to complete 'Break Free From Your Prison'. As Sara obeyed the Lord's urgent instructions, the Holy Spirit guided her with visions and put impressions in her heart that overflowed in the form of words, day and night until she received the peace towards the end of the completion of the book. This book will challenge the man and women out there that the Lord Jesus is the only one who can set us free from the captive of the devil and the only one who can release us from our own prison of hurts, fears, doubt, guilt and even comfort zone. It is the desire of our Lord Jesus for us to live a life of freedom and great abundance in Him. But those and other breakthroughs in our life can only take place after we have taken the first step of accepting Jesus Christ into our heart and then surrendering our sinful nature and desire to His will. This book will show how God can manifest his love and realize his will for us and how He could speak to us and into our personal lives.
