Lady in Waiting Anne Glenconner,2020-03-24 Discover untold secrets with this extraordinary memoir of drama and tragedy by Anne Glenconner—a close member of the royal circle and lady-in-waiting to Princess Margaret. Anne Glenconner has been at the center of the royal circle from childhood, when she met and befriended the future Queen Elizabeth II and her sister, the Princess Margaret. Though the firstborn child of the 5th Earl of Leicester, who controlled one of the largest estates in England, as a daughter she was deemed the greatest disappointment and unable to inherit. Since then she has needed all her resilience to survive court life with her sense of humor intact. A unique witness to landmark moments in royal history, Maid of Honor at Queen Elizabeth's coronation, and a lady in waiting to Princess Margaret until her death in 2002, Anne's life has encompassed extraordinary drama and tragedy. In *Lady in Waiting*, she will share many intimate royal stories from her time as Princess Margaret's closest confidante as well as her own battle for survival: her broken-off first engagement on the basis of her mad blood; her 54-year marriage to the volatile, unfaithful Colin Tennant, Lord Glenconner, who left his fortune to a former servant; the death in adulthood of two of her sons; a third son she nursed back from a six-month coma following a horrific motorcycle accident. Through it all, Anne has carried on, traveling the world with the royal family, including visiting the White House, and developing the Caribbean island of Mustique as a safe harbor for the rich and famous-hosting Mick Jagger, David Bowie, Raquel Welch, and many other politicians, aristocrats, and celebrities. With unprecedented insight into the royal family, *Lady in Waiting* is a witty, candid, dramatic, at times heart-breaking personal story capturing life in a golden cage for a woman with no inheritance. A Woman Makes a Plan Maye Musk,2019-12-31 Warm, honest and true--A Woman Makes A Plan is full of insight as well as a good dose of humor, offering readers a lifetime of hard-won advice. --Diane Von Furstenberg The international supermodel shares personal stories and lessons learned from a life of living dangerously--carefully Maye Musk is a fashionable, charming, jet-setting supermodel with a fascinating and tight-knit circle of family and friends--and is 71 years old. But things were not always so easy or glamorous--she became a single mom at 31, struggling through poverty to provide for her three children; dealt with weight issues as a plus-size model and overcame ageism in the modeling industry; and established a lifelong career as a respected dietitian, all the while starting over in eight different cities across three countries and two continents. But she made her way through it all with an indomitable spirit and a no-nonsense attitude to become a global success at what she calls the prime of her life. As everyone who follows her obsessively on social media knows, Maye is a fount of frank and practical advice on how the choices you make in every decade can pay off in surprising, exciting ways throughout your life. In *A Woman Makes a Plan*, Maye shares experiences from her life conveying hard-earned wisdom on career (the harder you work, the luckier you get), family (let the people you love go their own way), health (there is no magic pill), and adventure (make room for discovery, but always be ready for anything). You can't control all that happens in life, but you can have the life you want at any age. All you have to do is make a plan.
