*East Side Story* Nick Marino,2023-11-07 A sly, sentimental, and wickedly funny memoir about growing up at the local fair. The PNE (Pacific National Exhibition) is a Vancouver tradition, an annual fair started in 1910 that is famous for its farm animals, dog trick shows, and amusement park highlighted by Canada's oldest wooden roller coaster still in existence. In 1980, when Nick Marino was twelve years old, he started working at the PNE and quickly learned that there was more to the fair than winning stuffed animals and eating mini donuts. He had to contend with belligerent bosses, unhinged carnies, and teenage hustlers. In this funny, charming memoir of fair life, Marino revisits the "wild west" of the city's East Side, home to the PNE, sharing stories from his six summers working at the fair, where arcade bouncers went on midnight roller coaster rides, riots broke out at concerts, and local kids helped themselves to everything. With beguiling and at times poignant humor, he pulls back the curtain on the culture of carnivals and fairs, an unpredictable and eternally young world of players, scammers, and dreamers. *East Side Story* is the latest addition to the Robin's Egg Books series, which features some of the freshest, smartest, and above all, funniest writing on a variety of culturally relevant subjects. Titles in the imprint are curated and edited by comedian, playwright, and author Charles Demers. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A book with many images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

**Duty Free Murder** Lori Sandys LaPierre,2005-11 Author Elsa Mercy wants a second honeymoon with husband, Ran, on a cruise. Instead, she's pursued, threatened, and embroiled in jewelry heists and murder! First in the Vacation Murder Series!

When Skateboards Will Be Free Saïd Sayrafiezadeh,2009-03-24 BONUS: This edition contains a When Skateboards Will Be Free discussion guide. "The revolution is not only inevitable, it is imminent. It is not only imminent, it is quite imminent. And when the time comes, my father will lead it." With a profound gift for capturing the absurd in life, and a deadpan wisdom that comes from surviving a surreal childhood in the Socialist Workers Party, Saïd Sayrafiezadeh has crafted an unsentimental, funny, heartbreaking memoir. Saïd's Iranian-born father and American Jewish mother had one thing in common: their unshakable conviction that the workers' revolution was coming. Separated since their son was nine months old, they each pursued a dream of the perfect socialist society. Pinballing with his mother between makeshift Pittsburgh apartments, falling asleep at party meetings, longing for the luxuries he's taught to despise, Said waits for the revolution that never, ever arrives. "Soon," his mother assures him, while his long-absent father quixotically runs as a socialist candidate for president in an Iran about to fall under the ayatollahs. Then comes the hostage crisis. The uproar that follows is the first time Saïd hears the word "Iran" in school. There he is suddenly forced to confront the combustible stew of his identity: as an American, an Iranian, a Jew, a socialist... and a middle-school kid who loves football and video games. Poised perfectly between tragedy and farce, here is a story by a brilliant young writer struggling to break away from the powerful mythologies of his upbringing and create a life—and a voice—of his own. Saïd Sayrafiezadeh's memoir is unforgettable.

**Free-Range Chickens** Simon Rich,2009-05-12 After a riotous debut collection, Ant Farm, Simon Rich returns to mine more comedy from our hopelessly terrifying world. In the nostalgic opening chapter, Rich recalls his fear of the Tooth Fairy ("Is there a face fairy?") and his initial reaction to the "Got-your-nose" game ("Please just kill me. Better to die than to live the rest of my life as a monster"). He gets inside the heads of two firehouse Dalmatians who can't understand their masters' compulsion to drive off to horrible fires every day ("What the hell is wrong with these people?"). And in the final chapter, he tackles one of life's biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was. . . .

Device Free Weekend Sean Doolittle,2023-02-28 Seven friends, one eccentric billionaire, and an all-expenses-paid reunion on a private island: with no technology allowed, it'll be a weekend to remember—for those who make it out alive. Ryan Cloverhill, founder and CEO of the world's most popular social media platform, invites his six best friends from college to his home on his private island near Puget Sound. For Stephen, Emma, Perry, Will, Beau, and Lainie, day one is just what the doctor ordered: amazing food, many drinks, lots of laughter, and a sunset cruise around the island aboard their host's custom Van Dutch 55. Day Two, however, takes a bewildering turn when the six hungover guests wake up to find that their host has disappeared, along with all connection to the mainland. A touchscreen tablet of unknown make awaits them, blatantly defying the rules of the weekend with its on-screen challenge: Unlock Me! The passcode to the tablet is hidden somewhere in the group's shared history. But what seems at first like just another silly game turns deadly serious when the group discovers what unlocking the tablet really means. Is it the key to their futures, a Pandora's box none of them will ever be able to close, or both? Only one thing is clear: their old friend Ryan has something unthinkable planned. Now it's up to the six of them to stop him. And when this weekend is over, the world will never be the same.

Game Plan Alan Gershenfeld,Mark Loparco,Cecilia Barajas,2007-04-01 The \$20 billion computer and video gaming business is the fastest-growing entertainment medium in the world---on track to surpass both the movie and record businesses.
