Are you ready to walk down the aisle? Clara  
Githaiga, Clara Githaiga, Chris Hart

*Centaur Aisle* Piers Anthony, 2002-03-26 The magic of Xanth was useless in Mundania—until Dor tried honesty! Dor was having troubles growing up to be the next Magician-King of the magic Land of Xanth. He wanted no part of running the Kingdom. But now the Good King Trent was leaving on a trade mission to non-magical Mundania, home of such weird beasts as horses and bears, so Dor had to take over as King for a week. A week passes. No Trent. Then three weeks. King Trent still hasn't returned. Surely, something terrible had happened; he was apparently held captive in some foul dungeon, unable to escape. Dor was left with the burden of ruling—and with Irene, who was entirely too willing to be his Queen! His only hope was to enter Mundania and free King Trent. But how could it be done without the powers of magic? Nevertheless, he started forth bravely—together with Irene, a golem, a centaur, and a young ogre—heading for the far south of Xanth. The entrance to Mundania, of course, lay to the north.

**Aisle 17** Robert Bowman, 2016-03-26 All Maxfield superstores have sixteen marked aisles. Never seventeen. And at no point should an aisle be barren of product. When fifteen-year-old Mary Gasseling finds aisle 17 empty, she's surprised. For one, her father, who manages the store, would never allow this to happen and two, the aisle seems to have suddenly appeared out of nowhere. Mary soon realizes that the aisle is anything but normal. Struggling with her mother's sudden death two years ago, Mary avoids being home alone by visiting her mother's grave after school before going to her father's store to help. The old caretaker, Horace, even sets out a folding chair she's such a frequent visitor. Little does Mary know the connection between the mysterious aisle and the cemetery she frequents will put her in great danger.

The Green Aisle's Healthy Juicing Michelle Savage, 2018-11-20 Fasting is a great way to cleanse the body. During a fast, the body's natural processes change; waste is cleared from the digestive tract and chemicals stored in fat and other tissues are released. The right detox program can mean your clarity and focus improves; your sense of strength, energy, and happiness increases; your food cravings minimize; and you may even lose weight. In this book, certified health coach Michelle Savage aims to help readers restart, reset, and reclaim their lives by offering two types of juice cleanses: a 7-day cleanse, perfect for those who want to jump in with two feet, and a 30-day cleanse, great for those who are a bit hesitant to commit or whose lifestyles cannot support the shorter approach. First, learn all about the benefits of juicing, detoxing, fasting, and cleansing and how to do it the right way. Then, start juicing! The Green Aisle's Healthy Juicingr includes meal plans complete with recipes for both juices and light snacks and meals for whichever cleanse you choose.

*Clean up on Aisle 7!* Michael B.

Burnett, 2016-07-28 This story is a true event that provided me the opportunity to see my students learn the process of understanding the world around their everyday lives. It is the goal of my books to help the young friends find out answers to questions that interest them and, most of all, share that information with their loved ones and

receive the praise they long to hear. I hope this book helps them enjoy the wonderful world of learning.
