AJ's Serendipity Dominique Lambricht,Savannah J. Frierson,2018-08-28 Sometimes, the heart knows before the mind. The moment Greek restaurateur Alejandro AJ Melonakos sees Samara Grossman in the market, he knows she's the one for him. The American is sweet, and her voluptuous form rivals the marble goddesses made eternal in his country. Luckily for AJ, the amber-hued beauty is warm to the touch and soft to hold. But Samara is only in Greece for five days, and there is no guarantee they will see each other again. Can AJ convince Samara the feelings they share will withstand the distance, or will he lose his serendipitous find? This is a rerelease from the original 2008 version. It has gone through a new edit and features new cover art, but nothing significant has changed from the previous version of the story. Thank you so much for your support and happy reading!

CEDRIC NOT THE ENTERTAINER Cedric M. Cason,2023-12-27 Welcome to a world where childhood memories of a local fire station and school, full of youthful innocence and joy, stand in sharp contrast to the history of the Civil Rights Movement. Cedric Morris Cason explores the difficulties of fatherhood, giving a moving account of his mother's and stepfather's influence and his siblings' diverse experiences. He gives readers a tour of his life in the projects while sharing tales of friendship, youthful rebellion, and tragic loss with remarkable candor. Faith emerges as a guiding force amid despair and uncertainty. In addition to highlighting the value of community, mentors, and the unwavering support of family, the author discusses the role that spiritual influences have played in his life. This book serves as a moving reminder to readers of the human spirit's unimaginable capacity for adaptability and change. Cason encourages us to have faith in the strength of our beliefs, to cherish the profound effects of relationships, and to find hope in the face of adversity through a narrative that navigates trauma, healing, and the search for purpose. This memoir is proof of the persevering journey of one man's life, full of lessons, love, and an unwavering dedication to encouraging others. “Cedric Not The Entertainer” is a call to consider our own experiences and find the will to move past them.

Jacob's War C.P. Rowlands,2012-09-01 ATF Special Agent, Allison Jacob has never had an assignment like this. Formerly undercover, she now leads a task force that has trailed meth from the Mexican border to Wisconsin. Teamed up with the Milwaukee Police Special Crimes Unit, they fight a daily battle with drugs, sex crimes, and murders, but her investigation has hit a wall—on the streets and within her organization. In the worst blizzard of the year, the latest victim unexpectedly shows up at AJ's office. Bright and attractive, small business owner Katie Blackburn angrily relates her experience during the interview when, unknowingly, Katie gives AJ the break she's desperately needed. Immediately, Katie presents another kind of battle for AJ. Just as she took the oath to keep America safe, AJ's heart begins to feel the same oath for Katie. AJ knows drugs don't care who handles them, but she does. It's her job and her war.

Gone but Not Forgotten: an Ozark Autumn to Be Remembered Suella Thrasher,2016-03-16 The tall young woman with sparkling green eyes and long curly copper-red hair stooped gracefully and placed her autumn- colored bridal bouquet on the grave at the base of the tombstone. Five little graves beside hers were testimony to the sorrow and pain of loss as written in the century-old journal held by the young bride. The autumn sun danced through the leaves of red, orange, yellow and gold and on the bent face of the young woman as she whispered,Thank you grandmother...I wish you could see me and hear me. God does answer prayer.. This fictional account is about trusting God in all situations and allowing Him to direct your ways. Points for reflection or group discussion are at the end of the book.
