### The Four Pillars of Islam ,2011

**Afghanistan's Islam** Nile Green,2017 This book provides the first ever overview of the history and development of Islam in Afghanistan. It covers every era from the conversion of Afghanistan through the medieval and early modern periods to the present day. Based on primary sources in Arabic, Persian, Pashto, Urdu and Uzbek, its depth and scope of coverage is unrivalled by any existing publication on Afghanistan. As well as state-sponsored religion, the chapters cover such issues as the rise of Sufism, Sharia, women's religiosity, transnational Islamism and the Taliban. Islam has been one of the most influential social and political forces in Afghan history. Providing idioms and organizations for both anti-state and anti-foreign mobilization, Islam has proven to be a vital socio-political resource in modern Afghanistan. Even as it has been deployed as the national cement of a multi-ethnic 'Emirate' and then 'Islamic Republic,' Islam has been no less a destabilizing force in dividing Afghan society. Yet despite the universal scholarly recognition of the centrality of Islam to Afghan history, its developmental trajectories have received relatively little sustained attention outside monographs and essays devoted to particular moments or movements. To help develop a more comprehensive, comparative and developmental picture of Afghanistan's Islam from the eighth century to the present, this edited volume brings together specialists on different periods, regions and languages. Each chapter forms a case study 'snapshot' of the Islamic beliefs, practices, institutions and authorities of a particular time and place in Afghanistan--Provided by publishe

*The Persianate World* Nile Green,2019-04-09 A free open access ebook is available upon publication. Learn more at [www.luminosoa.org](http://www.luminosoa.org). Persian is one of the great lingua francas of world history. Yet despite its recognition as a shared language across the Islamic world and beyond, its scope, impact, and mechanisms remain underexplored. A world historical inquiry into

pre-modern cosmopolitanism, *The Persianate World* traces the reach and limits of Persian as a Eurasian language in a comprehensive survey of its geographical, literary, and social frontiers. From Siberia to Southeast Asia, and between London and Beijing, this book shows how Persian gained, maintained, and finally surrendered its status to imperial and vernacular competitors. Fourteen essays trace Persian's interactions with Bengali, Chinese, Turkic, Punjabi, and other languages to identify the forces that extended "Persographia," the domain of written Persian. Spanning the ages of expansion and contraction, *The Persianate World* offers a critical survey of both the supports and constraints of one of history's key languages of global exchange.

The Seerah of Prophet Muhammad The Way of Islam UK, 2017-07-20 Prophet Muhammad (pbuh) was born in Makkah to Amina and Abdullah. Abdullah passed away before Muhammad (pbuh) was born and was brought up by Amina, his mother. When he was six, his mother passed away and then he was looked after by his loving grandfather Abdul Mutallib. Two years later, Abdul Mutallib also passed away and Muhammad (pbuh) was brought up by his uncle Abu Talib. Muhammad (pbuh) lived a simple life, marrying Khadija when he was twenty five years old. At the age of forty, the first verses came from Allah in the month of Ramadan. The Angel Jibrael brought these first five verses to Muhammad (pbuh). These words were written down by the scribes and memorised by the Muslims. This message continued for twenty three years and is known as the Qu'ran - the word of Allah. The Qu'ran is this pure message that was revealed to Muhammad 1400 years ago. These are the words of Allah that were sent to the prophet Muhammad (pbuh). Allah has guarded it and kept it pure from changes and errors. The purpose or mission of the prophet (pbuh) was to deliver this message to Mankind and to follow its teachings. The Prophet Muhammad (pbuh) was kind and honest. He looked after his family and friends. He had good character and respected the elders. He looked after the orphans and the poor. He was concerned for the wellbeing of all people. He never stole or swore at anyone. He was loved and respected by everyone - the Muslims and the non-Muslims. The prophet's character and actions

are also recorded in the Hadith books which give us an insight into this great man. Many people try and follow the example of the prophet (pbuh), indeed he is a role model for all Muslims. We should also be kind and good - following the example of the prophet (pbuh) throughout our lives. In this Seerah Book, Children will learn a lot about the prophet (pbuh) and about his life.
