Aladdin of London; Or, Lodestar Max Pemberton, 2014-06-23 The orator was not eloquent; but he had told a human story and all listened with respect. When he paused and looked upward it seemed to many that a light of justice shone upon his haggard face while the tears rolled unwiped down his ragged jerkin. His lank, unkempt hair, caught by the draught from the open doors at the far end of the hall, streamed behind him in grotesque profusion. His hands were clenched and his lips compressed. That which he had told to the sea of questioning faces below him was the story of his life. The name which he had uttered with an oath upon his lips was the name of the man who had deprived him of riches and of liberty. When he essayed to add a woman's name and to speak of the wrongs which had been done her, the power of utterance left him in an instant and he stood there gasping, his eyes toward the light which none but he could see; a prayer of gratitude upon his lips because he had found the man and would repay.

Aladdin of London Max Pemberton, 2018-08-13 Aladdin of London Max Pemberton Alban Kennedy, the impoverished son of a British parson, is compelled to take up his abode in the Whitechapel district of London, and becomes the suitor of a little Polish maid who is infinitely above her mean environment. The circumstances which lead to his adoption by a millionaire, the net of intrigue woven about him, and the efforts to bring about the death of his little sweetheart for political purposes, using him as the innocent tool, make an engrossing plot. Bread and salt, that's about what I should get in your country--and perhaps be able to count the nails in the soles of my boots. What's the good of telling me all about it? I saw that your father was angry, but you people are always angry. And, little girl, he does his best for you. Never forget that--he would sooner lose anything on earth than you. I don't believe it, said the girl, tossing her head angrily, what's he care about anything but that ole machine of his which he says they stole from him? Ten hours have I been sewing to-day, Alb, and ten it will be to-morrow. Truth, dear, upon my soul. What's father care so long as the kettle boils and he can read the papers? And you're no better--you'd take me away if you were--right away from here to the gardens where he couldn't find me, and no one but you would ever

find me any more. That's what you'd do if you were as I want you to be. But you ain't, Alb--you'll never care for any girl--now will you, Alb, dear?

Aladdin's Picture Book - Illustrated by Walter Crane Walter

Crane, 2020-07-14 The classic Middle Eastern story of Aladdin is presented here in this modern edition, beautifully illustrated by Walter Crane. The famous tale is part of the widely-known collection One Thousand and One Nights, added in the 18th century by Frenchman Antoine Galland. It tells the story of an impoverished young man called Aladdin who, with the help of a magic lamp that he finds, becomes rich and powerful beyond his wildest dreams. An exciting and charming tale, Aladdin and the Wonderful Lamp is perfect bedtime reading material for children. Walter Crane (1845 - 1915) was an English book illustrator and artist considered as being among the most prolific and influential children's book producers of his generation.
