The Plantation (Free Dystopian) Stella Fitzsimons,2014-11-17 When the light of the human species vanished, there was a girl... and a spark. A century has passed since they arrived. Human history has been erased. Children are enslaved on Alien plantations. Some have heard whispers of the existence of a rebel band of humans who roam free in the forests. Most slaves dare not speak of the rebels for fear the mutant guards will grab and make an example of them. Seventeen-year-old Freya is pulled away in the night not by the mutants, but by her old friend Finn, to join the Savors, the mythic band of rebel teens. Her bliss fades when she discovers she is the only Savior without a special ability. She is the odd one out, slowly pushing Finn away, defying Damian, the leader of the Savors, and antagonizing the fierce and beautiful Daphne. In her despair Freya reaches deep within to discover a dark destiny, a truth so heavy it threatens to destroy her. *Young Adult, Dystopian, Post-apocalyptic, The Plantation Series, Strong Heroine, Teen Romance, Alien Invasion, Teen Dystopian Romance, Fantasy with aliens, Aliens, galactic empire, strong heroine, oppression, battle for earth, free, free book, free read*

The Eden Project (Free Post-Apocalyptic) DP Fitzsimons,2017-08-02 The world had fallen. The mostly vacant cities were silent now. For those who had not been turned or consumed, remote locations proved the best chance to live a while longer before the inevitable end landed its teeth marks on their flesh or its disease in their blood. To eat or be eaten was the last imperative of the once noble species. All the accoutrements of being the most civilized of creatures had faded away and the human beast had been returned to the savagery of the primordial forest. This was the truth everywhere in the world, except one place—a small island, forgotten before and after the fall, a place where the sun yet shined down onto hopeful souls, 117 souls, the children of the Eden Project, who lived all their days until now in a great, glass dome. They were the children of light, pure blooded, uninfected, but they all knew (down to the smallest among them) that these hours of eternal incandescence were numbered. They all knew, every moment they breathed, that their destinies awaited them outside the glass, where darkness forever reigned. NIGHT WITHOUT END (Book Two of The Eden Project) now available

Phobia Free Harold N. Levinson, Steven Carter, 1988 Levinson, a professor of psychiatry at New York University Medical School, claims to have discovered that the inner ear is responsible for phobic behavior." He argues that such behavior consists of sensory misprocessing triggered by concussion, mononucleosis, prolonged air travel, menopause, and similar physiologically destabilizing factors. Treatment can be limited to medications for motion sickness. Levinson's style may be overly insistent, but he gives his controversial work a clear and convincing format that includes case histories and definitions of symptoms. His advice on obtaining proper diagnosis and treatment is particularly welcome. For subject collections. William Abrams, Portland State Univ. Lib., Ore. -Library Journal.

How to Raise a Drug-Free Kid Joseph A. Califano, 2014-09-09 Nearly every child will be offered drugs or alcohol before graduating high school. The good news is that a child who gets to age twenty-one without smoking, using drugs, or abusing alcohol is virtually certain never to do so ... and informed parents have the power to influence their kids to choose not to use. This gives parents a realistic picture of the world their teens confront and the tools to help them get through adolescence healthy and drug free. Based on research at the National Center on Addiction and Substance Abuse at Columbia University, this book answers the daunting questions parents across the country have repeatedly asked.

Deception (The Transformed #1) FREE Stacy Claflin, 2012-11-26 A blind date, a gorgeous vampire, and a deadly assassin. Just a typical Friday night. Yesterday, my biggest problems were fighting with my sister and getting into my dream college. Today, I'm dealing with destructive new powers and a raging thirst for blood—and both are getting me into serious trouble. I never believed in the supernatural, but now I can't escape it. I've tried everything to distract myself from the bundle of weird events that is ruining my life, including a blind date with a drop-dead gorgeous guy. Turns out he knows more about my past than I do, including the assassin who has marked me for death. I thought becoming a blood-sucking child of the night would make me immortal... turns out it just made me a target. With a trained killer after me, I might actually have to trust the know-it-all vampire to help me unlock my powers, before one of us ends up permanently dead. --- Deception is the start of a young adult paranormal romantic suspense series that features gripping supernatural drama, surprising twists, dynamic characters, page-turning suspense, heart-pounding action, and angsty romance. This saga will keep you on the edge of your seat. You'll find a supernatural world far beyond the normal scope of vampires and werewolves. Buckle up and get ready for a wild ride!
