This can happen in all areas of our lives, but it is perhaps most trying when it comes to our health. Author Farnaz Afshar knew such frustration. Suffering from a range of physical ailments, she became sicker and sicker and was unable to recover using conventional medicine. The Alchemy of Healing: The Healer Was Always You tells of Afshar’s discovery of her self-healing power, documenting her journey from illness to well-being. She shares her own story of healing and offers a collection of thoughts and life lessons to help others experiencing illness. She has come to the conclusion that the cause of every illness is the same, making it possible for anyone to achieve relief from any illness by applying the same Law of Attraction principles she learnt. Each chapter guides you through your own path to recovery from whatever illness you have. You can discover your inner strength and self-healing capabilities. The health you desire is in your hands. 🔍 [The Cheat Sheet](#) Sarah Adams,2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can’t admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan’s publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she’s been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.

🔍 [FLAMES OF FREEDOM Grim & Perilous RPG](#) Richard Iorio,Daniel D. Fox,2021-09-28 FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÖFNER RPG. It is the dawn of the American Revolutionary War of 1776. A tangled web of conspiracy spans North America. It does not matter what your creed, color, culture, faith or gender is—all stand together in the war for survival. Every rebel patriot holds Thomas Paine’s Common Sense aloft as they take up arms against the British Empire. The city of Boston is occupied by the Red Coats, surrounded by rebel militias. But as the revolution has begun, something far more mysterious stirs. Agents of the occult entreat both the Continental Army and British Empire. Freemasons conspire in the City of Brotherly Love. Maryland is in the throes of a witch hunt by the Knights Templar. Amid the chaos, other grim fairy tales have emerged. Ghouls have been tunneling beneath Boston. There are sightings of witches in the Great Dismal Swamp. Indigenous sachem speak of devils who walk among the living. The Leeds Devil haunts the Pine Barrens of New Jersey. And worse still, a shadowy collective called “The Mandoag” seeks to consume all, loyalists and rebels alike. In this game, most people have either chosen to deny the supernatural or rationalize it away. A rare few accept it for what it is to act. You are among those heroes and destined for greatness... or death. This alternative history game includes most of what you need to play: a player’s handbook, a game master’s guide, a bestiary, and an introductory adventure set in Boston. All that’s left are a few friends, pencils and a handful of dice. FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÖFNER RPG.

Along the way he meets a gypsy woman, a man who calls himself king, and an alchemist, all of whom point Santiago in the direction of his quest. No one knows what the treasure is, or if Santiago will be able to surmount the obstacles along the way. But what starts out as a journey to find worldly goods turns into a discovery of the treasures found within.

🔍 [JUNIOR](#) Thomas Kemeny,2019-11-26 There are a lot of great advertising books, but none that get down in the dirt with you quite like this one. Thomas Kemeny made a career at some of the best ad agencies in America. In this book he shows how he got in, how he’s stayed in, and how you can do it too. He breaks apart how to write fun, smart, and effective copy-everything from headlines to scripts to experiential activations-giving readers a lesson on a language we all thought we already knew. This book is not a retrospective from some ad legend. It’s a book that should be instantly useful for people starting out. A guide for the first few years at a place you’d actually want to work. Traditionally, advertising books have been written by people with established careers, big offices and letters like VP in their titles. They have stories from the old days when people could start in the mailroom. They are talented. That’s been done. Who wants another book filled with seasoned wisdom? This is a book written by somebody still getting his bearings. Someone who has made an extraordinary number of errors in a still short career. Someone who has managed to hang onto his job despite these shortcomings.

🔍 [TELEVISION’S OUTLANDER](#) Mary Ellen Snodgrass,2021-05-11 Over its five seasons on the air, the televised series Outlander has combined romance, adventure, history, and time travel into a classic saga of love, war, and the ties that bind family together. After surviving the 1746 uprising of the Scottish Highlanders, the intrigue-ridden Paris of Charles Stuart, and a sea voyage across the Caribbean, Claire and Jamie Fraser finally settle in the mountains of North Carolina. There, they build a community of immigrant farmers who continue to struggle for justice, democracy, and independence from British colonialism. This companion volume offers detailed information on more than 125 topics including characters, themes, places, events, actors, herbalism, and historical chronology. For fans and scholars alike, it separates fact from fiction and aids in understanding the effects of the 1746 Jacobite uprising on the formation of the United States.
