Quit Drinking Robert J. Finger, 2021-06-03 We live in a drinking obsessed world. We drink in baby showers and parties, brunch and book club, ceremonies, and funerals. Yet nobody challenges the ubiquity of alcohol- in reality, the one thing that has ever been questioned is why somebody isn't drinking. It's a requirement for entry, and if you don't imbue, you're an exception. As a community, we are concerned with health and well-being, but retain alcohol as some sort of magic elixir. If you're in a spiral, have you been tired of waking up every day with low levels of hangover, sick of your booze breasts, and lack of energy? Then this book is all you need. It's HARD to stop drinking. Worse, because the WHOLE WORLD loves booze, you feel all alone! Yet you know that you have something to do. This gets worse, and you feel out of control. You're afraid you're going to end up as an alcoholic. This book is a map of the road. It's not a magical short cut because there is none, but it signs you through the sobriety and helps you to live soberly (two very different things). It provides hands-on advice for the entire phases of the sober process-how do you prepare for your first sober journey? Why don't your buddies cheer on you? And when are you going to be sober? Is there life beyond that journey-in the frightening new world of not drinking? The book admits that this journey is a double aim-to ditch the alcohol and to regain yourself-and when you can use sobriety in your life instead of destination, the strength and fulfillment of healing comes. What you will learn: Addiction or abuse? How to recognize it How this addiction can affect life and relationship Why is it so hard to quit drinking? Causes of alcohol addiction What damages alcoholism can cause Determine your level of addiction CAGE test Learn self-hypnosis for overcome negativity, anger, anxiety and depression A plan for dealing with relapses and triggers Withdrawal Syndrome How to treat alcohol withdrawal symptoms How to replace bad habits with good ones THE 30-DAY NO ALCOHOL CHALLENGE ...and much more. Everyone has a sober road-but the course of everyone goes in a different direction. This book will hopefully help you to get there without too many detours. How I stop drinking (and how you too can), is a realistic (and sometimes humorous) guide by a writer who has ploughed and made his own sober path! If you've had enough of being a wine witch whore, buy this book today and transform your life!

Increased alcohol consumption in society today is rarely out of the news. However, there is good news for those of us who would like to reduce our intake without giving up completely. Clinical hypnotherapist Georgia Foster offers us a middle way - and even better, it takes just seven days! Georgia is a world-leading therapist, specialising in overdrinking behaviour (as well as anxiety and self-esteem and other issues). **Sports Hypnosis in Practice** Joseph Tramontana, 2011-06-10 This book offers new strategies and scripts for hypnotherapists, sports counsellors and sports psychologists working with athletes to help them achieve their peak performance. A major focus of the book is that the therapist does not necessarily need to be familiar with the sport or activity to serve as a mental coach to the athlete. The athlete is instructed that the goal is not to improve the mechanics of their performance (that is left up to their coaches) but, rather, to help them to relax, concentrate and focus so that they fulfill their maximum potential. They learn not to let the mental side of their game trip up the physical side, but rather to enhance it.

**The Fastest Way to Stop Drinking... Guaranteed** Craig Beck, 2014-10-28 The Fastest Way to Stop Drinking... Imagine if tomorrow you wake up with no hangover, no regrets and feeling full of energy and vitality. Picture your bank account with thousands of extra dollars in it and imagine what life would be like if you had a limitless abundance of quality time with your family and loved ones? If you are drinking on a regular basis then alcohol is stealing all that from you everyday. My name is Craig Beck; I used to be just like you... My drinking was hopelessly out of control for nearly two decades. Nothing I tried made any difference, I attempted dry weeks & months but I always just ended up drinking even more than before. My doctor agreed it was

time to cut down but he could offer no practical solution to help me to do so. I concluded that the only way I was going to escape the insidious trap of alcohol was to throw away all the 'advice' I had been previously given and do the unthinkable.
