Alien Invasion Travis S. Taylor,Bob Boan,2011-06-01 What if there really are aliens and they do attack? Read what two scientists reveal in this how-to survival manual for the space age. Some events (such as a deliberate asteroid strike) produce such a massive setback to life, the Earth and humanity that we must understand and prepare for them, even if the chances are low that they'll come about. But where to begin? Drs. Travis S. Taylor and Bob Boan are experienced scientists, physicists with expertise in both defense and military signal intelligence and experience working with the Department of Defense and NASA. These two intellectual heavyweights take us on an amazing journey through what we do³/₄and do not³/₄know about how to defend ourselves from space. Sure, that day may never come in our lifetimes³/₄but everyone should have a copy of this lying around just in case. . . . Alien Vs. 101st Airborne Hunter Frye,2018-10-08 This is a story about an alien species coming to earth one hundred thousand years ago to mine for fossil fuels. The most important thing the aliens did was engineering the early stages of mankind as a slave-labor force to assist the aliens in procuring more fossil fuels to build cities back on their home planet. After the aliens mined what they needed for their home world, they taught mankind how to use our natural resources, to increase agriculture production, and how to build our own cities. While mining fossil fuels which are useful in electricity, wealth building, and cosmic space travel, the aliens were placing humans all around the world so that one day they would observe them fighting each other for resources, expansion, and religious rule. The aliens observe the warfare as entertainment. This leads to men and women being hunted for Predator sport. The aliens abduct the 101st Airborne to an alien hunting planet. The 101st Airborne will be forced to do anything to survive and avoid a painful demise from being the alien's prey. The 101st Airborne will engage with other abducted groups from the world and ultimately combine forces for one epic, final battle against their captors!
