Lila has never been more frightened in her life, but when Rokan appears, everything changes. When I wake up on the ice planet, I'm scared of everything: This place is cold, silent, and the locals look more like blue devils than aliens. To make matters worse, one of the strangers decides I'm going to be his girlfriend and kidnaps me away from my sister. I'm completely and utterly alone. What's a girl to do? Well, this girl escapes. Of course, that means I go from the frying pan into the fire, and my situation gets even more dangerous. Just when I have no hope left, a new hero shows up. Sure, he's blue, horned, and has a tail. He's also fierce, protective, makes me purr...and thinks I'm perfect. But is what we have real or just a mating instinct?

Nuremberg Airey Neave,2021-02-16 On 18 October 1945, a day that would haunt him for ever, Airey Neave personally served the official indictments on the twenty-one top Nazis awaiting trial in Nuremberg – including Hermann Goering, Rudolf Hess and Albert Speer. With his visit to their gloomy prison cells, the tragedy of an entire generation reached its final act. The 29-year-old Neave, a wartime organiser of MI9 and the first Englishman to escape from Colditz Castle, had watched and listened over the months as the trials unfolded. Here, he describes the cowardice, calumny and in some cases bravado of the defendants – men he came to know and who in turn would become known as some of the most evil men in history. A milestone in international law, the Nuremberg trials prompted uncomfortable but vital questions about how we prosecute the worst crimes ever committed – and who is entitled to deliver justice. Challenging, poignant and incisive, this definitive eyewitness account remains indispensable reading today.

The Aliens Are Here Fraser A. Sherman, 2022-10-10 Aliens: They have taken the form of immigrants, invaders, lovers, heroes, cute creatures that want our candy or monsters that want our flesh. For more than a century, movies and television shows have speculated about the form and motives of alien life forms. Movies first dipped their toe into the genre in the 1940s with Superman cartoons and the big screen's first story of alien invasion (1945's *The Purple Monster Strikes*). More aliens landed in the 1950s science fiction movie boom, followed by more television appearances (*The Invaders*, *My Favorite Martian*) in the 1960s. Extraterrestrials have been on-screen mainstays ever since. This book examines various types of the on-screen alien visitor story, featuring a liberal array of alien types, designs and motives. Each chapter spotlights a specific film or TV series, offering comparative analyses and detailing the tropes, themes and cliches and how they have evolved over time. Highlighted subjects include *Eternals*, *War of the Worlds*, *The X-Files*, John Carpenter's *The Thing* and *Attack of the 50-Foot Woman*.

The Complete Aliens Omnibus: Volume One (Earth Hive, Nightmare Asylum, The Female War) Steve Perry, Stephani Perry, 2016-01-19 Classic original fiction set in the Alien world, featuring *Earth Hive* by Steve Perry, *Nightmare Asylum* by Steve Perry and *The Female War* by Steve Perry and Stephani Perry. *Earth Hive*: Wilks was a space marine with a near-fatal flaw: he had a heart. Billie was a child, the only survivor of a far-flung colony outpost. Thrown together in the last hellish night of an alien invasion, Billie and Wilks helped each other get out alive. Thirteen years later Wilks is in prison, and Billie lives in a mental institution, the nightmare memories of the massacre at Rim seared into her mind. Now the government has tapped Wilks to lead an expedition to the aliens' home planet to bring back a live alien. But the competition on Earth to develop the aliens as a new weapons system is brutal. When Wilks's team departs on their mission, a trained assassin trails them. And what follows is no less than guerrilla warfare on the aliens' planet--and alien conquest on Earth! *Nightmare Asylum*: Wilks, Billie, and Bueller were the last survivors of a devastating assault on the aliens' home planet. But once their return to the solar system made them refugees once more, fleeing Earth and its alien infestation in a desperate attempt to stay alive. Now, in an otherwise unmanned military transport, they hurtle through space. Destination: unknown. Little do they know that the cargo they carry with them is a legacy of death that they will ultimately have to face. Nor do they know that they head toward a remote colony and military outpost. This pocket of humanity at the very edges of space is at the mercy of a general names Spears with an agenda all his own. Now Billie, Wilks, and Bueller face a new nightmare, and it is nothing they could ever have imagined: a gift of madness from an alien world, unbalanced mind, and the experiences of a mysterious pilot named Lieutenant Ellen Ripley. *The Female War*: Lieutenant Ellen Ripley awoke from her long journey in space with a hole in her memory and an overwhelming drive to survive. When she meets Wilks and Billie, two battered veterans in the war against the aliens she realizes she's found two comrades in arms--and she's ready to take up the fight. Only then does she discover the devastating secret that lurks behind her long sleep. When she, Wilks, and Billie prepare to meet the aliens head-on to turn a powerful alien queen against her spawn in a battle intended to save Earth, that secret becomes her greatest weapon--and her greatest liability. As the fate of Earth hangs in the balance, Ripley and Billie must come to terms with what it means to be an alien . . . and what it means to be human.

Satan Exposed William P. Payne, 2019-07-16 Spiritual warfare is not a church fad. Rather, it is the rediscovery of biblical Christianity. Furthermore, one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare. In truth, spiritual warfare permeates the entire Bible. When one learns to read the Scriptures through the lens of spiritual warfare, one will discern the mission of God, understand the kingdom of God, and be able to participate in the work of God. As a professional theologian, seminary professor, and spiritual warfare practitioner, Bill Payne believes that the church will not make disciples of all nations (Matthew 28:18-20) until it operationalizes what the Bible teaches about spiritual warfare. As it

orients the reader to the spiritual warfare mandate, Satan Exposed tackles the difficult passages of Scripture. In short, this book will change how you read the Bible, how you understand reality, and how you do ministry.
