Uncomfortable Conversations with a Black Man Emmanuel Acho,2020-11-10 INSTANT NEW YORK TIMES BESTSELLER An urgent primer on race and racism, from the host of the viral hit video series “Uncomfortable Conversations with a Black Man” “You cannot fix a problem you do not know you have.” So begins Emmanuel Acho in his essential guide to the truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. “There is a fix,” Acho says. “But in order to access it, we’re going to have to have some uncomfortable conversations.” In *Uncomfortable Conversations With a Black Man*, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural appropriation, and “reverse racism.” In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader’s curiosity—but along the way, he will galvanize all of us to join the antiracist fight.

The Tools Phil Stutz,Barry Michels,2012-05-29 NEW YORK TIMES BESTSELLER • Change can begin right now. Learn to bring about dynamic personal growth using five uniquely effective tools—from psychotherapist Barry Michels and psychiatrist Phil Stutz, subject of the Netflix documentary *Stutz*. “These tools are emotional game changers. They do nothing less than deliver you to your best and most powerful self.”—Kathy Freston, author of *Quantum Wellness* The Tools offers a solution to the biggest complaint patients have about therapy: the interminable wait for change to begin. The traditional therapeutic model sets its sights on the past, but psychiatrist Phil Stutz and psychotherapist Barry Michels employ an arsenal of techniques—“the tools”—that allow patients to use their problems as levers that access the power of the unconscious and propel them into action. Suddenly, through this transformative approach, obstacles become new chances—to find courage, embrace discipline, develop self-expression, deepen creativity. A dynamic, results-oriented practice, The Tools aims to deliver relief from persistent problems and restore control and hope right away. Every day presents challenges—big and small—that the tools transform into opportunities to bring about bold and dramatic change in your life. Stutz and Michels teach you how to: • Get Unstuck: Master the things you are avoiding and live in forward motion. • Control Anger: Free yourself from out-of-control rage and never-ending grudges. • Express Yourself: Learn the secret of true confidence and find your authentic voice. • Combat Anxiety: Stop obsessive worrying and negative thinking. • Find Discipline: Activate willpower and make the most of every minute. With The Tools, Stutz and Michels allow you to realize the full range of your potential. Their goal is nothing less than for your life to become exceptional—exceptional in its resiliency, in its experience of real happiness, and in its understanding of the human spirit.
