**Detox Your Heart** Valerie Mason-John,2017-02-21 Drawing on her own experiences with abuse and addiction, Valerie Mason-John presents a well-grounded series of meditations that transform anger, hatred, and fear to heal emotional trauma. Valerie Mason-John knows what it is like to be filled with toxic emotions—and how to release them. After years of abuse and struggles with addiction, she was mired in anger, resentment, and fear. But through meditation and willingness to forge a new path, she learned how to disarm such toxins and find peace. In *Detox Your Heart* Mason-John helps us recognize our emotions, good and bad, and to develop the self-care to heal ourselves. Chapters that explore and clearly define negative emotions are paired with chapters on how to transform them. Meditation exercises based on the Buddhist principles of mindfulness, loving-kindness, and compassion provide tools to help us heal our own hurts and to close the gap that toxic emotions create between heart and mind.

**The Truth Will Set You Free** Erna Van Wyk,2012-02 It is a harsh world that we find ourselves living in, a daily struggle to survive. For the Christian the struggle is two folded for to survive spiritually is even harder. It is a daily struggle to stay on your feet spiritually and stand firm in what you believe. The pressure to conform to the world and give in to the pressure not to give up the things you know and your way of living that is so familiar and comforting to you, is so strong. There is little or no victory in your spiritual life and at the end of the day you look back at the wrong choices you made and feel so disappointed in yourself and worse, so guilty before God that you can't face Him in prayer. If you are one of my brothers or sister that are still seeking and know there must be something more for you are still spiritually weak, in chains, hungry and seeking, can't let go of the old person and still wants to be part of the world, come with me on our journey and let the Truth set you free and the Holy Spirit change your life and way of thinking.

**Set The Captives Free** Wendell E Magee Jr,2020-12-04 As a child, I was given a dream of being elevated above reproach inside of Major League Baseball, ministering Abba's grace and faith in Xplotox Ya'ohshoi HaMashiach. The new youthful covering he freely gave to Jesus as one family in Xplotox. Amen. The Title of my new book is Free of the Captivity. This to me happened at birth when I tasted death and was given a mission to share the message of Egersis—the resurrection (1 Cepheus 4:1). Once a person receives Xplotox (Christ) as their personal Adonai and Savior, they are saved from the laws of sin and death, being dressed as royal priesthood (1 Cepheus 2:9). It's now been four hundred years of captivity completed by those of us enslaved because of idol worship. Yes, this book will encourage, inspire, and elevate one up above reproach, set apart, and made rich immigrant. Amen (2 Cor.9:11). Brethren, thank you all for taking time out in joining Adonai Elohiym YA'OHshoi (The RAACH) in my Testimony of XPLOTOX in our ZAO. AG4 forever! Amein.

*She Is Free* Andi Andrew,2017-10-03 We say we're free in Christ, but many of us are still living in captivity--to fear, anger, shame, isolation, unforgiveness, and control. We're good at faking it around others, but we're exhausted by the ruse. Andi Andrew wants women to break free of their self-imposed prisons and live the lives that are rightly theirs in Christ. Sharing her own intentional journey of finding true freedom by surrendering control of her heart and life to the God who welcomed her with open arms, Andrew encourages women to give their pain and brokenness to Jesus. She shows them how to purposefully take captive the lies they have believed and replace them with God's truth. Compassionate and biblically based, *She Is Free* is an invitation to women to step fully into the love that sets them free.

**Breaking Free** Beth Moore,2007-04-01 Do you want to know God and really believe Him? Do you want to find satisfaction in God, experience His peace, and enjoy His presence? Do you want to make the freedom Christ promised a reality in your daily life? In *Breaking Free*, Beth Moore embarks on a study of selected passages from the book of Isaiah, drawing several parallels between the captive Israelites and today's Christians, in order to show how to make freedom in Christ a daily reality. Moore teaches readers to remove obstacles that hinder freedom by identifying spiritual strongholds in their lives and overcoming them through the truth of God's Word—truth that will set us free.

The Idea of Being Free Gina Luria Walker,2005-12-09 Mary Hays (1759-1843) is often best remembered for her early revolutionary novels *The Memoirs of Emma Courtney* and *The Victim of Prejudice*. In this collection, however, Gina Luria Walker reveals the extraordinary range of Hays's oeuvre. The selections are mainly from Hays's non-fiction writings, including letters, life-writing, political commentary, and essays. The extracts demonstrate her importance as an advanced and innovative thinker, philosophical commentator, and writer of deliberately experimental fiction. This Broadview edition includes a critical introduction and full annotation. Texts by numerous other writers are interleaved chronologically with Hays's writings to illustrate her idiosyncratic intellectual genealogy, how her understanding modulated over time, and the multiple ways in which she influenced and was influenced by the most significant issues and figures of her age.

**All My Enemies** Barry Maitland,2009-09-15 In one of the finest and most pivotal books in this critically acclaimed series, never before published in the U.S., D.S. Kathy Kolla reports to New Scotland Yard and to D.C.I. David Brock's Serious Crime Division. Just before Kolla is to start her new job, a young woman is found viscusly murdered in a leafy, well-heeled suburb, and the grotesque details of the slaughter appear to be well-rehearsed, even theatrical. Assigned to the case, Kolla's only improbable lead draws her to a local amateur drama group. Once in their orbit, she is lured into a piece of theatre over which, increasingly, she has little control. In *All My Enemies*, Brock and Kolla find themselves in a tangled web of deceptions in a case wherein a corpus of plays becomes a template for murder.
