Living Allergy Free M. Eric Gershwin,Edwin L. Klingelhofer,2013-03-07 In this commonsense book, Dr. Gershwin and Dr. Klingelhofer offer sensible, practical strategies for identifying the substances that cause allergies (allergens), the symptoms they cause, ways exposure to allergens can be avoided or reduced, and ways you can relieve the symptoms. Living Allergy Free also treats some reactions that are commonly assumed to be allergies, but are really sensitivity or irritant reactions, shows how they can be distinguished from true allergies, and tells you what to do about them. If you suffer from allergies-or if you think you do-Living Allergy Free is just what the doctor would order!

Dr. Psenka's Seasonal Allergy Solution Jonathan Psenka,2015-03-03 Recent studies show that the number of people suffering with seasonal allergies has been skyrocketing and is expected to continue increasing into the foreseeable future. And in the United States alone, 65 million people suffer with seasonal allergies on a regular basis. In Dr. Psenka's Seasonal Allergy Solution, author and naturopathic physician Dr. Jonathan Psenka tells readers they can--and should--aim for a cure. Readers will discover how people often attempt to manage the symptoms of their seasonal allergies with pills, sprays, drops, and even painful shots. But very few of these medications treat the cause, so symptoms are likely to return year after year. Dr. Psenka has developed a highly detailed, fourstep plan, so readers will finally target the root cause of their seasonal allergies and be free of allergy medication. By following Dr. Psenka's advice on how to use natural remedies before, during, and after allergy season, readers can finally wave good-bye to their pesky runny noses and scratchy throats.

The 7-Day Allergy Makeover Susanne Bennett,2014-03-04 A top allergy specialist provides a simple holistic program that helps a broad range of allergy sufferers heal themselves naturally. THE 7 DAY ALLERGY MAKEOVER is written for people who want to take an active role in their own healing. The book lays out action-oriented, step-by-step instructions on uncovering the root cause of allergies, and makes simple but specific changes that can stop allergy symptoms from recurring. What began as a mother's desperation to save her son has led to a comprehensive program that helps a broad range of allergy sufferers heal themselves naturally. As an allergy specialist, Dr. Susanne Bennett sees roughly 100 patients a week, from children to movie stars. They come to her after exhausting every resource: doctors, medicines, creams, shots, you name it. They suffer from hives, sneezing, headaches, asthma, muscle aches, swelling and digestive problems, and more. THE 7 DAY ALLERGY MAKEOVER, based on 23 years of Dr. Bennett's clinical experience, is an easy-to-implement and transformational plan for eliminating allergies from your life forever. Each chapter in THE 7 DAY ALLERGY MAKEOVER focuses on a different aspect of health and environment for a person suffering from allergies--nutrition, air quality, living environment, water, body hygiene, and emotional and mental stresses.

Living with Allergies Emma Amoscato, 2019-05-30 “There is something in this book for any stage of life with allergies, be it a new allergy parent, a newly diagnosed adult, or even your allergic teen.” —Allergy Girl Eats An allergy diagnosis can be overwhelming and life changing but this book brings together all the in-depth information and practical tips you need. It includes interviews with the country's leading allergy experts, advice from people living with allergies and has been endorsed by Allergy UK. *Living with Allergies* provides insight into each allergic condition, how to cope at different life stages and information on diagnosis, treatment and everyday management. It also includes tips the doctors don't tell you: How do you manage allergy anxiety? How do you keep your child safe at school? How can you travel abroad with allergies? This book will help you learn how to live with allergies in a proactive and positive way. “An excellent resource, I will be recommending it to my patients.” —Dr. Adam Fox, consultant pediatric allergist “The first comprehensive book ever on allergy.” —Amena Warner, clinical director, Allergy UK “A thorough guide about allergic conditions without unintelligible medical terms or sounding like a lengthy technical pamphlet . . . This book is not about living in fear of allergies or merely surviving; it's all about thriving in spite of allergies.” —Le Coin de Mel “An all-encompassing approach to allergies . . . The information within is factual, practical and possible to follow with ease . . . I defy anyone to read this book and not learn something new, giving them a wider perspective of the allergy world, its intricacies and challenges.” —Glutarama

Food Allergies Kevin Hillstrom, 2012-06-12 Some food allergies are deadly, making this health topic a must-know. The most common food allergies are discussed in detail, as are the physical effects of food allergies, including mild and severe reactions. Readers will learn how people with food allergies stay safe and avoid ingredients they are allergic to, and how food allergies are treated. Doctors, researchers, and people living with food allergies are quoted throughout the text and full source citations are provided. Lists of sources for further research, including organizations to contact, are also included, along with a glossary and detailed subject index.

What You Must Know About Allergy Relief Earl Mindell, RPh, MH, PhD, Pamela Wartian Smith, 2016-08-10 When most people have allergies, they know it. Symptoms come quickly and can range from mild reactions like sneezing and itching to severe, often debilitating effects like anaphylaxis. Millions of others, however, suffer from allergies and don't even know it. Allergies and intolerances are often the hidden culprits that lie at the heart of a number of health conditions. If you are an allergy sufferer or have a recurring health issue that you can't seem to resolve, *What You Must Know About Allergy Relief* is the book for you. Written by a pharmacist and medical doctor, it provides important answers to the most common questions about allergies—what causes them, how they can affect your health, and most important, what you can do to overcome them. Written in a clear, reader-friendly style, this book is divided into three parts. Part One presents an overview of the causes of allergic conditions as well as their most effective treatment methods—both conventional and alternative. It also addresses the growing epidemic of food and environmental allergies, especially among children. Part Two offers sound advice and practical tips for dealing with asthma, skin conditions, and other allergic reactions both at home and in the workplace. It provides helpful tips for allergy-proofing your home, minimizing allergic reactions to pets, and knowing how best to prepare when traveling. In Part Three, the authors provide a comprehensive guide to anti-allergy medications, supplements, and other treatment options. Beautifully written, easy to understand, and up-to-date, *What You Must Know About Allergy Relief* offers the tools to identify hidden allergies as well the means to relieve their symptoms. With this book in hand, you can make the informed decisions you need to restore your health.

The End of Food Allergy Kari Nadeau MD, PhD, Sloan Barnett, 2020-09-29 A life-changing, research-based program that will end food allergies in children and adults forever. The problem of food allergy is exploding around us. But this book offers the first glimpse of hope with a powerful message: You can work with your family and your doctor to eliminate your food allergy forever. The trailblazing research of Dr. Kari Nadeau at Stanford University reveals that food allergy is not a life sentence, because the immune system can be retrained. Food allergies--from mild hives to life-threatening airway constriction--can be disrupted, slowed, and stopped. The key is a strategy called immunotherapy (IT)--the controlled, gradual reintroduction of an allergen into the body. With innovations that include state-of-the-art therapies targeting specific components of the immune system, Dr. Nadeau and her team have increased the speed and effectiveness of this treatment to a matter of months. New York Times bestselling author Sloan Barnett, the mother of two children with food allergies, provides a lay perspective that helps make Dr. Nadeau's research accessible for everyone. Together, they walk readers through every aspect of food allergy, including how to find the right treatment and how to manage the ongoing fear of allergens that haunts so many sufferers, to give us a clear, supportive plan to combat a major national and global health issue.
