**The Story of Paris** Thomas Okey,2022-11-21 The Story of Paris is a historical work by Thomas Okey. Okey was an author, translator and expert in architecture, here taking a thorough chronological look at the city's history and legendary locations. Excerpt: Two epoch-making developments—the creation of Gothic architecture and the rise of the University of Paris—synchronise with the period covered by the reigns of Philip Augustus and St.

Louis, and may now fitly be considered. The memory of the Norman terror had long passed from men's minds. The Isle de France had been purged of robber lords, and with peace and security, wealth and population had increased. The existing churches were becoming too small for the faithful and new and fairer temples replaced the old: the massive square towers, the heavy walls and thick pillars of the Norman builders, blossomed into grace and light and beauty. Already in the beginning of the twelfth century the church of St. Denis was in urgent need of extension. On festival days so great were the crowds pressing to view the relics, that many people had been trodden under foot, and Abbot Suger determined to build a larger and nobler church. Great was the enthusiasm of the people as the new temple rose. Noble and burgess, freeman and serf, harnessed themselves like beasts of burden to the ropes and drew the stone from the quarry. A profound silence reigned, broken only by the murmur of those who confessed their sins when a halt was made. A trumpet sounded, banners were unfurled, and the silent host resumed its way. Arrived at the building the whole multitude burst forth into a song of praise. All would lend their[Pg 85] aid in raising the new house of God and of His holy martyrs, and the burial-place of their kings. In 1161 Maurice de Sully, a peasant's son, who had risen to become bishop of Paris, determined to erect a great minster adequate to the demands of his time. The old churches of Notre Dame and of St. Stephen[58] and many houses were demolished, and a new street, called of Notre Dame, was made.
