Changing the Game Jim Host, 2020-02-24 Many Kentuckians and fans of intercollegiate athletics are familiar with the name Jim Host. As founder and CEO of Host Communications, he was the pioneer in college sports marketing. Host's prevailing innovation in collegiate sports was the concept of bundled licensing, which encouraged corporate partners to become official sponsors of athletic programs across media formats. Host and his team developed the NCAA Radio Network and introduced what became known as the NCAA's Corporate Partner Program, which employed companies such as Gillette, Valvoline, Coca-Cola, and Pizza Hut to promote university athletic programs and the NCAA at large. Host was involved with the construction of Rupp Arena, the Kentucky Horse Park, and the KFC Yum! Center. But few know his full story. *Changing the Game* is the first complete account of the entrepreneur's professional life, detailing his achievements in sports radio, management, and broadcasting; his time in minor league baseball, real estate, and the insurance business; and his foray into Kentucky politics, including his appointments under governors Louie B. Nunn and Ernie Fletcher. This memoir provides a behind-the-scenes look at the growth of big-time athletics and offers solutions for current challenges facing college sports.

Saudi Arabia Sherifa Zuhur, 2012-01-05 This book describes all aspects of Saudi Arabia, including its government, economy, society, and culture, as well as its role in the Middle East and its position internationally. In this comprehensive introduction to the Kingdom of Saudi Arabia, author Sherifa Zuhur reveals the fascinating people, culture, politics, and economic development of the largest Arab country of the Middle East. The book provides a detailed summary of Arabian history from the earliest settlements on the Arabian peninsula to the present day, with a focus on the rise of the current Saudi regime. It provides essential background on the oil politics of the Kingdom dating back to the discovery of oil in the late 1930s, an account of Saudi Arabia's subsequent economic advancement, and explanations of emerging societal issues such as labor importation and the changing roles of women. Saudi Arabia also details the Kingdom's cultural and religious milieu, including its music, poetry, architecture, legal system, and prominence in

the Islamic world.

Humans, Horses and Events Management Katherine Dashper,Guðrún Helgadóttir,Ingibjörg Sigurðardóttir,2021-03-12 Horses are perhaps the most common non-human animal to feature in planned events, but although there is considerable research on equestrian sport, there is virtually none on equestrian events. This book begins to address this gap, using the National Championships of the Icelandic Horse as an extended case study to explain in depth the process of managing an event, as well as the larger theoretical implications of events management. Drawing on diverse viewpoints and theoretical perspectives, the book draws wider comparisons to connect events management to larger themes in the social sciences, such as human-animal relations; nationalism; place branding; event impacts; event experience; and inclusion and exclusion. The book is a contribution to two fields. In relation to human-animal studies, it focuses on how the Icelandic horse breed is marketed and celebrated through top-tier competition; whereas from an events management perspective, it considers the role of the event in community building, the practical and theoretical aspects of running a sustainable equestrian event, and the issues that arise in multispecies event contexts.

Violence against Women in Kentucky Carol E. Jordan, 2014-06-03 For more than two centuries, Kentucky women have fought for the right to vote, own property, control their wages, and be safe at home and in the workplace. Tragically, many of these women's voices have been silenced by abuse and violence. In *Violence against Women in Kentucky: A History of U.S. and State Legislative Reform*, Carol E. Jordan chronicles the stories of those who have led the legislative fight for the last four decades to protect women from domestic violence, rape, stalking, and related crimes. The story of Kentucky's legislative reforms is a history of substantial toil, optimism, advocacy, and personal sacrifice by those who proposed the change. This compelling narrative illustrates, through their own points of view, the stories of survivors who serve as inspiration for change. Jordan analyzes national legislative reforms as well as the strategies that have been used to enact and enforce legislation addressing rape and domestic violence at a local level. *Violence against Women in Kentucky* is the first book to look at the history of domestic violence and rape in a state that consistently falls at the bottom of women's rights rankings, as told by the activists and survivors who fought for change. Detailing the successes and failures of reforms and outlining the work that is still to be done, this volume reflects on the future of women's rights legislation in Kentucky.

Dressage for the Not-So-Perfect Horse Janet Foy, 2012-08-01 Tens of thousands of riders pursue the sport of dressage in North America, and the majority do so on a budget and with the horse they already have—or quite simply, the one they can afford. This means riders are facing the challenge of mastering one of the world's most esteemed equestrian events on horses that may not be bred specifically for the task, or even if they have been, may not be top prospects for any number of reasons. International dressage judge, clinician, and riding coach Janet Foy has ridden many different horses—different sizes, colors, and breeds—to the highest levels of dressage competition, and now she has compiled her best tips for training and showing in one highly enjoyable book. Her expertise, good stories and good humor are destined to bring out the best in dressage riders and their not-so-perfect horses everywhere.

Dancing Around the World With Mike and Barbara Bivona Bivona Michael Bivona, 2009-12 From Buenos Aires to Paris to New Orleans, Mike and Barbara Bivona have traveled and danced throughout the world. And in this memoir and travelogue, these two dance aficionados share their adventures and experiences. Ballroom dancers for more than twenty years, the Bivonas have traveled extensively while honing their dancing skills and meeting fellow dancers. *Dancing Around the World with Mike and Barbara Bivona* provides detailed accounts of their experiences in Argentina, Paris, Hawaii, Italy, the Catskill Mountains of New York, the Caribbean, and South Florida, as well as other destinations. This account not only includes dancing details, but also shares the history and flavor of the exciting locales they have visited. Augmented with photographs, *Dancing Around the World with Mike and Barbara Bivona* also includes background information on the art of ballroom dancing, a few dance lessons, biographies of select dancers who have performed on the television show *Dancing with the Stars*, current ballroom dancing philosophy, and information about the intellectual benefits gained from dancing.

Modern Eventing with Phillip Dutton Phillip Dutton, 2013-10-01 This fabulously illustrated book covers training, conditioning, and competing in all three phases of events: dressage, cross-country, and show jumping. In addition, Dutton includes full chapters describing the special needs of the event horse, with tips and advice from the top experts who make up his internationally respected eventing team—his groom, his farrier, and his veterinarian. You'll find guidance in everything from daily maintenance to braiding and turnout, and from hoof care and studs to common health issues and vet box care of your horse during competitions. With tips for finding the right event prospect, whatever your level of experience, as well as Dutton's own schooling exercises, both on the flat and over fences, the book promises to give you the leg up you need for a safe and confident start in the sport.
