Two Alphas, One Omega Anna Wineheart,2018-05-06 A lonely omega. An ageing alpha. Valen's an alpha, too, and he wants them both. Sam Brentwood had everything... and he's lost it all. At eighteen, he left the love of his life. At nineteen, he miscarried Valen's baby. These days, Sam's hidden his heart away, working multiple jobs to afford a house. Valen Tolstoy has a secret-two, actually. One: he's never stopped missing his omega. Two: he's dating the station's second-in-command. Harris is two decades older than Valen, richer and better than Valen can possibly be. Sooner or later, Harris will realize Valen's not worth hanging around, and he'll leave. Ten years ago, Harrison Fields lost his family. Afraid of risking his heart with another omega, he's tumbled into bed with someone just as risky-his subordinate, the fire chief's son. But Valen is young, rough, and they don't always get along. So Harris hires a private instructor, hoping to tighten their relationship. To Valen's shock, the chef Harris hires... is the omega who left him, the only omega he's ever loved. Worse, Sam's in heat, and it flings Valen into a rut. When the embers from their steamy night cool, Sam discovers that he's pregnant with Valen's child. Afraid of a relationship, he tries backing away-only to find that the two alphas he met... won't let him go.

Evan's Alphas D. J. Heart,2015-11-02 Having decided to make omega rights activism his new career, Chad jumps in head first... though not everyone appreciates his efforts.

Evan's Alphas D. J. Heart,2017-06-02 Having decided to make omega rights activism his new career, Chad jumps in head first... though not everyone appreciates his efforts.***Who is your alpha? Peter asks, walking closer. Chad takes an involuntary step back, Peter's word infused with the full authority of his dominance. It feels like he can't breathe. You are, Chad says, forcing the words out. Peter grins, proud and possessive. And are you going to be good for your alpha?Peter grabs Chad's chin, tilting his head up, squeezing Chad's cheeks as they stand chest to chest. Chad tries to nod, too overcome to speak, but Peter's hold on his chin prevents it. Yes, alpha, he says, the words coming out like a moan. Good boy. Chad closes his eyes, surrendering to Peter's control. It feels amazing, like he can finally let go and relax. Peter will catch him no matter how hard he falls...

Alpha's First Omega: A Non Shifter Alpha Omega Mpreg Romance Aria Grace,2019-03-11 Rubin has been living at Omega House for longer than he cares to admit. He likes it there and doesn't have much ambition to move out. Still, it seems like everyone who comes into his life winds up leaving again, making it difficult to form lasting friendships. In order to meet new people, he decides to take a part time job at a local bar when he's not working at Omega House.Marius's job usually has him

feeling unstoppable, but his personal life has left him feeling vulnerable. As a straight alpha, he's never been interested in omegas...especially men. He's only dated women who were betas or alphas. But his last girlfriend wanted more of a commitment from him than he was willing to give, so he knew it was time to move on. Now that he's single, Marius is bored and lonely, so he's spending more time at local bars to find his next fling. When some rough customers assault Rubin in the alley behind the bar, Marius steps in to stop them, saving Rubin's life. And despite Marius's insistence that he's straight, it seems that he and Rubin were meant to be more than just passing acquaintances.

Alpha, Beta, Omega L. C. Davis, 2017-08-27 It's been four years since the tragedy that claimed the Mountain Ridge Alpha and Mel, the mutual mate of Alpha Hassan Amari and the beta Toval. As a mated Alpha-beta pair, Toval and Hassan have managed to defy the odds and come through tragedy stronger than ever, despite the shroud of secrecy that surrounds Mel's death. Strange letters from an impossible sender throw the fragile balance of their healing into question. Alphas are dying in Europe, and a group of omegas with a deadly mission has taken credit. They call themselves Epsilon, and they're hell-bent on overthrowing the hierarchical system that has ruled the shifter world for as long as anyone can remember. Meanwhile, the success of the European Council breeding program, known colloquially as the Futurus Initiative, has increased pressure on stateside Alphas to conform in order to save their dwindling population. Hassan and Toval's joint effort to fight the Initiative seems to have failed, but Epsilon has less peaceful methods in mind. One letter changes everything. The leader of Epsilon chooses Hassan and Toval to deliver his ultimatum: Abandon the initiative, or every pack Alpha in the Council will die. Toval and Hassan find themselves the unwitting messengers of this twisted message, pitted against a corrupt Council and a ghost of the past who will stop at nothing to get what he wants. Time will tell if their love can withstand this dangerous new alliance. This is book 10 of the Mountain Shifters Series and contains story elements that are meant to be read in the context of the events in the rest of the series. This work is meant for mature audiences only.

Trust No Alpha Wendy Rathbone, 2020-02-07 It's a world gone mad. The Alphas are out of control. When you discover you're not who you thought you were, the nightmare begins. KRIS At age eighteen, life as he knows it is over for Kris. A secret to his nature he was not aware of has been revealed. Now, kept as a prisoner in a locked room in the mansion of his wealthy father, Kris is at the mercy of Alpha laws and Alpha domination. Things take a turn for the worse when his own litter mate threatens him, and his father starts behaving strangely around him. Escape is his only hope. But where can he go in a world that allows him no rights? THORNE Marked as a dangerous Alpha, and living a

secluded life alone and unloved, Thorne still grieves for the mate whose death he feels responsible for. Years have passed, and he refuses to even try to function in normal society. One day he discovers a young man on his property, disheveled, desperate, and scared. He acts like a runaway Omega, but he doesn't smell like one. What is this boy? And why does Thorne feel an immediate need to protect him? To bond him? To make him his? A non-shifter, Omegaverse love story of rescue, first time, fertility issues and an HEA. Standalone read. 65,500 words. (While Omegas are birth-fathers in this universe, there is no on-page mpreg in this book.)

Best Laid Plans E. M. Denning, 2019-03-13 In a world where omegas rule, alphas must provide. Maxwell Moore is a successful omega who loves his job as CEO of his family's automotive company. After successfully navigating the company through an economic slump, he wants nothing more than to keep doing what he loves, but his alpha brother, Howard, has other plans. Faced with the threat of a forced marriage he doesn't want, Maxwell comes up with a plan. Diagnosed as infertile when he was a teen, Chase Grant is a lonely, unmatched alpha with no hope of having the life he's always wanted. Working a menial, but fulfilling job at an animal shelter, he doesn't expect things to change for the better. When he's approached by a dashing older omega with a mutually beneficial proposal, Chase can't think of a single reason to say no. Weeks turn into months and feelings develop between the two men, proving love knows no bounds and fate yields to no one. When an unexpected development turns their world upside down, Max and Chase come together, only to find their separate goals are now the same and they must work together to save the life they've built and make their dreams come true. *Best Laid Plans* is set in Star Valley, a fictional omegaverse where centuries of power struggles have seen the omegas come out on top. Alphas still provide, but it's the omegas who call the shots. This book also contains a little angst, a fetch-loving canine, a dash of mpreg, and some naughty knotting.

The Devoted Alpha Susi Hawke, 2021-03 An awkward, traumatized omega and a patient alpha determined to court him properly... fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, Tom spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A dozen omegas, each with a secret superpower, who now must learn a whole new skill-how to thrive in a modern world. Not every brother emerged from their past unscathed, and Tom had the worst of it. His key to survival was a healthy respect for rules. Now that he's free, he's still a little bit obsessive and a whole lot compulsive. He's got anxiety, fear of change... and a list of plans for his future. None of which involved finding a fated mate. But if they had? His

plans definitely wouldn't have been to meet his dream alpha while smelling of afterbirth and the blood of an enemy killed in defense of his pregnant brother-the same brother whose child he then had to deliver... post-shift and naked. If he'd been planning, if he'd made a list and checked it twice, Tom never could've designed an alpha more perfectly devoted than the delicious one fate put in front of him during one of the craziest days of his life... an alpha so patient, he insists on courting the skittish omega. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 85k full-length novel is Nick's story. Prepare yourself for a romantic courtship, a perfect first kiss, and more feels and giggles than you can handle. But then again, this is a Susi Hawke book so what else can you expect? Possible triggers for child abduction, trafficking both past and present, and haunting memories of past abuse that included both humiliation and the non-penetrative molestation of a teenager by a person in authority.

The Defiant Alpha Susi Hawke,2021-01-04 An unwanted alpha and omega long-presumed dead... fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, Thirteen has spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A few have disappeared over the years, but twelve remain. An even dozen omegas, each with a secret superpower. Working together under the light of the full moon, their combined gifts help Thirteen escape-he's their only hope of finding outside help to rescue them all. Except Thirteen is injured and nearly dies as he flees into the night. Collapsing on the side of a desert highway with the sound of a rumbling motorcycle in his ears, Thirteen is sure all hope is lost. Until it's not... Found by his true mate, Thirteen is saved-and mated-before the full moon begins to wane. Buckle in for a heart-filled adventure. Omegas are rescued, babies are made, a pack finds its heart, and a birth family is reunited with the one miracle they never could've dared imagine possible. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. The second in series, this 50k full-length novel is Lucian's story. Prepare yourself for a few tissue moments, lots of laughter, and a birth scene you won't soon forget. But then again, this is a Susi Hawke book so what else can you expect? Possible trigger for child abduction, betrayal from a medical provider, and off-page mention of stillbirth.

His Alpha Preston Walker,Liam Kingsley,2018-04-03 Wolves and alpha and omegas GALORE! In the mood for some quick, pulse-pounding, clothes-tearing gay mpreg shifter action? How about ELEVEN brilliant short stories from Preston Walker and Liam Kingsley? These juicy shorts are all bite-

sized, but WAY more than a mouthful. Sink your fangs into these tempting treats tonight... Alpha Reclamation Wood Working Alpha Three's A Crowd Hunger Alpha's Chase Mending Malcolm Grayson's Cause Alpha Claim His Alpha An Omega's Touch Breaking The Rules You know the drill... Preston and Liam write some intensely passionate scenes, so pull down the shades and lock the doors!

The Alpha's Beautiful Mate Vicktor Alexander,2014-12-07 Kevin Stiles is a beautiful man. He's been told that his entire life. From his long black hair to his big, blue eyes and tight compact body he's wanted by both women and men. And for the most part he has used his looks to his advantage. He was a child model and now he's a supermodel. He has two homes and regularly takes luxury vacations. It is on one of these mental health vacations that Kevin finds out that the world he lives in is filled with more than just the pretty and those who want to be pretty. There are things that go bump in the night and Kevin discovers that when one of them, the biggest wolf he's ever seen in his life, attacks him on the beach of Barbados and bites him... hard. Fitzgerald Beacham is the alpha of his pack. He's big, strong, and scary in both his wolf and his human form. And though the scars on his face and body are intimidating in his shifter form, on his human face they're just... ugly. He knows that when he mates a female from the pack to continue the line she'll be mating his power and position and not him and he's fine with that, until he scents his true mate on the beach. Now Fitzgerald has to convince Kevin to stay with him in Barbados in spite of their rocky start because now that they've bonded he'll die without his mate... literally. And there's someone out there who knows that and is determined to use it to their advantage.

Dynamic Duos Keith W. Swain,2008 Many men find that a partner starts out as Superman - and something happens along the way to transform him into Lex Luthor. Now this revolutionary guide reveals the way to create gay relationships of amazing power and durability. Psychologist Swain uncovers the effective ways readers can find to connect with their lifelong partner, reveals solutions to problems that occur in most gay relationships and details hundreds of ways to put the 'pow' in their relationships.

Alpha's Submission Nora Phoenix,2018-05-25 Four men, brought together by fate, connected in more powerful ways than they'd ever imagined. Lidon, Vieno, Palani, and Enar are finding their way in their complicated relationship. For Vieno, it's easy. He thrives in the care of his men, taking his place as their omega and focusing on rebuilding the ranch. For Enar, it's a lot harder to find his role...and himself. His struggles to accept himself and his place in the relationship create tension between him

and his mates. Palani keeps digging into the Melloni gene and the fraud case Lidon alerted him to. His investigation reveals a conspiracy that is bigger than any of them expected, and it endangers them all. Lidon discovers powers he never knew he possessed. When his mates and his home are threatened, he steps into a legendary identity. With the help of new friends that become family, Lidon vows to protect what's his. Alpha's Submission is an MMMM mpreg romance and the second book in the Irresistible Omegas series. It is not a stand-alone but continues the story from the first book. It ends with a HFN for our four men, but their storyline will continue in the next books.

The Omega's Alpha Ann-Katrin Byrde, 2017-04-13 Barren, unwanted-a lot of omegas would have given up. But not Holland. Tired of living down to other's opinions, he reaches for something more and seduces the new Alpha, only to fall so far in love he can't see the moon for the trees. Quin's ghosts won't leave him alone. He lives like a ghost himself, but Holland's shining light gives him courage to reach for healing and, maybe, a family. Except Holland has his own unhealed wounds and he refuses to mate, until disaster in another pack reminds them both how fragile life can be. From that disaster rises a new determination, and Quin and Holland set out to change their world. And through it all, the secret of the True Omega begins to unveil itself, bringing hope and fear in its wake.

Omega Academy Jules Finley, 2016-08-07 War has taken everything Bryce Tilden loves, but he won't let it take away his hope. Giving himself, body and soul, to a man he's never met was never something Bryce thought he would do until he enlists in Project Alpha, the military's most secret operation to date. After all, Bryce is straight. No genetic modification is going to change that. But after a medical procedure goes wrong and he awakens as an Omega, there isn't any choice but to submit and serve at the side of a powerful Alpha unit. At first, Bryce is appalled- -until Jackson Henley walks into his life and awakens in him an inescapable bond that turns Bryce's whole world upside down. Jackson Henley is looking for an honorable way to die. Haunted by his traumatic past and without hope for the future, Jackson sees Project Alpha as the death sentence he craves. Trained to be the ultimate warrior, he knows he'll risk it all on the front lines, and with his upcoming match to an Omega unit imminent, he hopes it won't be much longer before that risk turns to ruin- -until a chance encounter with an Omega he's forbidden to love awakens within him a protector who will do anything and everything to keep safe what belong to him. All it takes is one moment to change two lives forever. Drawn together by fate but kept apart by circumstance, can two souls made for one another overcome the obstacles separating them and turn the tides of war? Omega Academy is the first book in the Project Alpha/Omega series, and contains strong language, dark themes, MPreg, no cheating,

and a definitive HEA. Readers sensitive to topics such as attempted sexual assault and violence should exercise caution while reading.

On Our Mind Rachel Giora, 2003-05-22 How do we learn to produce and comprehend non-literal language? Competing theories have only partially accounted for the variety of language comprehension evoked in metaphor, irony, and jokes. Rachel Giora has developed a novel and comprehensive theory, the Graded Salience Hypothesis, to explain figurative language comprehension. Giora contends that the salience of meanings (i.e., the cognitive priority we ascribe to words encoded in our mental lexicon) has the primary role in language comprehension and production.

Alphaism Dragonfly Introduction

In today's digital age, the availability of Alphaism Dragonfly books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alphaism Dragonfly books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alphaism Dragonfly books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alphaism Dragonfly versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and

transportation. Furthermore, Alphaism Dragonfly books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alphaism Dragonfly books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alphaism Dragonfly books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alphaism Dragonfly books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes,

these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alphaism Dragonfly books and manuals for download and embark on your journey of knowledge?
