Return to Hope Creek Alyssa J. Montgomery,2024-04-01 When two old flames come back to their home town, sparks are bound to ignite. A rural romance from USA Today bestselling author Alyssa J. Montgomery. A horrific car accident ended former world number-one Stella Simpson's tennis career, and a betrayal ended her relationship with her fiancé/coach. When a family friend offers to sell her half of a property in the rural community where she grew up, it seems like the perfect place to escape, heal and begin the next phase of her life. Until she discovers that the man who broke her heart ten years ago has bought the other half of the same property. Mitchell Scott seemingly had it all: fame and fortune as one of the NFL's highest-paid quarterbacks, and a beautiful family. But wealth and celebrity can't compensate for a loveless, toxic marriage, and he's glad to give it all up to raise his son in the one place that always brought him peace. Encountering Stella again so long after the messy end to their relationship is a complication he doesn't need — but one he finds himself wanting. As each tries to build a new life, they are drawn to each other, and find that their chemistry is just as strong as it ever was. When the press gets wind of their romance and descend on Hope Creek looking for a scoop, Mitchell's malicious ex-wife isn't far behind. Will she tear apart everything they've built, or will their love be stronger the second time around?

Sofie's spent half her life being prim, proper, and reserved—as if that could bring her mother back—but the nonviolent protests happening across the South bring out her inner agitator. His family escaped from Europe before the horrors of WWII, and Ivan decides to help fight injustice in their new country, even if it goes against all his instincts as a fighter. When Ivan and Sofie meet, they realize that their pasts are intertwined and—with the sparks that fly between them—perhaps their futures will be too. With everything in their society lined up against them, will Sofie and Ivan be able to beat the odds? Or will their chance at love be destroyed by the tumultuous times they live in?

Acts of Mercy Eleanor Aldrick,2021-07-27 ALYSSA I'm f*cked. Broken down on the side of the road wasn't how I pictured my first stint with independence, and calling my mother to let her know I already need help is completely off the table. Throwing insult to injury, Mr. Tall Dark and F*ck Me has come to my rescue, strolling in like some Knight in shining armor. Hudson Maxwell, with his chiselled jaw and striking grey eyes looks under the hood of my car like some sort of Greek God, sent to test my will. His wicked mouth flirts with me, saying all the words any girl would want to hear. Especially me. He's been my unattainable crush. The man I could never have. But now? He doesn't know who I am, fully grown and far from the little girl he last saw. So as he continues his assault on my libido-unaffected by the rules that would keep us apart-I have to ask, do I stop this charade, or do I cave in and taste him just this once? HUDSON One moment is all it takes. One move to wreck your world. Alyssa Rogers, with her hypnotic green eyes and luscious lips, was that for me. The siren that sang me straight to my demise. I should've seen her for what she was. A trickster and a thief. But as the walls cave in, our forced proximity forcing us closer and closer, the answer becomes clear. Come hell or high water, Alyssa Rogers needs to go.
