The Picture Book of Movie Stars Sunny Street Books, 2019-07-25 This beautiful picture book with only a limited amount of large-print text is designed for people with Alzheimer's and other forms of dementia. If someone you love is finding it difficult or frustrating to read books but they still enjoy the calm, relaxing pleasure of turning the pages, this book is for them. This book can also be enjoyed by seniors with memory, eyesight, or strength challenges who find it difficult to hold a heavy book or read long paragraphs of text. Sitting down to thumb through this picture book with a loved one who has Alzheimer's or dementia is an activity that is calming at the same time it encourages interaction. Some of the most memorable things a person has experienced are the movies they've seen. FEATURES - Beautiful Content. This book contains carefully-curated, high-resolution photos depicting the glamour of Hollywood movie stars of the mid-20th century. - Minimal d104. The only text included in the book is the name of each movie star and a list of three of their most famous films. - Manageable Size. This is a 40-page, 6 x 9 softcover that's comfortable to hold and easy to tuck into a bag. - High Quality. The quality of this book's cover and its interior design are indistinguishable from books created for other readers. Just because the content of a book is simple and uncomplicated doesn't mean it has to be unattractive or childish. - Discreet Packaging. At no time is anything mentioned about Alzheimer's disease, dementia, or any other challenges the reader might be facing. This book can be given as a gift without fear that the recipient might feel embarrassed or offended, and the reader can feel comfortable sharing it with a friend. Look for the other titles in our Picture Book series featuring beautiful, high-quality images and minimal or no text: The Picture Book of Birds The Picture Book of Gardens The Picture Book of Butterflies The Picture Book of Natural Wonders The Picture Book of Christmas

**The Picture Book of Butterflies** Sunny Street Books, 2019-07-05 This beautiful picture book is designed for people with Alzheimer's and other forms of dementia. If someone you love is finding it difficult or frustrating to read books but they still enjoy the calm, relaxing pleasure of turning the pages, this book is for them. This book can also be enjoyed by seniors with memory, eyesight, or strength challenges who find it difficult to hold a heavy book or read long paragraphs of text. Sitting down to thumb through this beautiful picture book with a loved one who has Alzheimer's or dementia is an activity that is calming at the same time it encourages interaction. FEATURES - Beautiful Content. This book is filled with carefully-curated, full-color, high-resolution photos depicting the beauty and tranquility of butterflies. - No Text. The only text in this book is on the title and copyright page. - Manageable Size. This is a 40-page, 6 x 9 softcover that's comfortable to hold and easy to tuck into a bag. - High Quality. **I Can't Remember** Esther Strauss Smoller, 2010-06-21 I Can't Remember is an intimate photo essay of four families and their process of coping with Alzheimer's disease -- a process of coming to terms with the practical and emotional consequences of a disease that changes the entire family dynamic. Family members tell their stories of first denying that their loved one could be suffering from Alzheimer's, then dealing with the changing relationships among family members and the intensifying emotions, as old family troubles are stirred up and new feelings of despair and love appear. Photographs and personal narratives are woven together to show both the unpleasant and the beautiful sides of the struggle for connection between spouses and across generations. Smoller has a gift for capturing people as they interact, whether it's arguing around the kitchen table or dancing cheek to cheek. Each family's story is different, but all four families share common pain and frustration. A highway patrolman who has early onset Alzheimer's describes what it is like to have Alzheimer's. His wife tells a parallel story of life together after hearing the diagnosis. A daughter gives the following account of her mother: I thought that it would be helpful if mother spent time in my home in Colorado. Before this visit, I was in denial, convinced that she suffered from depression and not Alzheimer's disease. ... On the plane trip to Colorado, I was brought into the stark, cold reality that Mom had Alzheimer's. She did not know where she was or where she was going. Upon arrival, she did not recognize my home, although she had visited me numerous times in the past. She tried sleeping in the bathtub the first night. Another daughter relates that she was unaware of the onset of Alzheimer's in her mother, because her mother was such a wonderful actress. Eventually the memory problems were no longer confined to where things belonged in the kitchen, but extended into driving off at random, driving in circles in a parking lot in the middle of the night or as much as 75 miles away from home. I Can't Remember gives an intimate glimpse into the hearts and minds of caregivers and patients. Supportive social networks are essential for healthy life. This book provides the impetus caregivers need to develop contacts that can provide support. Smoller offers a glimpse of the frustration and losses faced by those who deal with Alzheimer's, as well as the potential to transcend those losses -- even is only for a time -- through love and hope.

A Gathering of Green Emma Rose Sparrow, 2015-02-13 A Gathering of Green: Picture Book for Dementia Patients, Seniors & Others (Level 2 Book). This is one of a series of picture books for dementia patients (or those with Alzheimer's), adults and seniors that have trouble reading. If your loved one is overwhelmed by 'normal' books but spry enough to feel offended with books labeled as dementia books or by being given a children's book, this is your answer. This book helps those who have a hard time reading in several ways: Each book in this series is themed around one color. A Gathering of Green has photos featuring beautiful green elements from around the globe. The reader will travel the world: From the lush green landscapes of Thailand, to the striking green feathers of the Broadbill bird; from sweeping green hills in Italy to a charming green telephone booth in Finland. Those with dementia, Alzheimer's or senior reading struggles can find joy in 'reading' a book that does not need for them to follow a story. \*The book is formatted to look like a 'real' book. It is designed for adults, without any child-like wording or features. This allows your loved one to feel proud to own it as part of their book collection. \* Neither the title nor any text on or in the book states that the book is for dementia or any type of memory/cognitive problems. It is truly concealed so that the reader is not insulted. \* This is a nice, good-sized 8.5 x 8.5 square book with 92 pages; it is big enough to really be able to take in the photos, without feeling 'huge'. The soft cover makes it easy to hold. This is not a heavy hard-cover, nor it is a 'board book' that seniors can find condescending. \*The short picture descriptions are in moderately large 16 px text. There are 1 to

3 short sentences per picture. Within each picture description, the word 'green' appears 1 time, to keep the reader on track. \* Each photo (and short text) is only located on the right page of this book. The reader can focus on one image at a time without distraction. Please note: This is a Level 2 book, which primarily focuses on being a book of photos, along with short accompanying text. If you are looking for purely a picture book without any text at all, please look to the Level 1 books; for 'easy-read' short stories, please look to Level 3 books.

Into the Mist Deborah Uetz, 2005-07-07 Into the Mist, When Someone You Love Has Alzheimers Disease answers the questions that come along with an Alzheimers diagnosis. As Alzheimers reaches epidemic proportion more and more families are searching for answers that will best equip them to meet their needs and those of the Alzheimers patient. What are the symptoms of the early stages of Alzheimers disease? When should someone stop driving? Why is my loved one becoming withdrawn and insecure? Are hallucinations an occurrence with Alzheimers disease? Does Medicare or Medicaid cover expenses? How do I cope with the stress of constant care giving? Is Alzheimers disease fatal? Many other topics are addressed by leading Aging experts, researchers and a Neuropsychologist. Along with factual information the reader will be told the stories of three families caring for a loved one from the earliest stages to the last stages. Their personal accounts put a human face on the challenges of Alzheimers care giving. Jack, Frank and Shirleys stories are told by their daughters and they illustrate the commonalities and the differences among Alzheimers patients and the way their families handle their most difficult challenges. The book began as a personal journal but grew into a comprehensive resource for Alzheimers caregivers as well as a compilation of information from researchers, psychologists, Aging experts and families coping with this devastating illness all over the world. As you walk into the mist of Alzheimers disease this book serves as a roadmap because of the life lessons of others who have traveled this road before you. Deborah Uetz

The Picture Book of Mothers Sunny Books, 2019-11-03 Christmas is coming, and it can be difficult to find a gift for your mother or other woman in your life who's suffering from dementia. You'd like to give her something that will capture her attention, engage her mind, and encourage peaceful interaction at the same time it says, I love you. This book may be what you're looking for. It contains full-page photos of happy, loving mothers engaging with their children. On the page opposite each photo is a heartwarming quote about motherhood in large print. While many dementia patients have difficulty with short-term memory, memories of the distant past are more accessible. These photos and quotes may inspire them to talk about their own memories of motherhood and the children they love. Families, caregivers, and assisted living staff can share this book with the people they care for. It is also an excellent activity for seniors with Parkinson's disease or recovering from a stroke. Seniors with eyesight or strength challenges who find it difficult to hold a heavy book or read long paragraphs of text will also enjoy

this book. At Sunny Street Books, we design books specifically for seniors with dementia. They're lightweight yet high-quality, adult in nature, with nothing to distract your loved one from their enjoyment of the photos and the short quotes that accompany them. **FEATURES** \* Beautiful Content This book is filled with carefully-curated, full-color, high-resolution photos of loving mothers interacting with their children. \* Minimal Text The only text included in the book consists of short, heartwarming quotes about motherhood. All text is large print for easy readability. \* Manageable Size This is a 40-page, 6 x 9 softcover that's comfortable to hold and easy to tuck into a bag. \* High Quality The quality of this book's cover and its interior design are indistinguishable from books created for other readers. Just because a book is simple and uncomplicated doesn't mean it has to be unattractive, unprofessional, or childish. \* Discreet Packaging At no time is anything mentioned about Alzheimer's disease, dementia, or any other challenges the reader might be facing. This book can be given to your loved one without fear that they might feel embarrassed or offended. **NOTES FOR CAREGIVERS** \* Sit beside your loved one in a quiet place that is free of distractions. \* Allow them to hold the book if possible, and also turn the pages, which will enable them to become more engaged in the book. \* Put a pillow in their lap to support the book as you thumb through it together. \* Leave this book in an accessible place to allow your loved one to pick it up on their own when you're not there. *The Picture Book of Castles* Sunny Books,2019-11-17 Do you sometimes find it difficult to engage your loved one with dementia? To help them stay calm in the midst of an emotional reaction? To find activities you can share with them that encourage peaceful interaction? This book can help. Thumbing through this picture book with your loved one is an activity that will capture their attention, engage their mind, and encourage them to relax. They'll feel a sense of delight and anticipation as they turn the pages to see what beautiful castle photo is next. You'll find a lot of other picture books out there, mostly for kids. But it's demeaning for seniors to give them books meant for children. And adult photography books are usually large and heavy, and they often include long, frustrating paragraphs of text. At Sunny Street Books, we design books specifically for seniors with dementia. They're lightweight yet high-quality, adult in nature, with nothing to distract your loved one from their enjoyment of the photos themselves. Families, caregivers, and assisted living staff can share this book with the people they care for. It is also an excellent activity for seniors with Parkinson's disease or recovering from a stroke. Seniors with eyesight or strength challenges who find it difficult to hold a heavy book or read long paragraphs of text will also enjoy this book. **FEATURES** \* Beautiful Content This book is filled with carefully-curated, full-color, high-resolution photos depicting the beauty and grandeur of castles around the world. \* Minimal Text The only text included in the book is the name of each castle and its location. \* Manageable Size This is a 40-page, 6 x 9 softcover that's comfortable to hold and easy to tuck into a bag. \* High Quality The quality of this book's cover and its interior design are indistinguishable from books created for other readers. Just because a book is simple and uncomplicated doesn't mean it has to be unattractive, unprofessional, or childish. \* Discreet Packaging At no time is anything mentioned about Alzheimer's disease, dementia, or any other challenges the reader might be facing. This book can be given to your loved one without fear that they might feel embarrassed or offended. **NOTES FOR CAREGIVERS** \* Sit beside your loved one in a quiet place that is free of distractions. \* Allow them to hold the book if possible, and also turn the pages, which will enable them to become more engaged in the book. \* Put a pillow in their lap to support the book as you thumb through it together. \* Start by asking questions that are easy to answer. Which photo do you like best? The German castle or the English one? Then move to more open-ended questions. \* Leave this book in an accessible place to allow your loved one to pick it up on their own when you're not there. Click on Sunny Street Books at the top of this page beneath the title of the book for links to all the books we publish: The Picture Book of Birds The Picture Book of Butterflies The Picture Book of Movie Stars The Picture Book of Cats The Picture Book of Dogs The Picture Book of Bible Verses The Picture Book of Flowers The Picture Book of Babies The Picture Book of Beaches The Picture Book of Horses The Picture Book of Baby Animals The Picture Book of Kids and Animals The Picture Book of American Patriotism The Picture Book of Churches The Picture Book of Kittens The Picture Book of Majestic Mountains The Picture Book of Beautiful Bridges

*A Picture Book of The Coral Reef* A Bee's Life Press,2021-04-10 If you have a loved one with Alzheimer's or Dementia, this book can help you connect with them and see them smile. The beautiful photos in this Coral Reef book are designed to encourage positive interaction and perhaps bring back some happy memories. Looking through this beautiful picture book of colorful coral, tropical fish and other sea creatures with your loved one is an activity that will reduce their anxiety, engage their mind, and encourage them to relax. A Year's Worth of Yellow Emma Rose Sparrow, 2015-02-13 A Year's Worth of Yellow: Picture Book for Dementia Patients, Seniors & Others (Level 2 Book). This is one of a series of picture books for dementia patients (or those with Alzheimer's), adults and seniors that have trouble reading. If your loved one is overwhelmed by 'normal' books but spry enough to feel offended with books labeled as dementia books or by being given a children's book, this is your answer. This book helps those who have a hard time reading in several ways: Each book in this series is themed around one color. A Year's Worth of Yellow has photos featuring beautiful yellow elements from around the world. Those with dementia, Alzheimer's and senior reading struggles can find joy in 'reading' a book that does not need for them to follow a story. \*The book is formatted to look like a 'real' book. It is designed for adults, without any child-like wording or features. This allows your loved one to feel proud to own it as part of their book collection. \* Neither the title nor any text on or in the book states that the book is for dementia or any type of memory/cognitive problems. It is truly concealed so that the reader is not insulted. \* This is a nice, large 8.5 x 8.5 square book that is large enough to really be able to take in the photos, without feeling 'huge'. The soft cover makes it easy to hold. This is not a heavy hard-cover, nor it is a 'board book' that seniors can find condescending. \*The short picture descriptions are in large 16 px text. There are 1 to 3 short sentences per picture. Within each picture description, the word 'yellow' appears 1 time, to keep the reader on track. \* Each photo (and short text) is only located on the right page of this book. The reader can focus on one image at a time without distraction. Please note: This is a Level 2 book, which primarily focuses on being a book of photos, along with short accompanying text. If you are looking for purely a picture book without any text at all, please look to the Level 1 books; for 'easy-read' short stories, please look to Level 3 books.

The quality of this book's cover and its interior design are indistinguishable from books created for other readers. Just because the content of a book is simple and uncomplicated doesn't mean it has to be unattractive or childish. - Discreet Packaging. At no time is anything mentioned about Alzheimer's disease, dementia, or any other challenges the reader may be facing. This book can be given as a gift without fear that the recipient might feel embarrassed or offended, and the reader can feel comfortable sharing it with a friend. Look for all the titles in our Picture Book series featuring beautiful, high-quality images and minimal or no text: The Picture Book of Birds The Picture Book of Natural Wonders The Picture Book of Gardens The Picture Book of Butterflies The Picture Book of Christmas The Picture Book of Movie Stars The Picture Book of Cats The Picture Book of Dogs The Picture Book of Bible Verses The Picture Book of Flowers The Picture Book of Brides The Picture Book of Babies The Picture Book of Beaches The Picture Book of Smiles

The Picture Book of Angels Sunny Books, 2020-01-10 Do you sometimes find it difficult to engage your loved one with dementia? To help them stay calm in the midst of an emotional reaction? To find activities you can share with them that encourage peaceful interaction? This book can help. Thumbing through this beautiful picture book with your loved one is an activity that will capture their attention, engage their mind, and encourage them to relax. It contains gorgeous illustrations of Victorian angels that have been digitally remastered to bring out their original detail, color and contrast. Each illustration is accompanied by a comforting, inspirational quote about angels. You'll find a lot of other picture books out there, mostly for kids. But it's demeaning for seniors to give them books meant for children. Adult photography books are usually large and heavy, and they often include long, frustrating paragraphs of text. At Sunny Street Books, we design books specifically for seniors with dementia. They're lightweight yet high-quality, adult in nature, with no paragraphs of confusing text to distract your loved one from their enjoyment of the images themselves. Families, caregivers, and memory care staff can share this book with the people they care for. It is also an excellent activity for seniors with Parkinson's disease or recovering from a stroke. Seniors with eyesight or strength challenges who find it difficult to hold a heavy book or read long paragraphs of text will also enjoy this book. FEATURES \* Beautiful Content This book is filled with carefully-curated, full-color, digitally remastered Victorian angel illustrations accompanied by inspirational quotes about angels. \* No Text The only text included in the book consists of the quotes about angels that accompany each illustration. \* Manageable Size This is a 40-page, 6 x 9 softcover that's comfortable to hold and easy to tuck into a bag. \* High Quality The quality of this book's cover and its interior design are indistinguishable from books created for other readers. Just because a book is simple and uncomplicated doesn't mean it has to be unattractive, unprofessional, or childish. \* Discreet Packaging At no time is anything mentioned about Alzheimer's disease, dementia, or any other challenges the reader might be facing. This book can be given to your loved one without fear that they might feel embarrassed or offended. NOTES FOR CAREGIVERS \* Sit beside your loved one in a quiet place that is free of distractions. \* Allow them to hold the book if possible, and also turn the pages, which will enable them to become more engaged in the book. \* Put a pillow in their lap to support the book as you thumb through it together. \* Leave this book in an accessible place to allow your loved one to pick it up on their own when you're not there. Click on Sunny Street Books at the top of this page beneath the title of the book for links to all the books we publish, such as: The Picture Book of Birds The Picture Book of Natural Wonders The Picture Book of Gardens The Picture Book of Butterflies The Picture Book of Movie Stars The Picture Book of Cats The Picture Book of Dogs The Picture Book of Bible Verses The Picture Book of Flowers The Picture Book of Beaches The Picture Book of Horses The Picture Book of Baby Animals The Picture Book of Horses The Picture Book of Kids and Animals The Picture Book of American Patriotism The Picture Book of Churches The Picture Books of Kittens The Picture Book of Castles
