**You Are Awesome** Neil Pasricha,2019-11-05 #1 international bestseller Publishers Weekly bestseller The Globe and Mail (Toronto) The Toronto Star bestseller The Vancouver Sun bestseller From Neil Pasricha—New York Times, million-copy bestselling author of The Book of Awesome series and The Happiness Equation, thought leader for the next generation, and one of the most popular TED speakers in the world—comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and

other life-threatening catastrophes are the stuff of history books. We're living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there's just one side effect. We no longer have the tools to handle failure...or even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don't have friends. Cell phones show us we're never good enough. Yesterday's butterflies are tomorrow's panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising! What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read *You Are Awesome* to learn:

- The single word that keeps your options open after failure
- What every commencement speech gets wrong
- 3 ways to dramatically accelerate your ability to learn and adapt
- The 2-minute morning practice that helps eliminate worry
- Why you need an Untouchable Day (and how to get one)
- and much, much more...

Because the truth is, you really are awesome.

humanity and a big celebration of life's little moments. Sometimes it's easy to forget the things that make us smile. With a 24/7 news cycle reporting that the polar ice caps are melting, hurricanes are swirling in the seas, wars are heating up around the world, and the job market is in a deep freeze, it's tempting to feel that the world is falling apart. But awesome things are all around us, like: • Popping Bubble Wrap • Wearing underwear just out of the dryer • Fixing electronics by smacking them • Getting called up to the dinner buffet first at a wedding • Watching The Price Is Right when you're home sick • Hitting a bunch of green lights in a row • Waking up and realizing it's Saturday The Book of Awesome reminds us that the best things in life are free (yes, your grandma was right). With laugh-out-loud observations from award-winning comedy writer Neil Pasricha, The Book of Awesome is filled with smile-inducing moments on every page that make you feel like a kid looking at the world for the first time. Read it and you'll remember all the things there are to feel good about. Different Is Awesome! Ryan Haack, 2015-07-07 A little boy brings his older brother, born with one hand, for show-and-tell. The students ask him all sorts of questions about how he does things with

one hand and realize that he can do anything they can do, he just does it differently. Along the way, they notice that we're all different in one way or another, leading to the realization that not only are differences a similarity we all share, but, they are what make us unique - AND AWESOME!

**An Awesome Book of Thanks!** Dallas Clayton, 2010-11-18 Double Tap to Zoom. *I'm Awesome* Jason Ellis, Mike Tully, 2012-04-17 Jason Ellis does it all. And he has excelled at everything he sets his mind to: X Games skateboarding, satellite radio, professional mixed martial arts, boxing, moto, truck racing, TV, and movies. Now he shares his jaw-dropping and inspirational life story—from the depths of addiction to the joys and ordeals of radio, fatherhood, and professional fighting—in his uncensored no-holds-barred style. Jason was raised in the suburbs of Melbourne, Australia, and his early years were split between an alcoholic mother—who was only sixteen when he was born—and a father whose violent and unpredictable behavior taught Jason to be hard, tough, and fearless. Before he owned the radio waves, Jason competed for twenty years alongside action-sports legends and friends like Tony Hawk. Jason was known for going bigger and harder than anyone else—both on and off the ramp. His passion to become the best at skateboarding was exceeded only by his all-night partying and relentless pursuit of sex. After surviving a failed marriage and struggling with a rampant drug problem, all while heading toward the end of his skateboarding career, tragedy struck . . . twice. His father died of a heart attack, and a year later his younger brother died in an

accident near the family's vacation home. His brother's death made Jason realize he had had enough. He quit booze and drugs, married his girlfriend, and threw his energy into being a good father. Having squandered his shot at greatness in skateboarding, he resolved to make the most of his second chance in radio. Jason has always been a daredevil, harnessing his unique ability to endure pain to achieve what few others could, first on the skate ramp and now on the airwaves. Using this fierce determination to let nothing stop him from reaching his goals, he became the new voice of action sports in America. His story is raw, and sometimes unbelievable, but it's always true. And it proves, once again, that Jason Ellis is a fighter through and through.

**The Book of (Holiday) Awesome** Neil Pasricha, 2011-11-17 “Neil Pasricha is a gift. This book would make even the grinchiest Grinch love the holidays again.”—A. J. Jacobs There’s nothing like the holidays. They bring out the best, and sometimes the worst, in everyone. Luckily, Neil Pasricha is here to remind us that not only are the holidays great, but there’s actually even more to celebrate than we realize. From Christmas, Hanukkah, and Kwanzaa, to other holidays throughout the year, such as Mother’s Day and Thanksgiving, *The Book of (Holiday) Awesome* will show you why holidays are...AWESOME. • Making the first footprint in fresh snow • When the in-laws leave • Waking up and realizing it’s Christmas • Just barely wrapping a gift with that tiny scrap of leftover wrapping paper • When they finally stop playing Christmas songs on the radio • Knowing “Kwanzaa” is worth more Scrabble points than “Hanukkah” or “Christmas”

**The Book of (Even More) Awesome** Neil Pasricha, 2011-04-28 From the bestselling author of *The Book of Awesome*, *You Are Awesome*, and the award-winning, multimillion-hit blog *1000 Awesome Things* comes even more of the little things that make us smile every day! Neil Pasricha is back with a collection of hundreds more awesome things from the website, as well as never-before-

seen extraordinary moments that deserve celebration: • Letting go of the gas pump perfectly so you end on a round number • When a baby falls asleep on you • When your pet notices you're in a bad mood and comes to see you • Pulling a weed and getting all the roots with it • When your windshield wipers match the beat of the song you're listening to • When the hiccups stop • The smooth feeling on your teeth when you get your braces off • Driving from a rough road onto a smooth one • When the person you're meeting is even later than you are • That guy who helps you parallel park There's even space for you to write your very own Awesome Things in the back. Because couldn't we all use (even more) awesome?

**How to Live an Awesome Life** Polly Campbell,2015-10-13 Awe. It is about wonder. About accessing the amazing to express reverence, admiration. Awe like this can show up in every aspect of our lives -- even those we declare as not so great. Psychologist Nicholas Humphrey says awe forces us to reconfigure our mental model so we can make sense of what we've seen. It broadens us, inspires us. Awe has the ability to awaken us. It can show us beauty and remind us who we are. It brings us closer to our purpose and passion and helps us create meaning. It helps us to live with the mystery in life, to survive the uncertainty of it all. It allows us to sink into the experience of living. When you live in awe of your life you are open to diverse experiences. Some are easy and joyous. Others totally suck. But you are okay because you know that within every experience the possibilities are limitless. Polly Campbell designed this book to help you engage with the awesome qualities of your life. Do whichever exercises you want. Read this book chapter by chapter or go to the section that helps you

most right now. Take what works, discard the rest.

I'm Awesome. Here's Why... Sara Katherine, 2019-04-09 You're totally awesome—let these creative exercises, cool prompts, and fun activities help remind you why. When's the last time you felt good—really good—about yourself? Between the unrealistic standards of social media, to the Photoshopped images of celebrities in the media, and the constant voice in our head saying we have to be faster, better, and smarter in our personal lives, at work, and everywhere in between, it's easy to lose sight of your self-worth. Sometimes, we all need a kick in the butt to remind us just how awesome we are. I'm Awesome. Here's Why... is that kick. With prompts, exercises, lists, and activities, I'm Awesome: Here's Why will help remind you of all the reasons why you are unique, cool—and yes, awesome. Through fun prompts and writing exercises like listing ten things you're proud of, drawing your idea of the perfect Friday night, creating your own personal affirmations to read out loud, and delivering an acceptance speech for an award of your choice, you'll learn to celebrate what makes you, you. Loving yourself can take practice, but there is no shortage of things to love. Let I'm Awesome. Here's Why... help you discover each and every one.
