Fighting For Your Life Lysa Walder, 2011-07-04 These are the fascinating real life stories of heartbreak and hope, direct from the frontline. A teenage boy lies on the pavement, bleeding to death from a stab wound; a distraught mum watches, in mute shock, as her daughter suffers a terrifying fatal asthma attack; a young girl is gang raped and her stricken boyfriend takes an overdose; a disturbed young man flings himself in front of a speeding train at the stroke of midnight on New Year's Eve. Few people can imagine living in a world where such situations are part of everyday life. Yet for London Ambulance Paramedic Lysa Walder, these and thousands of other emergency call outs are part of a day's work: scenes of tragedy, loss and horror -- but also stories of triumph and humour, and all the results of an urgent 999 call to the biggest and busiest free ambulance service in the world. Lysa has been an A&E nurse and paramedic for over 15 years. Here, she tells the inside story behind the screaming sirens and flashing blue lights of the emergency services and reveals what it's really like to work in a job that frequently brings paramedic teams face-to-face with death -- and destiny.

Nobody Rides for Free: An Angus Green Novel Neil S Plakcy, 2023-11-21 With less than a year of experience under his belt and only one big case behind him, FBI Special Agent Angus Green has joined the rarefied group of agents who have been wounded in the line of duty. Now, assigned to a desk job while he recovers, Angus wonders if he's chosen the right career. He's been following his late father's dream for a life of adventure and travel--and instead encountered danger, pain and heartbreak. But when he discovers that gay teens are being sexually abused by a pornographer in the same neighborhood where he lives, he has to step up and bring his intelligence, his determination and his unique insights to save these young men. The case takes him from Fort Lauderdale's seamy underbelly to boisterous beachfront bars where big-fish Russian émigrés launder illegal cash. He'll befriend a beautiful Russian-American undercover agent and rekindle a romance with a man who makes him feel protected. In the end, he'll learn the truth of a saying he learned as a boy -- there is a price to pay for every decision we make. Nobody rides for free.

EMT Pat Ivey,2014-04-01 A cardiac technician takes you to the front lines of emergency medicine—from tragic car accidents to gunshot wounds—in this “fast-moving” memoir (Booklist). This book takes the reader to the front lines of medicine, from a serious automobile accident on a dark country road to a woman in cardiac arrest to a young man with near-fatal gunshot wounds. For these patients and countless others, treatment cannot wait until they are wheeled into a distant emergency room. If lives are to be salvaged, care must begin with the life-saving skills of Emergency Medical Technicians. “I could never work on a rescue squad,” is a statement the author has heard over and over throughout her years of squad service and readily admits it once described her own feelings. “If I can do it, so can you,” is her response to those whose fear and self-doubt hold them back. “Anything is possible.” EMT: Beyond the Lights and Sirens is more than a personal account of Pat Ivey’s rescue squad experiences. It is a story of courage and hope and letting go of past losses. It is a book for anyone who has ever struggled to go beyond who they are. Step aboard the ambulance. Witness the tender moments amidst tragedy. Experience the joy and the anguish, and share the tears and laughter of volunteer rescue squad personnel who respond around the clock to the cries of others. In this heartwarming and compelling book, Pat Ivey takes the reader beyond the lights and sirens on a journey they will never forget.
