S. flag at Iwo Jima during World War II--now adapted for young adults. Read the true story behind the immortal photograph that has come to symbolize the courage and strength of America and its armed forces. This is a penetrating, epic look at a generation at war, told with keen insight and enormous honesty —also a major

motion picture directed by Clint Eastwood. In February 1945, American Marines plunged into the surf at Iwo Jima—and into history. Through a hail of machine-gun and mortar fire, they battled to the island's highest peak. And there, they raised a flag, signaling a historic step towards the eventual defeat of the Axis powers of World War II. A powerful account of six very different men--three of which were killed in battle-- who came together in the heroic fight for the Pacific's most crucial island.
