Flags of the World Lisa Strattin, 2019-11-23 Lisa Strattin is writing her *Flags of the World Series*. she begins with North America, Vol 1. In Lisa's first book of her *Flags of the World Series*, she includes pictures, geographic locations and capital cities of countries and territories in North America. To help your child or grandchild recognize that there are many flags of different countries, she has included 46 different representations of the North American countries and territories. The world of country is here. A couple of these nations don't have their own national flag. They are listed because they are considered a separate country or territory in their own right, even though they raise the flag of their governing country's flag. In compiling these images of flags around the world, Lisa has been impressed by the designs of the World's flags. You will find them intriguing as well when you notice the items a nation has chosen to include in their banner. Countries world represented from North America flags. We all know the significance of items on our own country's flag. For example, as a citizen of the United States, Lisa knows that the red and white stripes represent the first 13 colonies of the United States and the 50 stars represent the 50

states. Flags and countries of the world are here as well as capital cities. It is evident to see, in the many country flags of the World, that every nation has a reason for the items included in the design of their own banner. The North America country of the world flags in full color in the book. This is North America-Vol 1 and includes all of the North America flags that Lisa has been able to find. This countries of the world book includes territories of North America. Coming soon will be: Africa-Vol 2, Asia-Vol 3, Europe-Vol 4, Oceania-Vol 5, South America-Vol 6, and the World-Vol 7, which includes the total of Volumes 1-6 in one complete compilation. In the final complete Flags of the World, World-Vol 7, Lisa hopes that every country in the World is represented as every flag in the World should be included, as noted by country and/or territory. All the countries of the World that Lisa could find a flag for will be in this final edition. There will be future volumes as Lisa works to include all flags in the World by compiling her State Flag editions. In this North America-Vol 1 Edition, you will find: Anguilla Antigua and Barbuda Aruba The Bahamas Barbados Belize Bermuda Bonaire British Virgin Islands Canada Cayman Islands Costa Rica Cuba Curacao Dominica Dominican Republic El Salvador Federal Dependencies of Venezuela Greenland Grenada Guadeloupe Guatemala Haiti Honduras Jamaica Martinique Mexico Montserrat Nicaragua Nueva Esparta Panama Puerto Rico Saba San Andres, Santa Catalina and Providencia Saint Barthelemy Saint Kitts and Nevis Saint Lucia Saint Martin Saint Pierre and Miquelon Saint Vincent and the Grenadines Sint
