America's Got Talent Winner Landau Eugene Murphy, Jr Landau Eugene Murphy,2013-11-01 In 2011, the nation watched an American Jazz singer from the coalfields of West Virginia rise to the top of a talent competition on NBC. The story of Landau Eugene Murphy Jr. is more than a rags-to-riches story of some singer who won a reality show—it's a story of faith, hope, destiny, and dreams. To many people, Landau is the young man with dreadlocks who sings like Sinatra, but the story to be told is that of someone who is a hardworking man of enduring faith. When you're finished reading this book, you'll discover, along with having a great voice, Landau is a world-class human being.

Life Is Magic Jon Dorenbos,2020-11-03 “Jon Dorenbos is a magical person. Life Is Magic shows how we can all choose happiness in the face of overwhelming odds.” –Ellen DeGeneres An extraordinary and empowering story of resilience, forgiveness, and living a life of purpose in the face of unfathomable obstacles. You may know him as an NFL All-Pro or as a world-class magician who made the finals of America’s Got Talent, but Jon Dorenbos says that what he does is not who he is. He is someone who coached himself, at the most tender of ages, to turn tragedy to triumph. One morning in August 1992, when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle, he woke up for baseball camp. His dad waved goodbye. Later that day, Jon heard the news: his father had murdered his mother in the family’s three-car garage. In an instant, his life had shattered. He’d essentially been orphaned. Thrust into foster care while his father stood trial for murder, Jon struggled. Left to himself, he discovered an unlikely escape performing magic tricks. If you found a way to alter your reality, after your dad—your hero—killed your mom, wouldn’t you cling to it too? Then came football, which provided a release for all of his pent-up anger. Together, magic and football saved him, leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe. In 2017, he was diagnosed with a life-threatening heart condition leaving him with a choice. To either break down or—as he’d by now long taught himself—bounce back. “Life Is Magic shows how we can all choose happiness in the face of overwhelming odds” (Ellen DeGeneres) and provides a roadmap for overcoming even the darkest of times. Jon’s story is poignant and powerful, told by a charismatic and optimistic man who has overcome life-or-death challenges with grace, persistence, a childlike sense of wonder...and jaw-dropping card tricks.

Major Competitive Reality Shows Jim Whiting,2010-09 America's Got Talent made its debut in the summer of 2006 and was an immediate hit. That's no surprise because the show's creator was Simon Cowell, who had already become famous for serving as a judge on American Idol. Although Cowell doesn't appear on America's Got Talent, the show's three-judge panel always makes for lively interactions with each other and with the incredible variety of people who try for the million-dollar first prize and the instant fame that comes with winning.

The Woman I Was Born To Be Susan Boyle,2010-12-23 In April 2009, a modest middle-aged woman from a village in Scotland was catapulted to global fame when the YouTube video of her audition for Britain's Got Talent touched the hearts of millions all over the world. From singing karaoke in local pubs to live performance with an eighty-piece orchestra in Japan's legendary Budokan arena and a record-breaking debut album, Susan Boyle has become an international superstar. This astonishing transformation has not always been easy for Susan, faced with all the trappings of celebrity, but in the whirlwind of attention and expectation, she has always found calm and clarity in music. Susan was born to sing. Now, for the first time, Susan tells the story of her life and the challenges she has struggled to overcome with faith, fortitude and an unfailing sense of humour. 'When I strutted onto the stage for that audition, I was a scared wee lassie, still grieving for my mother, not caring how I looked. I think I've grown up a lot in the last year, become more of a lady, and I'm not so frightened anymore. I'm telling my story to try and show that you shouldn't judge a book by its cover, that you shouldn't just look at the label - you must look at the whole person, emotionally, physically, mentally and spiritually. I hope that it will show that dreams are not impossible, if you've got courage and a willingness to go on no matter what the circumstances.'

But an incredible rescue led to a fateful meeting with Amanda Leask, a dog lover from Scotland. Devastated by Miracle’s plight and the hopelessness of his situation, she knew she had to do everything in her power to save him. But Amanda could never have imagined that in doing so she was really saving herself... Amanda's six year-old son Kyle, who was born with cerebral palsy and autism, built a deep and lasting connection with Miracle and their special bond has transformed not only Kyle's life but that of the entire family. Heartbreaking, inspirational and ultimately life-affirming, this incredible tale is proof that miracles really can happen...

Unraveling Brandon Leake,2022-03-08 Season 15 winner of America's Got Talent, Brandon Leake, presents his debut poetry collection. Brandon is the first spoken word poet to compete on AGT and to receive the Golden Buzzer award in the first round, going on to win the entire competition! From famous spoken word poet, artistic educator, and founder/CEO of “Called to Move” Brandon Leake comes his debut poetry collection Unraveling. In an era of self love, the ability to love oneself is only as effective as the ability to know oneself. Throughout his collection, Leake asks readers to look at something beautiful, yet still see its flaws. On the flip side, he encourages readers to look at something evil, and yet still see the beauty it holds. Universally relatable, surprisingly educational, and all around powerful, Unraveling is a collection of poetry inspiring us to slow down, breathe, and read between the lines.

Pudsey Pudsey,2012-10-11 Earlier this year, a dog danced his way into the history books as the first canine winner of Britain's Got Talent. En route to the title, Pudsey and his owner Ashleigh Butler won over Walliams, delighted Dixon, stole the heart of Holden, and utterly captivated Cowell. They charmed the nation, too - with millions of viewers tuning in to see them take the crown. But what do we really know of Pudsey's journey to stardom? How did he get from being a depressed dog to the mutt of the moment? In this, the most unusual celebrity book of the year, he's finally ready to tell his tale. As a young pup, Pudsey always knew he was somehow different to his dog-standard peers. While his brothers and sisters contented themselves with chasing their tails, he sat apart, yearning for something more. With the help of the menagerie of pets that fill the Butler household and despite some dastardly opposition threatening to stop him at every turn, Pudsey managed to achieve his dream. This Autobiography tells the story of his incredibly journey, straight from the dog's mouth.
