Fundamental Amharic Exercise / Teaching Book Sehine Gizaw,2018-07-30 Fundamental Amharic Exercise / Teaching BookEthiopia, the land of vast riches and cultures, is also home to people who speak more than 80 different languages. Amharic is the most widely & commonly used language. Unlike much of languages spoken in Africa, Amharic has its own writing system called Feedel making it one of the most unique language in the world. My initial motivation for preparing this book was my daughter growing up outside of Ethiopia. I wanted her to speak and write Amharic to help her maintain a bond with her ancestral land of Ethiopia, its rich heritage and history. While doing an extensive research and compiling materials for this book, I found out that this book will serve many like my daughter. Children who are born outside of Ethiopia and adoptees, growing up in the diaspora; by helping them maintain some degree of relationship with their Ethiopian heritage. The book is also an invaluable resource for non-Ethiopians who possess some sort of ties to Ethiopia & Ethiopians, academicians, historians, researchers etc. It will help them better understand the mysteries of Ethiopia, Ethiopians, society and the culture; whether it's through the vast array of Amharic literature available or direct communication with the people.The teaching methodology used in the book is simple and easy to understand. The approach is based on the ancient way of teaching the language starting from Feedel or the Amharic characters; familiarizing the student with sounds and pronunciations, then grammar and vocabulary along with writing and penmanship. An Amharic language student of can benefit greatly by starting to learn Feedel at the same time he or she starts to learn the language. Once students master Feedel, they will recognize all the sounds of the Amharic language. Learning grammar and vocabulary, even for speaking, will be easier and faster, with the help of written materials. This book is designed exactly to do that.

The Alphabet Takes a Journey Bethlehem Gronneberg,2015-06-30 Come along with the letters of the English alphabet as they journey to a beautiful and mysterious land called Ethiopia. Travelers will be delighted with a magical tour of Ethiopia's culture, including majestic mountain landscapes and lush green forests, active volcanic lava lakes and a boat ride along the headwaters of the Blue Nile river. Also experience ancient castles, wildlife, enchanting paintings and more! In this adventure, the Ethiopian language letters - the Amharic Feedel - become cultural ambassadors by introducing you to a letter of the alphabet that connects with a family of letters of the Amharic Feedel symbolizing the same sound. Together they hike, giggle, eat, dance, listen, learn and experience. Feedel and Alphabet. Alphabet and Feedel. Friends forever. Enjoy the adventure!
