Cookies & Milk Shawn Amos, 2023-09-05 It's a summer of family, friendship, and fun fiascos in this acclaimed novel that's as irresistible as a fresh-baked cookie. Ellis Bailey Johnson has the summertime blues. Instead of hanging out with friends, listening to music, and playing his harmonica, Ellis has to help bring his dad's latest farfetched, sure-to-fail idea to life: open the world's first chocolate chip cookie store. They have six weeks to perfect their recipe, get a run-down A-frame storefront on Hollywood's Sunset Boulevard into tip-top shape, and bring in customers. But nothing goes according to plan, especially when family secrets start to surface. Can Ellis bake up a happy ending? Partially based on Shawn Amos's own experiences growing up the son of Wally Famous Amos, and packed with humor, heart, and fun illustrations, this debut novel sings with the joy of self-discovery, unconditional love, and community. Shawn Amos has written a beautiful story of family and music, of growing up and having adventures, of business building and character building, that is at once very specific and universal. I love Cookies and Milk as much as I love cookies and milk. -Lisa See, New York Times bestselling and award winning author of Snow Flower and the Secret Fan and Shanghai Girls

Amos & Boris William Steig, 2013-07-30 Amos the mouse and Boris the whale: a

devoted pair of friends with nothing at all in common, except good hearts and a willingness to help their fellow mammal. They meet after Amos sets out to sea in his homemade boat, the Rodent, and soon finds himself in extreme need of rescue. Enter Boris. But there will come a day, long after Boris has gone back to a life of whaling about and Amos has gone back to his life of mousing around, when the tiny mouse must find a way to rescue the great whale. The tender yet comical story of this friendship is recorded in text and pictures that are a model of rich simplicity. Here, with apparent ease and concealed virtuosity, Caldecott medalist William Steig brings two winning heroes to life. *Amos & Boris* is a 1971 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

Tori Amos's Boys for Pele Amy Gentry, 2018-11-01 It's hard to think of a solo female recording artist who has been as revered or as reviled over the course of her career as Tori Amos. Amy Gentry argues that these violent aesthetic responses to Amos's performance, both positive and negative, are organized around disgust—the disgust that women are taught to feel, not only for their own bodies, but for their taste in music. Released in 1996, Amos's third album, *Boys for Pele*, represents the height of Amos's willingness to explore the ugly qualities that make all of her music, even her more conventionally beautiful albums, so uncomfortably, and so wonderfully, strange. Using a blend of memoir, criticism, and aesthetic theory, Gentry argues that the aesthetics of disgust are useful for thinking in a broader way about women's experience of all art forms.
