Bike City Amsterdam Marjolein de Lange,Fred Feddes,2019-06-04 The book *Bike City Amsterdam, How Amsterdam became the cycling Capital of the World* , by Fred Feddes and Marjolein de Lange, is the first comprehensive inside history of sixty years of successful bicycle activism, policy and culture in Amsterdam. As any visitor knows, the bicycle is omnipresent in the streets of Amsterdam, in the rhythm of its people's lives, and in the city's image. To many outsiders, Amsterdam comes close to being a cyclist's paradise. It wasn't always that way. As in many other cities, bicyclists came under pressure due to the rapid increase of car traffic in the 1960s. It was through a unique combination of grassroots activism and municipal policy, supported by advantageous circumstances and driven by smartness and perseverance, that the bicycle managed to make an astounding comeback. *Bike City Amsterdam* recounts the story of this long-term transformation of a city that made way for the bicycle, while the bicycle in turn helped make the city liveable again. It highlights the accomplishments of the bicycle city, as well as its setbacks and its counterforces. Its story ranges from the everyday bicycling culture, to policy choices and street design, to the notorious battle for the Rijksmuseum bicycle passageway. Written from the inside, *Bike City Amsterdam* acknowledges the uniqueness of the Amsterdam bicycle city, but it does so without romanticizing, analyzing its success with a keen eye on all its imperfections. By telling a detailed case history of Amsterdam, it allows its international readers to distinguish the universal lessons from the local specifics, and to draw inspiration from both. Finally, it looks ahead to the next half century in which Amsterdam can contribute to tackling global urban issues as a 'bicycle laboratory'. More information on: <https://bikecityamsterdam.nl>

The Temporary European Cameron Hewitt,2022-02-01 Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. The Temporary European is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is Jams Are Fun—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's dream job: researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, *The Temporary European* is inspiring, insightful, and fun.
