

# An Indie Game Lite

M.J. Clarke, Cynthia Wang

*250 Indie Games You Must Play* Mike Rose, 2011-06-15 With a surge in popularity recently and an increase in great downloadable games, there has never been a better time to learn about independent indie games. *250 Indie Games You Must Play* is a guide to the exciting and expanding world of indie gaming. Whether you are a veteran of the indie game scene or have never played an indie game before, this book helps you experience the best in indie gaming and further your understanding of why indie games are so important in the entertainment industry. The wide range of games highlighted in the text encompasses concepts and ideas that will change your perspective of what video games can be. The book covers puzzlers, platformers, beat 'em ups, shoot 'em ups, role-playing, and strategy. Apart from being fun, indie games can be experimental, emotional, nostalgic, and occasionally just plain bizarre. Some make you sit back in awe, while others have you thinking, Why have I never played a game like this before? Better still, the majority of these games are completely free to play and even the commercial releases are incredibly cheap. Once you start playing indie games, you may not be able to look at your big-budget blockbusters the same way ever again.

*The Business of Indie Games* Alex Josef, Alex Van Lepp, Marshal D. Carper, 2022-05-03 *The Business of Indie Games* provides exceptional insight into how the video games industry works. It shares valuable information on how to successfully self-publish and secure publisher support. Whether you're making your first game or tenth, this book is a must read. – Paul Baldwin, Curve Digital The video game industry is a tough business and anyone looking to succeed in indie development should give *The Business of Indie Games* a read. – Graham Smith, Co-Founder of DrinkBox Studios This book is a fast track to success for anyone managing a game launch and looking to raise funding for their projects. It shares knowledge that you only learn after years of triumphs and failures within this industry. – Scott Drader, Co-Founder of Metalhead Software There's nothing like *The Business of Indie Games* taught in school. You learn how to make a game, but not how to conduct business, market, and launch a game. This book dives into topics that every indie developer should know. – Yukon Wainczak, Founder of Snoozy Kazoo I've seen no better guide for understanding how the video game industry really works. An important read for anyone whose work touches games, including those of us looking to engage the community. – Carla Warner, Director of STREAM for No Kid Hungry *The Business of Indie Games* explores what many universities forget to cover: how to sell and market your own indie game to potential publishers and developers. While many classes help students on their way to designing and programming their own games, there are few classes that equip students with the skills to sell their own product. In essence, this means future indie game developers are not equipped to talk to investors, negotiate with publishers, and engage with major platforms like Steam and Nintendo. Authors Alex Josef, Alex Van Lepp, and Marshal D. Carper are looking to rectify this problem by helping indie game developers and companies level up their business acumen. With detailed chapters and sections that deal with different engines, negotiation tactics, and marketing, *The Business of Indie Games* is the perfect omnibus for up-and-coming indie game developers. The future of gaming curriculums is not just in teaching students how to create games but also in preparing them for

the business of games.

**Indie Games** Mike Diver, 2016-03-24 Everything you need to know about the exciting new trend of indie gaming. Independently made video games have become some of the most original, ingenious and successful games available on the market today. Matched against giant tech companies and their mammoth-budget franchises, indies, have demonstrated the extraordinary impact that individuals and small teams can have on the direction of the gaming world. Mike Diver takes us behind the scenes to explore this incredible movement, where freedom from major studios has allowed for near-infinite possibilities, revolutionizing gaming mechanics and remoulding genres. Including interviews with legendary developers such as Tim Schafer and David Braben as well as the brains behind newer studios such as The Chinese Room, Hello Games and Simogo, Indie Games introduces us to the personalities, the passion and the practicalities that have transformed an industry.

**Indie Games in the Digital Age** M.J. Clarke, Cynthia Wang, 2020-04-16 A host of digital affordances, including reduced cost production tools, open distribution platforms, and ubiquitous connectivity, have engendered the growth of indie games among makers and users, forcing critics to reconsider the question of who makes games and why. Taking seriously this new mode of cultural production compels analysts to reconsider the blurred boundaries and relations of makers, users and texts as well as their respective relationship to cultural power and hierarchy. The contributions to Indie Games in the Digital Age consider these questions and examine a series of firms, makers, games and scenes, ranging from giants like Nintendo and Microsoft to grassroots games like Cards Against Humanity and Stardew Valley, to chart more precisely the productive and instructive disruption that this new site of cultural production offers.

Indie Games Bounthavy Suvilay, 2020-02-04 Video games have grown exponentially in recent years and have captured the hearts of millions thanks to the success of titles such as Minecraft, Journey, Limbo, Dead Cells, The Banner Saga or Firewatch. To compete with the blockbusters, the independents have had to be massively creative and come up with innovative gameplay, top-notch writing, original graphic universes, and sumptuous soundtracks. INDIE GAMES pays homage to some of the greatest success stories in the world of independent video games. Superbly illustrated, INDIE GAMES contains more than three hundred images from titles that revolutionized the gaming industry. Full of anecdotes and interviews with personalities like industry veteran Eric Chahi and young designers like Ian Dallas. You will see behind the scenes at Indie studios, revealing the creators, designs and marketing. This exploration will give you a better understanding on what is an Indie game. Official and authorized, with the participation of studios around the world, including over 50 interviews highlighting over 70 games, INDIE GAMES is the most complete and up-to-date overview of indie video gaming. With exclusive behind the scenes content provided by the studios, it serves as a fitting tribute to the audacity of these developers, who have elevated video games into an art.

*Indie Games* Bounthavy Suvilay, 2022-08-03 The 2nd volume in the hit art book series, covering the history, artwork, and sound design of independent video games! Indie Games 2 explores the major developments in independent

games since 2018. Superbly illustrated and documented, for enthusiasts and curious amateurs alike, this book gives voice to those who drive this cultural industry. Featuring exclusive interviews, and more than 300 illustrations, concept arts and unpublished sketches, through which the reader will get a glimpse behind the scenes and get answers from the key people behind the blockbuster independent video games. Discover more than 300 independent video games within, including: A Plague Tale: Innocence, A short Hike, Children of Morta, Carto, Creaks, Eastward, Factorio, Frostpunk, Genesis Noir, Haven, LUNA—The Shadow Dust, Old Man's Journey, Return of the Obra Dinn, Sayonara Wild Hearts, Season, Slay the Spire, Spelunky 2, Untitled Goose Game, When the Past Was Around, and more...

*Narrative Design for Indies* Edwin McRae, 2017-10-23 Short, sharp advice on getting story into your Indie game. Whether you're an Indie developer or a narrative designer wanting to work in the Indie space, this book will take you through some tried and true techniques of Indie video game storytelling. These techniques have been developed to blow minds, not budgets. An approachable, practical field guide for one of the trickiest and most rewarding aspects of game development, *Narrative Design for Indies* is packed with straightforward, actionable advice. Worth your time! - Chris Bourassa, Creative Director of Darkest Dungeon. This book's real strength lies in the fact that it's aimed directly at the indie developer with specific examples to bolster that. - Steve Ince, Creator of Captain Morgane and So Blonde.

Hardcore Gaming 101 Presents: the Guide to Retro Indie Games Kurt Kalata, Chris Rasa, Bryan Cebulski, Zillion Taborda, Anthony LaBella, Elliot Davies, Max Silbiger, Michael Plasket, Ed Burns, Jonathan Kaharl, Sam Derboo, 2017-12-10 With the introduction of Steam and other digital download services, the indie game development scene has greatly expanded, allowing the return of classic genres that were previously thought to be unviable. Thus, classic games like 2D platformers, Metroidvanias, point-and-click adventures, role-playing games, and shoot-em-ups have returned to the limelight. HG101 Presents: The Guide to Retro Indie Games Vol. 1 catalogs some of our favorites of these types of games, including Shovel Knight, Freedom Planet, Undertale, Night in the Woods, Dust: An Elysian Tail, Assault Android Cactus, nearly all of Wadjet Eye's library, and many others!

*A Practical Guide to Indie Game Marketing* Joel Dreskin, 2015-12-23 Marketing is an essential but too frequently overlooked or minimized component of the release plan for indie games. *A Practical Guide to Indie Game Marketing* provides you with the tools needed to build visibility and sell your indie games. With special focus on those developers with small budgets and limited staff and resources, this book is packed with tangible recommendations and techniques that you can put to use immediately. As a seasoned professional of the indie game arena, author Joel Dreskin gives you insight into practical, real-world experiences of marketing numerous successful games and also provides stories of the failures.

*The Indie Game Developer Handbook* Richard Hill-Whittall, 2017-08-09 The indie game developer's complete guide to running a studio. The climate for the games industry has never been hotter, and this is only set to continue as the marketplace for tablets, consoles and phones grows. Seemingly every day there is a story of how a successful app or game has earned thousands of downloads and revenue. As the market size increases, so does the number of

people developing and looking to develop their own app or game to publish. The Indie Game Developer Handbook covers every aspect of running a game development studio from the initial creation of the game through to completion, release and beyond. Accessible and complete guide to many aspects of running a game development studio from funding and development through QA, publishing, marketing, and more. Provides a useful knowledge base and help to support the learning process of running an indie development studio in an honest, approachable and easy to understand way. Case studies, interviews from other studios and industry professionals grant an first-hand look into the world of indie game development

Indie Games Bounthavy Suvilay,2020-02-04 Video games have grown exponentially in recent years and have captured the hearts of millions thanks to the success of titles such as Minecraft, Journey, Limbo, Dead Cells, The Banner Saga or Firewatch. You will see behind the scenes at Indie studios, revealing the creators, designs and marketing. This exploration will give you a better understanding on what is an "Indie" game. Official and authorized, with the participation of studios around the world, including over 50 interviews highlighting over 70 games, INDIE GAMES is the most complete and up-to-date overview of indie video gaming. With exclusive behind the scenes content provided by the studios, it serves as a fitting tribute to the audacity of these developers, who have elevated video games into an art.

**Indie Gaming** Brian Bies,2017-04-25 Indie Gaming provides insights and a depth of knowledge that you would only expect from an industry veteran. -- David Helgason, Co-Founder of Unity Technologies The video game industry is poised to change in a significant way. Indie game entrepreneurs are the key to unlocking a future that will redefine how video games are perceived: an art form, an entertainment medium, and a business. Video games are a \$100 billion business that will soar to new heights when independent game developers recognize their entrepreneurial roots and hone their skills. After countless interviews with innovators and entrepreneurs at the forefront of the industry, Brian Bies has refined years of industry experience to provide readers with an easy-to-read understanding about how to be an effective entrepreneur in the video game industry. This book highlights essential strategies and tactics necessary to succeed in video games. The next sandbox for future entrepreneurs to disrupt is an industry that is at the intersection of entertainment and technology. Indie Gaming will show you how entrepreneurship is the next noteworthy event to overtake the video game industry. And what you can do to get in on the ground floor.

Indie Games 2 Bounthavy Suvilay,2022-08-16 The 2nd volume in the hit art book series, covering the history, artwork, and sound design of independent video games! Indie Games 2 explores the major developments in independent

games since 2018. Superbly illustrated and documented, for enthusiasts and curious amateurs alike, this book gives voice to those who drive this cultural industry. Featuring exclusive interviews, and more than 300 illustrations, concept arts and unpublished sketches, through which the reader will get a glimpse behind the scenes and get answers from the key people behind the blockbuster independent video games. Indie G Zine Julián Quijano,2016-08 A celebration of both art and indie games.

### **Going Indie ,**

End-to-End Game Development Nick Iuppa,Terry Borst,2012-10-12 You're part of a new venture, an independent gaming company, and you are about to undertake your first development project. The client wants a serious game, one with instructional goals and assessment metrics. Or you may be in a position to green light such a project yourself, believing that it can advance your organization's mission and goals. This book provides a proven process to take an independent game project from start to finish. In order to build a successful game, you need to wear many hats. There are graphic artists, software engineers, designers, producers, marketers - all take part in the process at various (coordinated) stages, and the end result is hopefully a successful game. Veteran game producers and writers (Iuppa and Borst) cover all of these areas for you, with step by step instructions and checklists to get the work done. The final section of the book offers a series of case studies from REAL indy games that have been developed and launched successfully, and show exactly how the principles outlined in the book can be applied to real world products. The book's associated author web site offers ancillary materials & references as well as serious game demos and presentations.

*The Indie Game Development Survival Guide* David Michael,2003 Provides details on designing and developing a computer game, covering such topics as choosing a game concept, task identification, budgeting, working with a team, project testing, and marketing and promotion.

Spelunky Derek Yu,2016-03-29 A game's creation as told by its creator, perhaps the best primer on game design.

Pixel Art for Game Developers Daniel Silber,2015-07-28 Is the art for your video game taking too long to create? Learning to create Pixel Art may be the answer to your development troubles. Uncover the secrets to creating stunning graphics with Pixel Art for Game Developers. The premier how-to book on Pixel Art and Pixel Art software, it focuses on the universal principles of the craft.The book provide

*Punk Playthings* Sean Taylor,Chris Lowthorpe,2017-11-13 Punk Playthings Provocations for 21st Century Game Makers Punk was an attitude. It was never about having a Mohican haircut or wearing a ripped T-shirt. It was all about destruction, and the creative potential within that. Malcolm McLaren Warning: If you want a silver bullet solution for efficient game making or a step-by-step guide to receiving Indie Game Dev hero worship, you're in the wrong

place. Put the book back on the shelf. Punk Playthings is an antidote to complacency and orthodoxy. Packed with probes and provocations that explore game making through fresh lenses for uncertain times, it challenges gaming monoculture by constructing a trading space for ideas and learning from across domains and cultures. Punk Playthings has zero respect for boundaries between mediums, industries, sectors, specialisms or disciplines. Instead, it challenges you to expand your cultural capital, think laterally and make new connections. Punk Playthings advocates a truly independent mindset and DIY approach for creating playful experiences with cultural resonance. It proclaims creative entrepreneurship as the true legacy of punk. Punk Playthings is not for everyone. But it might be for you.

The Enthralling World of Kindle Books: A Comprehensive Guide Unveiling the Advantages of E-book Books: A Realm of Ease and Versatility Kindle books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books.
