

Ancient Scriptures

David Tasker

Ancient Readers and their Scriptures Garrick Allen, John Anthony Dunne, 2018-10-08 Ancient Readers and their Scriptures explores the ways that ancient Jews and Christians interpreted the Hebrew Bible in antiquity, focusing on the processes of reading that are preserved in the textual and material record of the corpora that engage Jewish scripture.

The Bible and the Ancient Near East Cyrus Herzl Gordon, Gary Rendsburg, 1997 Explores the diverse origins of such stories as the creation and the flood in the cultures of the ancient Near East. This up-to-date revision of a classic work draws on the latest archaeological and linguistic research to fill in the historical realities behind the great stories of the Bible. Shows striking parallels in the foundational stories told in the Egyptian, Persian, Greek, and Hebrew cultures of the time.

Ancient Readers and Their Scriptures Allen V. Garrick, John Anthony Dunne, 2019 Ancient Readers and their Scriptures explores the ways that ancient Jews and Christians interpreted the Hebrew Bible in antiquity, focusing on the processes of reading that are preserved in the textual and material record of the corpora that engage Jewish scripture.

The Ancient Scriptures VS. The Modern Jew David Baron, 2022-01-04 The Ancient Scriptures and the Modern Jew is a religious work written by David Baron, a Jewish convert to Christianity, in which he states the case of the general condition of his nation at the end of the nineteenth century. The work is divided into two parts. The first part consists of related expositions of some of the most remarkable prophetic statements in the ancient Scriptures. They are independent Bible Studies of very sincere and important subjects, but organized in a progressive order, presenting that the turning centuries unfold an everlasting purpose, and that prophecy was history written in advance. The second part is written with the goal to present, from a Christian and Bible standpoint, an all-round view of The Jewish Question, which will see the pressure rising upon the attention of the nations, and the development of which must be observed with the highest possible interest.

Authoritative Scriptures in Ancient Judaism Mladen Popović, 2010-06-14 The notion of authoritative Scriptures plays an important part in the new paradigm of canonical process. This volume focuses on specific texts or corpora of texts, and approaches the notion of authoritative Scriptures from sociological, cultural and literary perspectives.

Ancient Near Eastern Literature and the Hebrew Scriptures about the Fatherhood of God David Tasker, 2004 Ancient Near Eastern Literature and the Hebrew Scriptures About the Fatherhood of God discusses some of the main «father-god» concepts of the people of the Ancient Near East, then examines the eighteen occurrences of God's fatherhood specifically mentioned in Hebrew Scripture. From these sources, the book develops a theology of God's fatherhood that honors both ancient and modern scrutiny. Although many studies have explored the subject of the fatherhood of God - mostly from the perspective of nonbiblical disciplines, and through the lens of Greco-Roman mythology - this book takes into account the wealth of material from the ancient Near East, the birthplace of the Hebrew Scriptures.

The Lost World of Scripture John H. Walton, Brent Sandy, 2013-11-01 Readers' Choice Awards Honorable Mention Preaching's Preacher's Guide to the Best Bible Reference From John H. Walton, author of the bestselling Lost World of Genesis One, and D. Brent Sandy, author of Plowshares and Pruning Hooks, comes a detailed look at the origins of scriptural authority in ancient oral cultures and how they inform our understanding of the Old and New Testaments today. Stemming from questions about scriptural inerrancy, inspiration and oral transmission of ideas, The Lost World of Scripture examines the process by which the Bible has come to be what it is today. From the reasons why specific words were used to convey certain ideas to how oral tradition impacted the transmission of biblical texts, the authors seek to uncover how these issues might affect our current doctrine on the authority of Scripture. In this book we are exploring ways God chose to reveal his word in light of discoveries about ancient literary culture, write Walton and Sandy. Our specific objective is to understand better how both the Old and New Testaments were spoken, written and passed on, especially with an eye to possible implications for the Bible's inspiration and authority. The books in the Lost World Series follow the pattern set by Bible scholar John H. Walton, bringing a fresh, close reading of the Hebrew text and knowledge of ancient Near Eastern literature to an accessible discussion of the biblical topic at hand using a series of logic-based propositions.

The Lost Light: An Interpretation of Ancient Scriptures Alvin Boyd Kuhn, 2021-11-09T22:55:00Z Kuhn contended that the Bible derived its origins from other Pagan religions and that much of Christian history was pre-extant as Egyptian mythology. He also proposed that the Bible was symbolic and did not depict real events, and argued that the leaders of the church started to misinterpret the bible at the end of the third century. These controversial ideas outside of mainstream history and theology are rejected by most pre-eminent scholars, but many including Tom Harpur and John G. Jackson were influenced by the works of Kuhn. Harpur even dedicated his best-selling 2004 book, The Pagan Christ to Kuhn, calling him a man of immense learning and even greater courage and one of the single greatest geniuses of the twentieth century [who] towers above all others of recent memory in intellect and his understanding of the world's religions.

The Ancient Scriptures and the Modern Jew David Baron, 1909

Our Bible and the Ancient Manuscripts Sir Frederic George Kenyon, 1895

A General Introduction to the Bible David Ewert, 2010-05-11 What does the word Bible mean? Who wrote the Bible? Has it changed over time? Why are there so many translations? A General Introduction to the Bible answers these questions and more. Without becoming too technical for the average layperson, David Ewert surveys the history, formation, transmission, and translation of the Christian Bible in an informative and captivating way. Topics include: Meaning of Bible and the naming of biblical books Transmission of sacred scriptures The thousand-year story of the English Bible Bible organization Development of biblical languages Canon of the testaments Extracanonical books Early versions of the Bible Choosing a translation Features include: Photographs of ancient texts, Bible pages, key individuals, and settings Maps and charts that show the development of languages, textual families, and the relationship of various translations and revisions Suggested readings and an extensive glossary and index From ancient tablets to modern translations—God's Word to humanity has been profoundly impacting the world for several millennia. And after learning about its fascinating history, your appreciation for the Bible will surely increase even more.

Lost Light Alvin Boyd Kuhn,2013-10 This is a new release of the original 1940 edition.

A History of Biblical Interpretation, Volume 1 Alan J. Hauser,Duane F. Watson,2003 At first glance, it may seem strange that after more than two thousand years of biblical interpretation, there are still major disagreements among biblical scholars about what the Jewish and Christian Scriptures say and about how one is to read and understand them. Yet the range of interpretive approaches now available is the result both of the richness of the biblical texts themselves and of differences in the worldviews of the communities and individuals who have sought to make the Scriptures relevant to their own time and place. *A History of Biblical Interpretation* provides detailed and extensive studies of the interpretation of the Scriptures by Jewish and Christian writers throughout the ages. Written by internationally renowned scholars, this multivolume work comprehensively treats the many different methods of interpretation, the many important interpreters who have written in various eras, and the many key issues that have surfaced repeatedly over the long course of biblical interpretation. The first volume explores interpreters and their methods in the ancient period, from the very earliest stages to the time when the canons of Judaism and Christianity gained general acceptance. The second volume contains essays by fifteen noted scholars discussing major methods, movements, and interpreters in the Jewish and Christian communities from the beginning of the Middle Ages until the end of the sixteenth-century Reformation. The authors examine such themes as the variety of interpretive developments within Judaism during this period, the monumental work of Rashi and his followers, the achievements of the Carolingian era, and the later scholastic developments within the universities, beginning in the twelfth century. Included are bibliographical references for even deeper study. - Publisher.

The Dictionary of the Bible and Ancient Media Tom Thatcher,Chris Keith,Raymond F. Person, Jr.,Elsie R. Stern,2017-10-19 The Dictionary of the Bible and Ancient Media is a convenient and authoritative reference tool, introducing specific terms and concepts helpful to the study of the Bible and related literature in ancient communications culture. Since the early 1980s, biblical scholars have begun to explore the potentials of interdisciplinary theories of oral tradition, oral performance, personal and collective memory, ancient literacy and scribality, visual culture and ritual. Over time these theories have been combined with considerations of critical and exegetical problems in the study of the Bible, the history of Israel, Christian origins, and rabbinics. The Dictionary of the Bible and Ancient Media responds to the rapid growth of the field by providing a source of reference that offers clear definitions, and in-depth discussions of relevant terms and concepts, and the relationships between them. The volume begins with an overview of 'ancient media studies' and a brief history of research to orient the reader to the field and the broader research context of the book, with individual entries on terms and topics commonly encountered in studies of the Bible in ancient media culture. Each entry defines the term/ concept under consideration, then offers more sustained discussion of the topic, paying particular attention to its relevance for the study of the Bible and related literature

Tradition, Scripture, and Interpretation D. H. Williams,2006-11 This sourcebook gathers key writings from the first through sixth centuries arranged thematically, and within each theme, chronologically, revealing how the Christian tradition on a given topic developed over time.

MEET THE ANCIENT SCRIPTURES OF HINDUISM Prof. V. Krishnamurthy,2019-03-18 Providing a wire-frame for the juxtaposition of the hoary sacred texts of Hinduism, the book offers a first acquaintance with them in a simplistic and authentic way -- all peppered with bite-sized excerpts ranging from the holy Vedas to the Puranic tales along with meaningful insights that whet the appetite.

From Ancient Writings to Sacred Texts S. A. Nigosian,2004-10-29 Nigosian explores the diverse literary antecedents of the Old Testament as well as the Apocrypha -- books excluded from the canonical Hebrew text but included in the Septuagint.

A Comparative History of Religions: Ancient scriptures James Clement Moffat,1871

Reading the Bible in Ancient Traditions and Modern Editions Andrew B. Perrin,Kyung S. Baek,Daniel K. Falk,2017-11-17 A collection of essays commemorating the career contributions of Peter W. Flint An international group of scholars specializing in various disciplines of biblical studies—Dead Sea Scrolls, Septuagint, Hebrew Bible/Old Testament, Second Temple Judaism, and Christian origins—present twenty-seven new contributions that commemorate the career of Peter W. Flint (1951–2016). Each essay interacts with and gives fresh insight into a field shaped by Professor Flint's life work. Part 1 explores the interplay between text-critical methods, the growth and formation of the Hebrew Scriptures, and the making of modern critical editions. Part 2 maps dynamics of scriptural interpretation and reception in ancient Jewish and Christian literatures of the Second Temple period. Features Essays that assess the state of the field and reflect on the methods, aims, and best practices for textual criticism and the making of modern critical text editions Demonstrations of how the processes of scriptural composition, transmission, and reception converge and may be studied together for mutual benefit Clarification of the state/forms of scripture in antiquity and how scripture was extended, rewritten, and recontextualized by ancient Jewish and Christian scribes and communities

Reading the Old Testament with the Ancient Church Ronald E. Heine,2007-09 Examines the role played by the Old Testament in the formation of early Christian thinking.
