**Ancient Aliens Exposed** Vernon Macondald,2014-06-24 Ancient Aliens Exposed! A Skeptical Look At The TV Phenomenon Or otherwise titled A Critical Look at Ancient Aliens and other Galactic Bunk Ancient Aliens is an American television program that premiered on the so-called History Channel on April 20, 2010. The show supports the ancient astronaut theory, which believes that many historical texts, archeological sites and legends contain evidence of past alien contact. Ancient Aliens Exposed takes a skeptical look at some of the main claims made by this show and finds them wanting. If you or anyone you know has ever been taken in by the sheer hokum of this series, consider this little book the antidote.

***UFOs: God's Chariots?*** Ted Peters,2014-05-19 Are UFOs celestial saviors, coming to save Earth from self-destruction? Are UFOonauts advancing human evolution by birthing hybrid children? Is it time for a new "astrotheology" that enshrines the UFO phenomenon at the same level as the space sciences at NASA and SETI? *UFOs: God's Chariots?* uncovers and exposes the clandestine spiritual dimensions within the UFO phenomenon. UFOs vibrate with transcendence, omniscience, perfection, and redemption. *UFOs: God's Chariots?* delves deeply into government conspiracies, analyzes the newest models of close encounter interpretation, and reveals the results of The Peters ETI Religious Crisis Survey, in which self-identified believers were asked if making contact with an intelligent extraterrestrial civilization would undermine our historic religious traditions. They said no. Does this mean we're ready to share our pews with aliens?

**Ancient Aliens on the Moon** Mike Bara,2012-03-27 Best-selling author and Secret Space Program researcher Bara brings us this lavishly-illustrated volume on alien structures on the Moon. He looks into the history of lunar anomalies and the early NASA programs. He gives us an examination of ruins on the Moon in the Sinus Medii region using images from the Surveyor, Lunar Orbiter and Ranger missions. He looks at the Apollo lunar missions to the Moon and the photographic evidence supporting the theory that transparent domes exist at the edge of craters on the orb. Did the domes encompass settlements of humans or other beings who lived there? He looks at further anomalies in the Mare Crisium region, including the hexagonal shape of the Crisium region itself. In this area, domes over the craters resemble watch-crystals. See the evidence in pictures of Cleomedes F and Cleomedes F/a, and an historical image of a giant shard of transparent material that was whitewashed from later versions of the same image. Bara discusses the popular theory that the film "2001 –A Space Odyssey" was used as a training ground for Stanley Kubrick to develop the technology to fake the footage of the moon landings. He also explores the curious mission of Apollo 17-possibly a technology salvage mission, primarily concerned with investigating an opening into a massive hexagonal ruin near the landing site. Bara details how the astronauts managed to get nearly 30 minutes of "off camera" time to investigate an entrance into the ruin and then later proceeded to a nearby crater to retrieve technological objects. He examines evidence from the Russian Zond series of lunar probes, as well as the more current Clementine and Lunar Reconnaissance Orbiter data, including an in-depth

study of strange objects in Tycho crater. Also included: a look at the current politics of the new race to return to the Moon and what hidden agendas may be behind it. Finally, Bara looks at the various arguments that the entire Moon is an artificial object. Bara shows how the Moon would have been an ideal place for an alien species involved in genetic experimentation on Earth to have set up a base. 292 Pages. 6x9 Paperback. Illustrated. **Aliens and UFOs in Ancient China** Yin Zhe, 2016-04-21 The search for evidences of the Ancient Aliens, UFOs, and Extraterrestrial Events bring us to the most unlikely and inaccessible of sources: the ancient Chinese records. This book documents historical accounts of extraterrestrial encounters from times of antiquity in ancient China, rigorously researched and compiled into a volume of anomalous abundance, that will surely intrigue the most fervent of ufologists, ancient alien theorists, and alternative historians, and serve as a testimony to exemplify the important roles that ancient China play in the development of the Ancient Aliens theories.

**Ancient Alien Ancestors** Will Hart, 2017-07-18 Explores evidence for the theory of directed panspermia--that life on Earth and the landscape of Earth itself was engineered by extraterrestrials • Details how the Earth was terraformed through a sophisticated geo-engineering program, providing clear examples such as the precise mathematical longitude configurations of the Great Pyramid of Giza with the major rivers on Earth • Shows how our spectrum of blood types supports the theory of panspermia while directly contradicting the conventional "out of Africa" theory of evolution • Examines the strongest modern UFO accounts, including the Russian Roswell case, as well as the suppressed UFO sightings of NASA astronauts In the early 1970s, Nobel Prize-winning DNA co-discoverer Sir Francis Crick and his colleague Leslie Orgel proposed that in the distant past, an extraterrestrial race sent a spacecraft loaded with microorganisms to seed the Earth with life. Now, more than 40 years later, the fields of space research and biotechnology have advanced to the point where they can back up Crick and Orgel's claims about our ancient alien ancestors. Sharing scientific evidence of alien involvement with life on our planet and with the very landscape of Earth itself, Will Hart refines the theory of directed panspermia--that life was intentionally seeded on Earth by extraterrestrials--to reveal that the same ET agency also created humans and generated civilization. He shows how the Earth was terraformed through an engineering program so sophisticated and vast that it has escaped our attention so far--for example, the major rivers on Earth are precisely aligned through geo-engineering with the Great Pyramid of Giza. Revealing the Great Pyramid as an alien message in stone, the author explains how the Giza pyramids could not have been built by the ancient Egyptians and examines the extraterrestrial energy technologies used to move the pyramids' massive stone blocks, methods later rediscovered by Nikola Tesla and the builder of Coral Castle, Edward Leedskalnin. He details how an advanced race implanted the basic genome on Earth as well as genetically engineered the human race and shows how our spectrum of blood types supports the theory of panspermia

while directly contradicting the conventional “out of Africa” theory of evolution. Investigating how the extraterrestrial agency behind the origin of civilization is still working behind the scenes today, the author examines the strongest modern UFO accounts, including the Russian Roswell case and the suppressed UFO sightings of NASA astronauts. He shows that this advanced ET civilization is not an alien race in the way we normally think of “aliens”—they are our ancestors and as human as we are.

**Ancient Aliens and Secret Societies** Mike Bara, 2015-03-17 Did ancient “visitors”—of extraterrestrial origin—come to Earth long, long ago and fashion man in their own image? Did they then lift the human race out of the ashes of a great global catastrophe around 10,500 BC? Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era? Was this crucial information about our future and our true past hijacked by secretive cabals, some with bad intent and some with altruistic designs, who have held these secrets over the millennia? New York Times bestselling author Mike Bara says the answer to each of these questions is “yes.” He examines ancient documents, including the Bible, to delve into the true story of the beginnings of mankind. He establishes the reality of the major catastrophe that jolted the human race, and traces the history of secret societies from the priesthood of Amun in Egypt to the Templars in Jerusalem and the Scottish Rite Freemasons. He shows how the spiritual wisdom and scientific knowledge the ETs sought to bestow on all humanity were kept by these secret societies for their own benefit. The influence of these sects and their extraterrestrial ties are said to be the stuff of myth, but Bara will show readers that this influence is all too real, extending even into the political arena. He has a very interesting take on the Kennedy assassination! Bara also reveals the true origins of NASA and exposes the bizarre triad of secret societies in control of that agency since its inception. In the end, Bara shows how NASA is manipulating the space program to fulfill occult purposes—which may lead to our meeting the very ETs we have been inextricably linked with since the beginning.

**Ancient Alien Question, 10th Anniversary Edition** Philip Coppens, 2021-03 . . . an important and outstanding contribution. --Erich von Däniken, bestselling author of Chariots of the Gods The Ancient Alien

Question provides a captivating adventure around the world and sheds an interesting perspective on the Ancient Astronaut Theory. --Giorgio A. Tsoukalos, producer of Ancient Aliens: The Series Philip Coppens covers all the bases on this controversial topic. His research is thorough and he addresses each topic with a balanced overview that cuts through the jungle of confusion with a very sharp machete of reason. --David Hatcher Childress, author of Technology of the Gods The Ancient Alien Question reveals an array of astonishing truths, including: A radically different understanding of the pyramids and how they were constructed The extraordinary stories behind monuments such as the Nazca lines and Puma Punku How extraterrestrials came to our planet and the evidence that supports this Analyzing the historical and archaeological evidence, Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted, and that certain cultures interacted with nonhuman intelligences. Our ancestors were clearly not alone. Fifty years after Erich von Däniken posed these questions in Chariots of the Gods, Coppens provides clear, concise answers to the great historical enigmas in an accessible, readable format. Your view of human history will never be the same again!

**Weapons of the Gods** Nick Redfern, 2016-04-25 In 1945, the Japanese cities of Hiroshima and Nagasaki became the first and last victims of the atom bomb, the most destructive man-made force our planet has ever known. Or were they just the latest in a long line of Armageddon-level events? Is it possible that our civilization is, in reality, just one of many? Did previous cultures blossom, develop, and thrive, only to destroy themselves, tens or hundreds of thousands of years ago, with the same atomic technology? These are the controversial and thought-provoking questions at the heart of Nick Redfern's Weapons of the Gods, which argues that many ancient civilizations cracked the secrets of the atom, only to become the victims of its awesome, terrifying power. Still others may have been destroyed by hostile aliens with their own nuclear arsenals. Where is the evidence? The answer is shockingly simple: it's everywhere. It's just a matter of knowing where to look for it, from the biblical cities of Sodom and Gomorrah and the ancient Pakistani culture of Mohenjo-daro, Pakistan, to the Lonar Crater in India and the revelations in the Ramayana and Mahabharata, two ancient Sanskrit texts that describe nuclear warfare thousands of years ago.

**Ancient Aliens in the Bible** Xaviant Haze, 2017-10-23 "Starting from the Old Testament these pages address the story of what is often not highlighted or, worse, deliberately forgotten or interpreted differently in order to conceal the potential disruptive effects."—Mauro Biglino Did a distant race of ancient aliens once inhabit the lands of the Bible? Do the ancient writings of the Bible and other texts provide proof of their existence? Did the "prophets" have close encounters with ancient aliens? Were the "angels" physical beings sent to perform specific tasks by their alien masters? Ancient Aliens in the Bible answers these questions and more. Analyzing the historical and archaeological evidence, and using the work of former Vatican translator Mauro Biglino as his guide, Xaviant Haze provides ample proof that what our

ancestors described in ancient biblical texts were real-life events and not visions. The UFO encounters in the Bible are described as concrete experiences by flesh-and-blood beings. The angels were assigned specific duties and struggled to carry them out; some even rebelled and took earthly wives, forbidden by their superiors. Ancient Aliens in the Bible reveals that: • Lamech's wife gave birth to the son of an angel with glowing eyes. • Moses was led to the promised land by UFOs. • Noah's great-grandfather, Enoch, got a heavenly tour of space. Your view of the Bible will never be the same.

Remnants of a Distant Past Ken Jeremiah, 2013-05-15 The most logical explanation for the UFO phenomenon, and a new take on the Ancient Alien theory: This book explores the possibility that UFOs are not piloted by aliens, but by humans. However, they are not piloted by modern humans, but by remnants of an ancient, advanced civilization that survived the last ice age. This idea might sound ridiculous upon hearing it for the first time, but evidence supports this conclusion. There is more evidence to back up this theory than there is to support the idea that extraterrestrials pilot such craft. "Remnants of a Distant Past" explores this possibility, and provides information about sightings in the famous Bermuda and Pacific Triangles. It also explores the possibility of active underwater cities, advanced ancient civilizations, and the cyclical nature of time. This book offers a new way to interpret existing evidence: a way that might change forever the common view of UFOs and extraterrestrial visitations.
