**Exposed!** Vehicle Information Resource LLC,2017-12-21 Are you in search of a new vehicle and hate the idea of not knowing if you got a good deal? Well, to relieve you from the hassles and negotiations the car dealerships implement, you need to be on a level-playing field. On January 18, 2013, Vehicle Information Resource LLC was formed to assist people in the purchase of their next vehicle. The owner of this company has over thirty years automotive experience and is now able to share the secrets the car dealerships use to negotiate their best deals. This book is not designed to bash car dealerships! It is designed to disclose the secrets the dealers will use in maximizing their profits. People hate to shop for a car because they dislike the negotiation process, the inflicted pressure to buy today, and not being familiar with the terms of leasing or purchasing a vehicle. In order for you to get the best deal, you need to know these secrets. To prepare you in getting your best deal, this book includes the negotiation skills and terminology, compares leasing versus buying, contract disclosures, advertising examples, and statements the dealers will use in selling you your next vehicle. Our intention is to get you the best deal and for you to avoid the aggravations which comes with a vehicle purchase.  
What Car Dealers Won't Tell You Bob Elliston,1996 What car dealers won't tell you, auto industry insider Bob Elliston will. Whether you're leasing or buying, whether you're purchasing a new or used car, this comprehensive, user-friendly handbook will help buyers get the best deal in town.
