The Roots that Clutch A.E. Bross,2020-08-04 Theia is an unforgiving world, one of sand and heat. There are no rains, and what water there is trickles from dying springs and wells. Those who control the waters control all. They are the god-kings. These tyrants of the last remaining city-states have shackled their subjects and depleted world, enslaving all by the might of their false divinity. Above all, they control thaûma—Theia’s magic. For anyone on the desert planet unfortunate enough to possess the ability to wield thaûma—called thaumaturges—only indoctrination and servitude await them at the hands of the god-kings. This is Tirzah's curse. Tortured by a sadistic older sister and kept locked from sight by her sycophant father, Tirzah’s life is one of shame and cruelty. Even the awakening of her thaûma brings her no respite, and she is soon used as a gift to curry favor with the nearest of the god-kings. She narrowly escapes her bonds with the help of a member of the insurgent thaumaturge order known as the Shadow Collective. After the rescue, Tirzah finds a new life among the outcasts of Theia’s wastelands. Yet the deserts are no place to hide, and before long the brutal realities of Theia threaten to shatter her fragile freedom, and drag her back into the shadows of the god-kings themselves. Content Note: Please be aware this work contains depictions of abuse, violence, and death/dying.

Light & Dark: The Black Bonded D. M. Fife,2021-07-15 Danny Firoth returns home from a magical, yet deceitful, summer at the White Rock Academy of Illumination, only to face a new terror, high school. However, the woes of the school's halls are quickly forgotten when Danny is summoned

to the high Council of the Elvin Elders in Elsmelda, the capital city of the Elves. Danny learns that being the Light's prophesized savior, the Mageknight, comes with a fancy new title and massive new responsibilities. Distraught with trying to meet his new station's requirements and coming to terms with the loss of his father's Bonded and the perplexing relationship with his infatuation, Sabrina Drake, Danny is tested even more as a second-year squire. Danny and his friends are placed center stage as they are presented with Bondeds of their own and inducted into an army, competing in mock warfare for the grandest trophy of all, the Chalice of Light. If that was not enough, Danny is confronted with a question of trust among the Order of Light, the growing need to unravel the deeper mystery of the Mageknight, and the foreboding plan of his betrayer, Syndil Sartak Tribolari, in his search for a weapon that could bring about the end of the Light and all living things, The Black Bonded.

The Nirukta is a famous work of Yaska. It is the oldest Indian Treatise on Etymology, Philology and Semantics. This being a commentary on the Nighantus, collection of obscure words which tradition ascribes also to Yaska, follows the three-fold division of the contents of the Nighantus. There are three sections in the Nirukta, viz., Naighantuka Kanda (consisting of lists in which Vedic words are collected under certain main ideas), Naigama Kanda or Aikapadika (containing a list of ambiguous and particularly difficult words of the Vedas) and Daivata- Kanda (classification of deities according to the three regions: earth, sky and heaven). The book is divided into three parts. These contain Introduction, Translation and Sanskrit Text, accompanied by exegetical and critical Notes, Indices and Appendices.

Patrol Response to Contemporary Problems John A. Kolman, 2006 This textbook instructs patrol officers in their roles and responsibilities as first responders, with attention to new and evolving threats and responses to incidents that have broadened the scope of responsibility of the patrol officer. The first of the five parts of the book contains four chapters on patrol officer's preparation and conditioning. These chapters focus on the importance and features of mental and physical fitness and preparing for various police encounters, some of which may involve a fight for survival. The four chapters of Part 2 address training and equipment. The chapters discuss the principles of combat shooting, the specifications of intermediate rifles for use in patrol work, specialty impact systems that can be used as less-lethal force options, and first responders' recognition of explosives. Part 3 consists of three chapters on various types of patrol procedures: the use of police dogs in patrol operations, vehicle stops, and building searches. The four chapters of Part 4 consider patrol responses to critical incidents. One chapter instructs patrol officers in the responsibilities of first responders at the scene of a hostage/barricade/suicide incident. A second chapter describes the tactic of immediate action/rapid deployment, which is recommended for patrol officers who are the first responders to a violent attack in progress that involves multiple actual and potential victims. A third chapter describes the planning and implementation of procedures for a unified command when multiple agencies are responding to a mass disaster. A fourth chapter focuses on knowledge and procedures used by first responders in their handling of disasters caused by terrorists' weapons of mass destruction. The three chapters of Part 5 instruct patrol officers in preparing for civil litigation that alleges violations of constitutional rights due to officer actions.
