*Dementia 21* Shintaro Kago, 2018-09-05 Yukie Sakai is a sprightly young home health aide eager to help her elderly clients. But what seems like a straightforward job quickly turns into a series of increasingly surreal and bizarre adventures that put Yukie's wits to the test! Cartoonist Kago, who is well known for combining a more traditional manga style with hyper realistic illustration technique, an experimental visual storytelling approach, and outrageously sexual and scatological subject matter, has single-handedly created his own genre: "fashionable paranoia.

*Cashew Nut Shell Liquid* Parambath Anilkumar, 2017-01-31 This book highlights and reviews the renewable feed stock principle of green nanotechnology by focusing the use of plant-derived cardanol as a renewable starting material for the synthesis of advanced materials. The book presents the chemistry of cardanol and methods of isolation, covers macro and nano structures based on cardanol as well as potential applications of such materials. Future perspectives on cardanol based green nanotechnology are highlighted in the final chapter.

**Interface Culture** Steven A. Johnson, 1999-10-07 Drawing on his own expertise in the humanities and on the Web, Steven Johnson not only demonstrates how interfaces - those buttons, graphics, and words on the computer screen through which we control information - influence our daily lives, but also tracks their roots back to Victorian novels, early cinema, and even medieval

urban planning. The result is a lush cultural and historical tableau in which today's interfaces take their rightful place in the lineage of artistic innovation. With a distinctively accessible style, Interface Culture brings new intellectual depth to the vital discussion of how technology has transformed society, and is sure to provoke wide debate in both literary and technological circles.

*Micro Finance and Women* G. Bhaskar, Kurapati Venkat Narayana, 2015 This book contains 11 research papers, authored by experts in the field of finance, which provide empirical evidence of the role of micro finance in economically empowering women, particularly in rural areas.

Blackberry Juice Sara Cassidy, 2016-09-06 In this early chapter book and follow-up to *Not For Sale*, Cyrus and his brother, Rudy, adjust to life in the country after moving into their new house.

Our Lady of the Lost and Found Diane Schoemperlen, 2002-07-30 One Monday morning in April, a middle-aged writer walks into her living room to water the plants and finds a woman standing beside her potted fig tree. Dressed in a navy blue trench coat and white Nikes, the woman introduces herself as Mary. Mother of God.... You know. Mary. Instead of a golden robe or a crown, she arrives bearing a practical wheeled suitcase. Weary after two thousand years of adoration and petition, Mary is looking for a little R & R. She's asked in for lunch, and decides to stay a week. As the story of their visit unfolds, so does the story of Mary-one of the most complex and powerful

female figures of our time-and her changing image in culture, art, history, as well as the thousands of recorded sightings that have placed her everywhere from a privet hedge to the dented bumper of a Camaro. As this Everywoman and Mary become friends, their conversations, both profound and intimate, touch upon Mary's significance and enduring relevance. Told with humor and grace, *Our Lady of the Lost and Found* is an absorbing tour through Mary's history and a thoughtful meditation on spirituality, our need for faith, and our desire to believe in something larger than ourselves.

**Things As They Are** Guy Vanderhaeghe, 2010-12-17 By the award-winning author of *The Last Crossing* and *The Englishman's Boy* Deftly layered, humane, these stories brilliantly capture the pathos and comedy of the human condition. Following the death of his domineering father, a middle-aged man tries to uncover a truth about their sometimes difficult relationship. When a grade-six teacher tyrannizes a student without apparent reason, the boy learns an unexpected lesson and his young life is changed irrevocably. An elderly widow falls prey to a con artist, revealing what we are capable of sacrificing to appease what we dread the most. A twelve-year-old boy is shunted off to his grandmother's farm and becomes part of an adult world he scarcely understands. A group of high-school students play on a classmate's self-delusions and set up what promises to be the most loaded boxing match ever staged. Whether writing from the point of view of a child, an adolescent, or a man in his seventies, Guy Vanderhaeghe takes us into the lives of his

characters with razor-sharp insights laced with gentle humour.

*Enormous Changes at the Last Minute* Grace Paley, 1974 A collection of short stories, originally published in 1974.

**The Collected Stories of Eudora Welty** Eudora Welty, 1980 Stories as good in themselves and as influential on the aspirations of others as any since Hemingway's. These stories are honest, and vastly entertaining.

*Later the Same Day* Grace Paley, 2014-10-07 Grace Paley's stature among writers of short fiction was established by her first collection, *The Little Disturbances of Man* (1959), and reconfirmed with the publication of *Enormous Changes at the Last Minute* in 1974. This new book, a selection from her work over the past ten years, is appropriately titled *Later the Same Day*: Paley's concerns, or themes, have changed only as much as life's constants change with the passage of time. Those characters familiar to readers of her previous volumes have grown older but are still deeply involved with their parents, their lovers and friends, and their children--the past, present, and future--and the welfare of the wider community. We meet the neighborhood druggist with his tale of familiar heartbreak and small-time bigotry (*Zagrowsky Tells*); a willful father in Puerto Rico who cannot accept the obvious loss of his child by kidnapping (*In the Garden*); a black woman who mourns the fact that her daughter, born in good cheer, has become only busy and broad (*Lavinia: An Old Story*)' a visitor from China whose concern is about the children, how to raise them (*The Expensive Moment*); a craftsman

whose beautiful creation is stillborn (This is a Story about My Friend George, the Toy Inventor). The seventeen stories in *Later the Same Day* are marked by Paley's low-keyed humor, her rich but economical use of language, and her seemingly endless capacity for empathy. Their substance--the persistence of human and political concerns, despite practical pressures--subtly overwhelms less important matters.

*Crooked Little Heart* Anne Lamott, 2011-11-16 With the same brilliant combination of humor and warmth that marked *Operating Instructions* and *Bird by Bird*, her two bestselling works of nonfiction, Anne Lamott now gives us an exuberant richly absorbing portrait of a family for whom the joys and sorrows of everyday life are magnified under the glare of the unexpected. The Fergusons make their home in a small California town where life is supposed to resemble paradise, but for thirteen-year-old Rosie (last seen in Lamott's beloved novel *Rosie*), reality is a bit harsher. Her mother, a recovering alcoholic, is still beset by grief over the early death of her first husband. Rosie's stepfather is a struggling writer plagued by doubts and hilarious paranoia. And Rosie, aching in the bloom of young womanhood and obsessed with tournament tennis, finds that her athletic gifts, initially a source of triumph, now place her in peril, as a shadowy man who stalks her from the bleachers seems to be developing an obsession of his own. Written with enormous emotional honesty, inhabited by superbly realized characters, riotously funny and wonderfully suspenseful, *Crooked Little Heart* is Anne

Lamott writing at the height of her considerable powers.

**From The Fifteenth District** Mavis Gallant, 2011-06-22 Set in Europe in the aftermath of the Second World War, the nine stories in this glittering collection reflect on the foibles and dilemmas of human relationships. An English family goes to the south of France for the sake of the father's health, and to get away from an England of rationing and poverty. A displaced person turned French soldier in Algeria now makes a living as an actor in Paris. A group of selfish English expatriates on the Italian Riviera are incredulous that Mussolini and the Germans may affect their lives. A great writer's quiet widow blossoms in widowhood, to the surprise and alarm of her children, who send a ten-year-old grandson to Switzerland to keep her company one Christmas. Full of wry humour and penetrating insights, this is Mavis Gallant at her most unforgettable.

**In the Land of Dreamy Dreams** Ellen Gilchrist, 2013-11-22 In the Land of Dreamy Dreams, Ellen Gilchrist's acclaimed 1981 debut collection of short stories, introduced readers to a remarkable Southern voice which has sustained its power and influence through her more than 20 subsequent books. Gilchrist has a distinctive ear for language, and a deep understanding of her flawed, sometimes tragic characters. These fourteen stories, divided into three sections -- There's a Garden of Eden, Things Like the Truth, and Perils of the Nile -- are about mostly young, upper-class Southern women who are bored with the Junior League and having babies, and chafe against the

restrictions of their sheltered lives. Talented and bright, but living in the shadow of men -- their husbands and fathers -- they resort to outrageous actions in pursuit of freer lives and uncompromised love, despite the consequences. This collection first introduced readers to some of Gilchrist's most beloved characters, such as Rhoda Manning and Nora Jane Whittington.

PRAISE: It's difficult to review a first book as good as this one without resorting to every known superlative cliché...Gilchrist is the real thing.

—Washington Post “A sustained display of delicately and rhythmically modulated prose and an unsentimental dissection of raw sentiment. Her stories are perceptive, her manner is both stylish and idiomatic – a rare and potent combination.”

—Times Literary Supplement “Witty, concise and wonderfully varied.”

—Literary Review “Gilchrist possess a distinctive voice, and blends a sense of poignancy with an often outrageously Gothic humor.”

—New York Times Book Review “Her prose is quick-witted and urbane and as gossipy as Vanity Fair. Quite simply there is no Southern writer quite like her.”

—Raleigh News & Observer

*The Chrome Suite* Sandra Birdsell, 2011-12-14 Set in Manitoba, Sandra Birdsell's spellbinding novel reaches back nearly four decades into the life of scriptwriter Amy Barber. In a journey shadowed by the future and the past, Amy travels by car from Toronto to Winnipeg with her younger lover, and reconstructs the events that brought her to where she is today. As the narrative moves from a small town during one extraordinarily hot summer at

the close of the fifties when a death changes everything, to the sixties and seventies when Amy marries, goes to live in the city, and begins to have reason to fear for her young son's well-being, Sandra Birdsell uncovers the inadvertent damage that can be done within the most well-meaning of families. Vivid, darkly humorous, erotic, *The Chrome Suite* is an emotionally charged story of darkness and light that evokes the sometimes dangerous territory of the past.

*Bread and Jam for Frances* Russell Hoban, 2008-09-09 Frances is a fussy eater. In fact, the only thing she likes is bread and jam. She won't touch her squishy soft-boiled egg. She trades away her chicken-salad sandwich at lunch. She turns up her nose at boring veal cutlets. Unless Mother can come up with a plan, Frances just might go on eating bread and jam forever!

The Late Man Andreas Schroeder, 1972

**Best Friends for Frances** Russell Hoban, 2009-01-27 Frances doesn't think her little sister, Gloria, can be her friend. But when Frances's friend Albert has a no-girls baseball game, Frances shows him a thing or two about friendship—and a thing or two about what girls can do. Along the way, Frances discovers that sisters can indeed be friends . . . maybe even best friends.

Daphne's Book Mary Downing Hahn, 1995-05 Daphne tells Jessica a secret, one which Jessica knows could be very dangerous to keep even though telling is breaking a promise.
