**Nightwise** R. S. Belcher, 2015-08-18 R.S. Belcher, the acclaimed author of *The Six-Gun Tarot* and *The Shotgun Arcana* launches a gritty new urban fantasy series set in today's seedy occult underworld in *Nightwise*. In the more shadowy corners of the world, frequented by angels and demons and everything in-between, Laytham Ballard is a legend. It's said he raised the dead at the age of ten, stole the Philosopher's Stone in Vegas back in 1999, and survived the bloodsucking kiss of the Mosquito Queen. Wise in the hidden ways of the night, he's also a cynical bastard who stopped thinking of himself as the good guy a long time ago. Now a promise to a dying friend has Ballard on the trail of an escaped Serbian war criminal with friends in both high and low places—and a sinister history of blood sacrifices. Ballard is hell-bent on making Dusan Slorzack pay for his numerous atrocities, but Slorzack seems to have literally dropped off the face of the Earth, beyond the reach of his enemies, the Illuminati, and maybe even the Devil himself. To find Slorzack, Ballard must follow a winding, treacherous path that stretches from Wall Street and Washington, D.C. to backwoods hollows and truckstops, while risking what's left of his very soul . . .

**The Impossible Collection of Wine** Enrico Bernardo, 2016-11-01 In this stunning addition to the Assouline Ultimate Collection, Enrico Bernardo, the world's best sommelier, imagines the perfect cellar filled with the most exceptional wines of the twentieth century: *The Impossible Collection of Wine*. Weighing the virtues of rarity, terroir, taste, and historical mystique, Bernardo's is a list any connoisseur could only dream of. To turn grapes into bottled poetry, the winemaker must be a kind of alchemist. Despite changes in technology and tastes over the past 100 years, the craft has remained largely unchanged;

a great wine remains the product of countless factors, not least of which is the smile of providence. In these pages, Bernardo celebrates the most exquisite vintages around the globe, from the 1928 Krug Champagne to the 1951 Penfolds Grange Bin 95 to the 1973 Stag's Leap Estate SLV, inviting the reader on a journey through history to savor an impossible collection. This hand-bound oversize luxury edition, featuring hand-tipped images and presented in a wooden crate, will be a must-have for the library of any true wine connoisseur.

\* Comprehensive overview of the queer tattoo scene\* Including works by 50 international artists\* Tattoo art away from the mainstream In recent years, having received a considerable boost by social media, a young and dynamic scene has emerged that is dedicated to what has become known as queer tattooing. This special community, which is growing steadily, has been born out of a desire to break with the hierarchies and patriarchal structures of traditional tattoo art. It aims to create safe, tolerant, and inclusive spaces where queer, nonbinary, and trans people can experiment away from the mainstream and develop their own individual styles and techniques. In their work, many tattoo artists break free from the destructive, heteronormative, and capitalist ideals of beauty, creating a visual language that subverts the long tradition of cultural appropriation which characterizes the traditional tattoo scene. Their designs reveal a unique creative flair for queer iconography. This book is the first comprehensive introduction to this vibrant and diverse queer tattoo community. It presents 50 international tattoo artists with the help of extensive portraits, texts, and series of images.
